M. E. S. - Dr. N. C. Krishnach
Naidu - Confirmed as Lecturer
in Geography, releasing
rules.

M.E.S.--Reserved vacancies--Allocation as between war service candidates and non-war service candidates.

**

I suggest that the above 30 vacancies [reserved for war service candidates] may be allocated as between war service candidates and civilians as shown below:

Total no. of vacancies available for allocation:	30
No. to be reserved for Direct recruitment of war service candidates:	20
No. to be de-reserved for civilians:	
--for direct recruitment in the ordinary way:	5
--for being filled substantively by promotees from subordinate posts or services:	5

**

The follg. 5 posts may be de-reserved for being filled substantively by persons who had been promoted from a lower post or recruited by transfer from the subordinate services.

- (1) Prof. of Sanskrit 1 post
- (2) Lecturer in History 1 "
- (3) " Chemistry 1 "
- (4) " Maths. 1 "
- (5) Professor of Civil Engg. 1 post.

(2) to (4): As regards the dereservation of the posts of Lecturers in History, Chemistry and Mathematics, this is not in accordance with the principles laid down by Govt. It is also true that the senior officers recruited to these posts have no legitimate claims for substantive appointment in the reserved vacancies, as even if these posts had not been reserved for war service men, these vacancies would have been filled by direct recruits in the normal way. But I may point out that in the units of History, Chemistry and Mathematics--there has been considerable stagnation in the Subordinate Services and a number of senior officers with considerable experience are still awaiting promotion to the Madras Edl. Service. In these circumstances if direct recruitment is to be made and even the present officiating members are to revert to the Subordinate Edl. Service, it will cause much hardship and disappointment. I therefore suggest that this opportunity may be taken advantage of to give subordinate service men chances for promotion. I may particularly point out that in the History Unit three young direct recruits have been appointed in recent years and a number of them have been lost owing to the transfer of members to the Section also. In the above circumstances Govt. may be pleased to de-reserve the provisions of rule 2(c) of the Educational Service with a view to giving promotion to the 'Approved probationers' case.

Government of Madras.
Education and Public Health Department.
No. 27296-A-13.

From

M.V. Subramanian, Esq., I.C.S.,
Secretary to the Government of Madras.

To

The Secretary,
Madras Public Service Commission,
MADRAS.

Dated Fort St. George the 4th November 1947.

Sir,

Sub: War Service Personnel-Recruitment to the Madras Educational
Service.

Ref: My letters No. 27296-A-4, dated 20-5-1947 and No. 27296-A-9,
dated 21-8-1947.

In continuation of the letters cited, I am to state that the total number of vacancies in the Madras Educational Service (Mens branch), mentioned in the appendix to G.O.No. 821-P.(S), dated 15th March 1947 as "reserved vacancies", has to be altered from 33 into 30 for the reason that the two (temporary) posts of Professors of Automobile Engineering and Textile Technology do not now exist, the sanction therefor not having been renewed this year, and that one of the 3 posts of Lecturers in Physics which it was expected would fall vacant before 1st April 1947 actually fell vacant subsequent to that date.

The Government have decided that of the 30 posts, for the following 20 (which form 66 2/3%) candidates who have rendered war service should be selected:-

P.T.O.

Designation.	Number of posts.
District Education Officer's Lecturers in History	3
-do- Physics	1
-do- Chemistry	2
-do- Mathematics	1
-do- English	1
-do- Philosophy	3
-do- Geography	1
-do- Commerce	1 (temporary post)
Professor of Mechanical Engineering	1 (-do-)
" Electrical Engineering	1 (-do-)
" Civil Engineering	1 (-do-)
Instructor in Surveying and Drawing	1 (temporary vacancy)
" Civil Engineering	1 (-do-)
Manual Training Expert	1

20

They have also decided that of the two posts in the Women's Branch of Service mentioned in the Appendix to the G.O., the post of Lecturer in Mathematics should be reserved by a war service candidate. I am to request that the Commission will kindly proceed to draw up approved lists for such of the posts mentioned above as have been included in the Government India Pamphlets G.P.S.2 and 1-A. In the case of vacancies in posts of Lecturer in Commerce, Professor of Mechanical Engineering, Instructor in Surveying and Drawing and Instructor in Civil Engineering, which are included in either of those pamphlets and which do not appear to have been advertised so far, I am to request that the Commission will now advise them inviting applications from candidates with war service including men and then proceed to draw up the approved lists; as in respect of posts, the General Rules for the Provincial and Subordinate Services and the Special Rules for the Madras Education Service govern the conditions of service in these posts.

Your obedient servant,

M.V. S ubramanian,
Secretary to Government.

Sub:/War Service personnel - Recruitment to reserved vacancies.

