Sir,

Sub:- College-Salem-Managing Body-Constitution-Vice-Chancellor's letter-Interpretation of Act-sodicited.

I beg to invite your attention to the letter No.A.5605 dated 10.12.45 of the Vice Chancellor, Madras University to the Chairman Municipal Council, Salem. As desired by the Vice-Chancellor, I placed the subject in regard to the formation of the Governing Body before the Council and it has constituted a Committee of 7 including the Principal of the College. The Vice Chancellor has also been informed accordingly.

The Vice Chancellor's letter contains certain views which I consider are not in consonance with the provisions of the District Municipalities Act. He says that -

> "the Commissioner has erred in assuming that all Officers and staff of the Municipality are his subordinates and therefore, the Principal and all the teachers of the College are his subordinates. This is a view which the Syndicate cannot accept. It is obvious that the Principal and other members of the teaching staff of the College who are the employees of the Municipality are not subordinates to the Commissioner, but are subordinates of the Municipality etc.,"

L.Ad
Edn. P.H.
2/2/46

3163-1A

In 1933, as soon as the system of Commissioner was introduced, an agitation was set up by the I Class Health Officers that they are not subordinates to the Commissioner; but the Government held that they were subordinates to the Commissioner.

In view of the Section 18-B (2) of the District Municipalities Act and the views expressed by the Vice Chancellor, I solicit Government to elucidate the position and give instructions.

I may also point out that the University Commission in its report dated 1-4-43 recommended the constitution of an Advisory Committee with the Principal as an Ex-Officio member. The Registrar in his letter dated 8-9-45 suggested the formation of a small Committee consisting of the Chairman, the Principal, one member of the Council, one member of the staff elected among themselves and Commissioner as Secretary, with the powers of the Council delegated to it; but in the Vice Chancellor's letter, it is suggested that a Committee of 5 or 7 may be formed with Chairman, Commissioner, 2 or 4 Councillors and the Principal as Ex-officio member. It will thus be seen that the Syndicate has no definite views for the formation of the Committee and it is changing them from time to time on my representations.

I request the Government also to define the status of the Executive Authority in relation to the Managing Body constituted by the Council and referred to in para 1 supra.

R.O.C. No. C2. 19510/44.	Dated 19-1-1947.

Sir,

Sub:- EDUCATION - College - Governing Body - constitution of - approval - requested.

5265

The Salem Municipality is maintaining a first grade College. The rules of the Madras University require that the College should be managed by a Governing body and that the funds of the College should be separately administered.

In accordance with the above, the Municipal Council has framed bye-laws for the constitution and working of the managing body and for administration of the funds separately from the general funds of the Municipality.

Draft Bye-law No. 2 has to be recast as follows with reference to the decision of the Syndicate communicated by the Vice-Chancellor. An extract of his letter is appended below:

A

"2. The Governing Body shall consist of seven members as shown below:-

1. The Chairman, Municipal Council, Salem.
2. The Commissioner of the Municipality.
3. The Principal of the College.
4. One District official elected by the Council.
5. One non-official from the public elected by the Municipal Council.
6. Two members of the Municipal Council." elected by the Ml Council

The Bye-laws have to be published under Section 309 of the District Municipalities Act for suggestions and criticisms but before this is done, I request that Government may be pleased to give directions whether the bye-laws can be published as drafted subject to the above modification. The College Fund has to be created separately.

COMMISSIONER,

SS/-21.1.p

Extract from the letter from the Vice-Chancellor dated 10-12-1945.

After careful consideration of all aspects of the question, the Syndicate has finally decided --

(1) There shall be a Committee appointed by the Municipality to which will be delegated all powers for the management of the College.

(2) that the Principal should be an ex-officio member;

(3) that the Committee may consist of not less than five and not more than seven members;

(4) that the Chairman should be on the Committee and it is desirable that the Commissioner should be a member;

(p.t.o)

(5) that the other members should be nominated by the Council for a period of three years.

I would request you to clarify the position and to let me know whether you are prepared to constitute a Governing Body of the College on the lines indicated. Should this Governing Body be not constituted on the lines stated above, the Syndicate will have to consider the necessity of further examining the question of the affiliation of the Salem Municipal College".

College - Municipal - Salem. Status of the Executive Authority in relation to the Governing Body constituted by the Council

26

C No 3163/46. From the Commissioner Salem Municipality Roc. No C2 19510/44 dated 28.1.46.

(1)

The administration of the Municipal College at Salem was hitherto controlled by the municipal Council subject to the Regulations of the Madras University. All the expenditure relating to the College was sanctioned by the Council. Appointments were made by the Appointments Committee constituted under Sec. 73 of the D.M. Act 1920 and the Executive Authority of the Council performed all the duties connected with the management of the College under the powers vested in him under the provisions of the D.M. Act. As required by the University, the municipal Council has recently constituted a Governing Body consisting of 7 members, including the Principal of the College, to manage the College. The Commissioner of the municipality requests instructions as to whether the Principal and other members of the staff of the College are subordinate to the Commissioner in view of Section 18-B(2) of the D.M. Act. He also requests the Govt to define his status in relation to the Governing Body.

