Sir,

REF: G.O. MS. No.196 Education dated 27th January 1948
sanctioning the continuance of Additional staff of
for a further period of three months ending 19-5-48.

I have the honour to state that the compilation of
Public Instruction Report for 1946-47 has just been completed.
The compilation of Part II of Volume II of the Report has been
taken up. This work involves the preparation of a number of
subsidiary tables containing details of individual schools
which have to be compiled from the original returns of each
district and clean copies of the same have to be taken for
sending them to the press for printing. There is therefore
still full work for two additional clerks, sanctioned in

G.O. Ms.No.196 Education dated 27th January 1948, whose term expires on 19--5--1948.

On account of the dearth of trained personnel it was found possible to detail only new recruits for the work who were not able to finish the work within the stipulated time. Further owing to the sudden revival of long suspended annual returns required for the report, the returning officers could not submit all the returns in time. Under these circumstances I request that the Government may be pleased to sanction the continuance of the posts of the clerks for a period of two more months from 20--5--1948.