2. The Government have approved of the selections made so far by the Commission of the war service candidates for recruitment to the 'reserved vacancies' in the M.E.S., excepting the selections for the posts of Lecturers in Physics and in English, orders which will be issued in due course. The approval of the selection of those candidates who have not yet produced physical fitness certificates is subject to the condition of their being found to be physically fit. The Director is requested to send up to Government at an early date proposals for the training of the candidates selected for the D.E.Os.' category with reference to rule 14 of the Special Rules for the M.E.S., and proposals as to the particular colleges to which the other candidates whose selections have been approved, should be appointed.

3. The Commission has reported, inter alia, that the only candidate for the post of Lecturer in Geography subjected to examination did not obtain qualifying marks for selection. Normally, the procedure to be adopted for filling the vacancy now is to advertise it for ordinary direct recruitment but, the D.P.I. is requested to consider and report whether there would be justification for relaxing rule 2(a) of the Special Rules and rule 25(b) of the General Rules in favour of Sri N.C. Krishnayya (one leave preparatory to retirement), who has officiated as Lecturer in Geography on appointment by transfer and for confirming him in the vacancy; a similar course was recommended by the Director in respect of transferee officers in certain other subject-units, in paragraph 4 of his letter No. 22/47 dated 3-10-47.

With reference to paragraph 3 of the Memorandum cited, I have the honour to invite the attention of Government to my recommendations in R.Cl. No.38/44 dated 9-3-46, R.C.No.2647 C/46 dated 14-8-46 and to paragraph 1 of letter C.No.1/C-1/47 dated 2-1-47 disposed of in Government Memos. No.14582 A.2 Edn., dated 25-4-46, No.46695 A.1 Edn., dated 9-9-1946 and No.315 A.1 Edn., dated 28-1-47, respectively. Sri N.C. Krishniah Naidu, is a very senior officer among the officers awaiting confirmation in the Madras Edl. Service. Unless the rules are relaxed in his favour he has no chances of confirmation in the Madras Edl. Service. As explained in my letters referred to above, the case of Sri N.C. Krishniah Naidu is a hard one and I consider that there is justification for relaxing rule 2(e) of the Special Rules for the Madras Edl. Service and rule 25(b) of the General Rules for the Madras Provincial and Subordinate Services in his favour. Accordingly, I recommend that the said rules may be relaxed in his favour and that Sri N.C.

Read:- From the D.P.I., No. 27/47, d/- 18-2-48.

G.O.(MS.) No. 129/ Edn., dated 21/5/48

The post of Lecturer in Geog., Teachers' College, Saidapet, fell substantively vacant from 17-4-43. Under rule 2(e) of the Special Rules for the M.E.S., it was reserved to be filled by direct recruitment. Owing to the operation of the M.C.S.(W.S.P.) Rules 1941, the direct recruit should have rendered war service. Pending the recruitment of a war service candidate, Sri N.C.Krishniah Naidu, Asst. Lecturer, was apptd. to the vacancy by recruitment by transfer. Sri Naidu also completed the period of his probation as Lecturer satisfactorily.

In Jan. 1948, The M.P.S.C. which selected service candidates for appt. to the various reserved vacancies in the M.E.S., reported that the only war service candidate for the post of Lecturer in Geography, who was subjected to examination by it, did not obtain qualifying marks for selection. Therefore, the procedure normally to be adopted for filling the vacancy was to advertise it for direct recruitment in the ordinary way. But, the D.P.I. has reported that Sri Krishniah Naidu is a very senior officer among the officers awaiting confirmation in the M.E.S., that unless the rules are relaxed in his favour he has no chance of confirmation in that service. That his case is a hard one and that there is justification for the relaxation of the rules in his behalf. The Govt. accept the Dist's recommendation. H.E. the Govr. of Madras accordingly directs, under section 241(5) of the G.O.I., 1935, that the provns. of rules 251(b) of the General Rules for the Provl. & Sub. Services and of rule 2(e) of the Spl. Rule for the M.E.S. be relaxed in favour of Sri N.C. Krishniah Naidu and that the post of Lecturer in Geography,

- 2 -

Krishniah Naidu who is now on leave preparatory to retirement may be confirmed as Lecturer in Geography, Teachers' College, Saidapet with effect from 17th April 1943, the date from which the post is substantively vacant, without prejudice to his leave. I may state that Sri Krishniah Naidu was declared to have satisfactorily completed his probation in category 5 of Class III of the Madras Edl. Service on the afternoon of 17th August 1943 - vide G.O.Ms.No.1470 Edn., dated 1st November 1943.

2. Sri Krishniah Naidu was ~~already~~ officiating as Lecturer in Geography, Training College, Rajahmundry (first appointed in August 1941) ^{at the time when} ~~where~~ the post of Lecturer in Geography, Teachers College, Suddapet fell substantively vacant. It does not seem quite proper to say that he was appointed to the ^{vacancy} ~~post~~ by transfer from the category of Assistant Lecturer. If he was so appointed he could not have counted his service in that post towards probation - see rule 3(4)(b) of the M.C.S. (W.S.P) Recruitment Rules, 1941. The draft may perhaps be amended as indicated in pencil.
