KG.7.1.

Explanatory memorandum to the Revised estimate for 1947-48 and the Budget Estimate for 1948-49 for the Elementary Education Funds of the Tanjore District Board.

REVISED ESTIMATE - 1947-48.

Education Tax - Ordinary.

The rate of education tax has been adopted at 6 pies in the rupee of land revenue up to 1st July 1947 and 10 pies in the rupee after that date as per G.O.No.1387, Edn., dated 2-7-1947 and a sum of Rs.4,49,000/- arrived at on this basis has been adopted as receipts under this head.

The sum of Rs.69,820/- provided under "Advances Recoverable" represents the actual amount to be adjusted in connection mainly with the provision of Midday Meals in compulsory education areas prior to 1-4-1947.

A sum of Rs.97,000/- only has been taken credit under "Capital" as the actual expenditure on capital works is not expected to exceed this amount.

The actual opening balance for 1947-48 is Rs.1,66,330/- as against Rs.3,72,770/- the budgetted balance. The revised estimate of 1947-48 closes with a blance of Rs.23,619/-.

BUDGET ESTIMATE - 1948-49.

Receipts:

The opening balance for the year is Rs.23,619/-.

A sum of Rs.5,50,000/- has been taken as credit under education tax at the rate of 10 pies in the rupee of land revenue for the whole year.

A sum of Rs.6,31,950/- is proposed to be adjusted as contribution from General Funds to Eelementary Education Funds as against the prescribed minimum of Rs.1,11,830/-.

A sum of Rs.1,06,360/- under "Ordinary Receipts" and a sum of Rs.32,000/- under "Capital" have been taken as credit as Government grants for implementing the cost of schemes for compulsory education.

Government subsidised the above schemes in the year 1945-46. No grants were given during the year 1946-47 and 1947-48. As such grants are being allowed to other district boards in the province a grant of Rs.1,38,360/- has been taken as credit for 1948-49 as explained above. It is submitted that as this district board has raised the rate of education tax from 6 to 10 pies in the ~~rupee~~ rupee of land revenue and has in spite of it to adjust as much as Rs.6,31,950 from its General Funds to the Elementary Education Fund, Government will be justified in treating this district board on a par with other boards in the matter of financing compulsory elementary education schemes.

REVISED ESTIMATE - 1947-48.

Expenditures - Ordinary.

A sum of Rs.13,54,970/- has been provided for under "Salaries of Masters" against the provision of -- Rs.12,70,950/- in the approved Budget Estimate for -- 1947-48 in order to meet the expenditure incurred as a result of revision of scales of pay from 1-1-1947.

Similarly, a sum of Rs.8,040/- has been provided under "Salaries of Clerks and Servants" over and above the original provision of Rs.24,400/- for meeting the expenditure on account of increase in the ministerial establishment of the Elementary Education Section and

creation of the post of an Accountant sanctioned in G.O. No.2434, Education and Public Health, dated 12th November 1947 and general revision of scales of pay.

Provident Fund Bonus.

The difference of Rs.5,000/- between the sanctioned estimate for 1947-48 and the revised estimate for 1947-48 is due to increased provision made for payment of bonus on the revised rate of salaries given effect to from 1st January 1947.

BUDGET ESTIMATE FOR 1948-49.

Expenditure - Ordinary - Salaries and Allowance of Masters.

The provision of Rs.13,71,330/- includes the -- following items of expenditure proposed to be incurred during the year:-

1. Salaries and allowances of Masters for new schools.	Rs.22,080/-
2. Duty allowances to Headmasters.	Rs. 4,800/-
3. Provision for 20 additional Secondary Grade teachers.	Rs.13,920/-

I. Contribution to the Elc. Edn. Account: The contribution from the General Account to the Elc. Edn. Account approved in the B.E. for 1947-48 is Rs. 2,95,000/-. The same contribution has been provided in the R.E. for 1947-48 also. This may be allowed.

Further the Board has taken credit in the R.E. for for 1947-48 under the E.E. Account for the entire arrear toll compensation of Rs. 3,31,537 sanctioned in the current year. With this sum of arrear toll compensation and the contribution from the General funds referred to above, the R.E. for the E.E. Account closes with a balance of Rs. 23,620/-. As this account closes with a balance, the Board cannot adjust the entire arrear toll compensation in the current year towards the Elc. Edn. Account. A balance of Rs. 23,620 will be left out of the arrear toll compensation for 1947-48 after adjustment to the E.E. Account. This balance of a.t.c. may be necessary for adjustment towards the deficit, if any, in the E.E. Account for next year.

For 1948-49 the Board has proposed a contribution of Rs. 6,31,950. With this contribution the E.E. Account for 1948-49 is expected to just balance itself. This contribution is too much and it will not be quite necessary as the entire arrear toll compensation of Rs. 3,31,537/- likely to be sanctioned next year will be available for purposes of deficit, if any, under the E.E. Account. The contribution for 1948-49 may, therefore be reduced to Rs. 3,01,000. This will result in a deficit of about Rs. 3,31,000 in the E.E. Account for 1948-49. This deficit may be avoided by adjustment from the arrear toll compensation of Rs. 3,31,537 likely to be sanctioned next year.

Subj:- Elementary Education Fund - District Board, Tanjore - Budget Estimate for 1948-49.

From the D.P.I., P. No.15/B.3/47-48 dated 2-3-48.

The D.P.I. has forwarded with his remarks the Revised Estimate for 1947-48 and the Budget Estimate for 1948-49 of the Ele. Edn. Fund under the control of the District Board, Tanjore. Provision has been made in the Budget for the expenditure connected with the revision of salaries of teachers and the scheme of compulsory elementary education. The provision proposed under several heads on the expenditure side seems adequate.

2. Credit has been taken for a subsidy of Rs. 1,38,360/- from Provl. Funds towards the cost of the scheme of compulsory ele. education introduced in the District. The decision has all along been not to sanction any subsidy even for the scheme of compulsory elementary education for the Dt. Board, Tanjore, as the Board has sufficient surplus in the Ele. Edn. Fund account for meeting the cost of the scheme. The question whether the Board is entitled to a subsidy for the scheme of compulsory ele. edn. as in other district boards, has been raised separately and the matter is to be discussed by the Standing Finance Committee. Pending the decision of the Committee, the credit taken may be omitted.

3. The Budget has framed by the Dt. Board closes with a 'nil' balance. If the subsidy taken credit for the scheme of compulsory elementary education is deleted, there will be a deficit of Rs. 1.38 lakhs. This deficit has been arrived at after taking into account the contribution of Rs. 6.32 lakhs made from the General Funds to the Ele. Edn. Fund. The L.A. Department have noted in connection with the General Funds Budget that the entire arrear toll compensation grant payable to the District for 1948-49 will be available for

for transfer to elementary edn. fund account, and that it will be sufficient if the contribution from the General Funds is limited to the amount actually necessary to wipe off the deficit in the Ele. ~~The only means of balancing the~~ account in future years will be by enhancing the rate of educatal tax to the extent necessary. This has already been suggested to the E.&P.H. Dept in the General Budget for 48-49.

It may be mentioned in this connection that there is a proposal to permit the district board to contribute Rs. 10 lakhs to the District Health Assn towards opening a T.B. Sanatorium at Vallam. After meeting this expdr. the dist. board will have a surplus of Rs. 9.07 lakhs under the Extl. Acct. at the close of 1948-49. This Dept may perhaps agree to the additional contribution of Rs. 1.38 lakhs from Extl. funds in 1948-49 as a special case. E.&P.H. Dept may be requested to consider the question of enhancing the rate of edn. tax at least from 1949-50.
