Extract from 12

Proceedings of the District Board, Salem passed at the urgent special meeting by the Special Officer on 22-3-48 at 12.30, under powers of the Board vested in him.

2. Special Officer's note requesting sanction of the Board for bringing under compulsion during 1947-48 the 51 centres noted below (where schools were opened under expansion scheme). Under section 44(a) of the Madras Elementary Education Act, 1920, for all children of school age (Boys and Girls) from the date of introduction.

Note: Twenty nine centres were selected in consultation with the District Educational Officer, Salem, for the introduction of compulsion during 1947-48 as requested by the Director of Public Instruction, in his letter No.11307/BI/47 dated 16-4-47 and Board's sanction was obtained in Resolution No.20 (23) dated 12-7-47, approving the introduction of compulsion in these centres. The Director of Public Instruction then requested for a revised resolution to the effect whether the original Res.No.20(230) dated 12-7-47 was also intended to cover the hamlets mentioned by the District Educational Officer. A specific resolution No.82(315) dated 12-8-47) was therefore obtained and forwarded to the District Educational Officer. The Director of Public Instruction again wanted to draw up proposals according to the instructions contained in G.O.No.Ms.763, Edn, dated 16-4-47, in consultation with the District Educational Officer. Accordingly, 67 centres from among the schools opened under expansion scheme and four centres at Veerapandi, Attayampatti, Kondalampatti and Puliyankurichi, which are in rural development centres, were selected by the District Educational Officer and sent to this office. Board's sanction was obtained in its resolution No.571 dated 17-12-47, approving the introduction of compulsion in these 71 centres and forwarded to the District Educational Officer. ~~Later~~ The latter stated that according to the list furnished by him the number of children yet to be brought under instruction was 11,768 and that under instruction in the schools opened under expansion scheme is 17,906 fixed for this district, and that the four places, Attayampatti, Veerapandi, Kondalampatti and Puliankurichi and some other centres might be excluded, so that the proposal would be within the target figure. In addition to these 4 centres, other 11 centres were therefore proposed to be excluded and the District Educational officer was asked whether he agreed to the deletion of the centres. He has agreed to the deletion of these 15 centres and also requested to delete 5 more centre so as to have the Total number of pupils to be brought under instruction within the target figure of 12,000. His proposal has been agreed to, and according to it the following 51 centres are selected.

Sir,

REF: Government Memo. No. 28167-B.2/48-1 dated
18-5-1948

The circumstances under which the submission of proposals for the introduction of compulsion in the Salem District during 1947-48 was delayed are explained as follows. The District Educational Officer, Salem was addressed through a memo. dated 25-7-1947 to submit the statement of particulars for the introduction of compulsion in Salem District during 1947-48 along with a copy of the resolution of District Board agreeing to the introduction of compulsory elementary education in the District obtained and enclosed. The District Educational Officer submitted the particulars called for with a copy of the resolution of the District Board enclosed. The resolution of the District Board was found to be defective as no hamlets were specified under any of the centres, while the District Educational Officer included some hamlets under the names of certain centres. The Dt. Edl. Officer, Salem and the Special Officer, District Board, Salem are therefore again addressed in the matter on 30-7-1947 to send a revised resolution.

2. The Special Officer, District Board,

Salem

3. The revised resolution of the District Board was received in this office on 24-3-1948 while certain further particulars on the proposal from the District Educational Officer, Salem were received on 7-4-1948. Thus the proposal on the subject was finally submitted in this office ROC.No. 1513-B.1/47 dated 15-4-1948.
