It has been decided that a middle school for
girls should be opened by Government from the beginning
of the next school year at Rayadrug, Dharmapuri and
Gobichettipalayam by taking over the management of the
Board Higher Elementary Schools for girls at the places.
It is presumed that the District Boards, Bellary, Salem
and Coimbatore, have agreed to transfer to Government
the Higher Elementary schools referred to above with
the building and equipment and that orders sanctioning
the opening of the middle schools ^{may be} issued on that basis.
Please say whether the presumption is correct.

Sub: Establishment - opening of a new middle school for girls by Government at Dharnapuri - proposals.
Ref: Your letter Rc.No.1380-K3/48, dated 3-4-1948.

By agreeing to this proposal, the district board has to go in for a rented building and fresh equipment for the standards I to V, for the board girls school Dharmapuri. I therefore request the Government may be requested to reimburse any additional expenditure that the district Board may have to incur on house rent and equipment in the special circumstances of the case. Dharmapuri is a compulsory area for elementary education but being a semi-rural area house rent is higher than that allowed for Elementary school buildings in such areas. Hence, such additional expenditure on rent as may be required over and above that allowed by the rules regarding rent may kindly be sanctioned, when such a request is made.

The budget has already been voted. Provision has been made in the budget estimate for 1948-9 for the opening of six new middle schools and for the opening of an additional section in ~~Form~~ Form IV in the Government High School for Girls, Madura. According to the centres selected by H.M.(Edn.) there will be some savings in the expenditure provided for as already pointed out on page 14 ante. The savings will be surrendered by the Director or will be utilised for other purposes by re-appropriation.

Please see the notes extracted on pages 1-2 above. The D.P. may now be asked to report whether replies from the District Boards, Bellary, Salem & Coimbatore in reg. to the handing over of the Higher Elementary Schools at Rayadurg, Dharmavari and Gobichettipalayam ^{to Govt.} have been received and if so, when this reply may be expected. [Memo no 30807 B/48-1 Son & 28.4.48] - p 3 of.

From the D.P. Memo 1380 K-3/48 & 2.5.48 - p 5 of.

The D.P. reports that the Bellary St Bd has agreed to transfer the Board Higher Elementary School for girls at Rayadurg with its buildings and equipment and the S.O. St Bd Salem has agreed to the transfer of the Board Higher Elementary School at Dharmavari with its building equipment. He requests that orders may now be issued sanctioning the opening of new middle schools for girls by Govt at the above centres - the opening of the schools may be sanctioned

subject to the resolution of the Salem St Bd. in regard to the transfer of buildings & equipments of the Higher Elementary Schools for girls at Dharmavari.

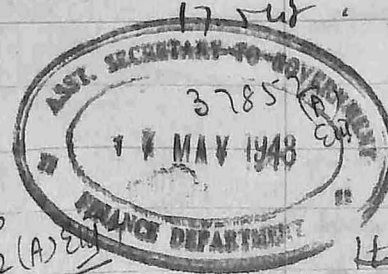

2. The S.O. St Bd, Salem, has pointed out that the St Bd will have to incur some additional expenditure on the maintenance of the lower Elementary School and requests that a subsidy may be sanctioned when an application is made. The D.P. points out that no undertaking can be given in this regard. He may be asked to inform the S.O. accordingly.

3. In regard to the new middle school for girls to be opened at Gobichettipalayam, the Director reports that the St Bd Coimbatore has not agreed to the transfer of the building of the Board Higher Elementary School and the S.O. has been asked to report whether the Bd will reconsider its decision. It seems unnecessary to wait for the S.O. reply. If the St Bd is not willing to accept the terms proposed some other centre may be selected for the opening of a new middle school. Orders of HM (Son) may be taken whether the opening of a new middle school at Timralli in Malabar may be sanctioned - vide pp 15-16 of G.O. no 910 Education dated 16.4.48 & HM's minutes on pp 46-47 of G.O. no 1212 Education dated 14.5.48.