(E)/2

A

2 In regard to the first question, attention is solicited to Sec. 77-B of the D.M. Act. 1920, under which the Governing Body shall exercise in relation to the members of the teaching staff and the establishment of the College all powers of appointment, control and punishment which by or under the Act vest in the Committee referred to

2

in Sec. 73 of the DM Act or in the Executive Authority. The Principal and other members of the staff of the College are therefore subordinate to the Governing Body and not to the Commissioner of the municipality. As sec. 77-B was introduced subsequent to sec. 18 B-(2) referred to by the Commissioner, the latter cannot be held to apply to the staff of the College.

3 In regard to the second question, it is submitted that the Governing Body was constituted by the Council and derived its powers from the Council. It is answerable to the municipal Council only and the Commissioner cannot exercise any direct control over the Governing Body. There is no information whether the Commissioner is on the Governing Body and acts as its Secretary. The information may first be obtained.

A draft memo is submitted below for approval.

The position stated at 'A' on page 2 ante is correct. As regards 'B' on that page, it is presumed that the Governing Body is constituted in accordance with the laws of the University as required by section 77-B. The section does not provide for any control over that Body by the Executive Authority.

By-laws 1 to 7 of the draft by-laws may be clubbed into 4 by-laws and may be recast as follows:-

"1.(a) The Salem College shall be maintained by the Municipal Council, Salem.

(b) Its management shall vest in a Governing Body.

2.(a) The Governing Body shall consist of seven members as follows:-

(1) The Chairman of the Municipal Council, Salem, ex officio;

(2) The Commissioner of the Salem Municipality, ex officio;

(3) The Principal of the Salem College ex officio;

(delete) ~~(4) One member elected from among themselves by the staff of the said College;~~

~~(5)~~ 4 One district official elected by the Municipal Council, Salem;

~~(6)~~ 5 One non-official from the public elected by the Municipal Council, Salem;

~~(7)~~ (6) ~~One~~ Two member~~s~~ of the Municipal Council, Salem elected by that council.

(b) All the elected members shall ordinarily hold office for a period of three years from the date of election unless otherwise disqualified by virtue of transfer or cessation of office, as the case may be.

3.(a) The Chairman of the Municipal Council, Salem, shall be the Chairman of the Governing Body and shall preside over the meetings of that Body.

(b) The Commissioner of the Salem Municipality shall be the Secretary of the Governing Body.

4.(a) The Governing Body will ordinarily meet once in a month and if required, meetings shall also be held at any time to dispose of urgent subjects.

(b) The Secretary shall convene the meetings of the Governing Body and shall keep a record of the proceedings of all the meetings.

(c) Not less than three days' notice of a meeting shall be given to each member accompanied by an agenda showing the business to be transacted in the meeting.

(d) The quorum for the meeting shall be three.

(e) All questions which may come up before the Governing Body at any meeting shall be decided by the majority of the members present and voting at the meeting and in every case of equality of votes, the Chairman shall have a second or casting vote."

By-laws 8 to 11 may be renumbered as by-laws 5 to 8 respectively and the alterations indicated in red ink thereon may be made.

It is presumed that the College is known as the "Salem College". If, however, it is known as the "Salem Municipal College", the reference to "Salem College" wherever it occurs in the by-laws may be altered into "Salem Municipal College".

ANTE. The presumptions of Legal at 'N' and 'M' on pp.5 and 6 ANTE are correct. The amendments to the by-laws suggested by Legal may be accepted. The following remarks seem however called for in respect of by-law 2. According to the by-law as approved by the Ml.Cl., the Governing Body will consist of seven members of ~~which~~ whom one shall be elected from among the college staff by the members of the college staff. This is against the decision of the Syndicate of the Madras Uty. extracted at pp.13-14 c.f. according to which all the members other than the Principal of the College, the Chairman and Commr. of the Mty., should be nominated by the Council. The Commr. accordingly proposed that by-law 2 may be recast as at 'A' on p.13 c.f. Under this proposal, the members of the college staff will not be represented on the Governing Body, and there will be two Ml.Councillors instead of one on the Body.

A It is not however known whether the Commr's proposal has been approved by the Ml.Cl. ~~It is not also clear from the letters at pp.21 & 31 c.f. whether the Uty. has approved~~ Apparently the University has approved only the by-law ~~as passed by the Ml.Cl. or only the by-law~~ as recast by the Commr. which was its original recommendation to the Ml. Council. The Commr. may first be consulted on 'A' above. Subject to orders, a draft memo is submd. for approval.
