Sir,

SUB: SCHOOLS - Government Islamiah High School, Trichinopoly continuance of additional sections and staff - Sanction requested.

REF: G.O. No. MS. 1617 Education dated 18th July 47. *****

I have the honour to state that sanction was accorded in the G.O. cited above for the continuance during the school year 1947-48 of an additional section in each of class V and Forms I to IV in the -- Government Islamiah High School, Trichirapalli, and the staff of 4 Secondary grade teachers and one L.T. Assistant employed therefor - Sanction was also accorded in the same G.O. for the opening of an additional section in Form V and the employment of an L.T. Assistant therefor during the school year 1947-1948. The school has two sections - one Urdu and one Tamil - from class V to Form V. During the school year 1947-48 the medium of instruction in Form VI was English and I permitted the opening of an additional section in Form VI as the strength of the Form was 64 in the beginning of the years and sanctioned the employment of an L.T. Assistant therefor during the current -- school year. I furnish below the strength of each section in each class and form:-

Class or Form.		STRENGTH.	
		Tamil Sec-tion.	Urdu Sec-tion.
Class IV.	..	34	34
Class V.	..	35	35
Form I.	..	39	27
Form II.	..	43	31
Form III.	..	38	35
Form IV.	..	41	25
Form V.	..	26	22

Since there are two sections in Class V and in each of Forms I to V with Tamil and Urdu medium, there is need for the continuance of the additional sections in the school in Forms I to VI in 1948-1949. In regard to Class 5, the number of pupils at present in Class 4 would justify only one section in class 5 next year. Hence there is need for the continuance of 3 secondary grade teachers and 3 L.T. Assistants (including the one created by me) during the school year 1948-49. But I have instructed the District Educational Officer to keep in abeyance class IV during the school year and class 5 during 1949-50 as I consider it undesirable to continue the lower classes in all Government Secondary Schools. Since English is taught only from Form I and the closure of lower classes will afford greater scope for the development of secondary education. One post of secondary grade teacher will, therefore, be available for the additional section in Form I.

for DIRECTOR OF PUBLIC INSTRUCTION.
