To A.S.

Please see the letter on p 1 above & the notes of E & D.H. Dept. on pp 1-2 above. If 'M' on p 2 above is based on existing order of Govt, it seems desirable that such concessions are extended to the other Polytechnics also, as the new Polytechnics are also institutions similar to the Govt School of Technology.

I suggest, that the Government be pleased to sanction the
extension of the fee concessions under Madras Educational Rule 92, to
students belonging to backward classes studying in the Polytechnics
under this department.

The approximate cost involved, based on the present strength,
if the fee concessions are so extended is nearly Rs. 2000/- per annum.
