According to the orders in the G.Os. quoted above, teaching grant is admissible to trained higher elementary secondary and Collegiate grade teachers employed in Panchayat Schools in time scales. As teaching grant has to be sanctioned in respect of these classes of teachers with reference to the increments earned by them in the time-scales concerned, it is necessary that service registers should be opened and maintained for them. At present no service registers are maintained for the

pto

teachers in Panchayat Schools. I therefore suggest that Service Registers may be opened for trained higher elementary grade, secondary grade and Collegiate grade teachers in Panchayat Boards and that the Executive authorities of the Panchayat Boards may open the service registers, maintain them and also sanction the increments due to them and communicate a copy of the sanctioned increment certificate to the Deputy Inspector of Local Boards concerned for purposes of assessing teaching grant. I solicit approval of the Government to the above suggestions.

2. I consider that Service Books are necessary for teachers working in Panchayat Schools and may be prescribed.
3. The Teachers Service Register now used for teachers in aided schools will have to be modified and improved with a view to provide for the recording of periodical increments, leave etc., A revised form will be submitted to Government for approval.
