EDC No. B.1.821 of 1948 dt 4.5.48.

The Commissioner, Corporation of Madras, has since reported that the E. S. fund is expected to close open with a balance of Rs. 1.21 lakhs and that the additional expenditure ~~of~~ on the payment of ^{enhanced rates to} teachers' allowances may be met from this amount. The expenditure is a recurring one & the question as to how this should be met in future years may perhaps be considered in those ~~next~~ years. It may again be pointed out that orders have not ~~to~~ been issued ⁱⁿ granting the enhanced rates of teachers' allowances to employees under local bodies. But ⁱⁿ the case of the Corporation, ^{the enhanced rates} ~~has~~ happened ^{to be} ~~have been~~ ^{drafted + the employees other than teachers are drawing the allowance} ~~to be an independent body~~. Perhaps orders granting ^{as revised rates} the payment of teachers' allowances at the increased rates ^{to teachers} may be issued. A draft order is submitted ^{again} below for approval.

This is with reference to the dearness allowance. You may approve the proposal of the Corporation to grant dearness allowance to all the elementary school teachers out of the elementary education fund at the increased rates sanctioned to Government employees.

There was another file in which the revision of pay of the Corporation teachers was considered. I had asked for certain information. It is very long since that ~~file~~^{matter} is pending. That file may be put up with the information so that early orders may be issued.
