Sir,

Sub: BASIC EDUCATION OFFICER'S POST - to be raised to an M.E.S. post on Rs.230/- (fixed) - Proposal - Submitted.

I have the honour to report that the Basic Education Officer who is now working in my office is at present drawing a salary of Rs.160/- and is treated as a member of the Subordinte Educational Service. He has jurisdiction over all the basic schools in the Tamil districts and in addition, unlike the Basic Education Officer for the Telugu districts, has to advise the Director on all matters relating to Basic Education. In fact, he is entirely in charge of this work in my office. I recommend that the post of Basic Education Officer for the Tamil Nad created in G.O.NomMs.9817 Edn., dated 3-6-1947 be converted into a post in the Madras Educational Service on a fixed pay of Rs.230/- for a period of two years. This is necessary in view of the nature of the work he is expected to do. He has got to meet the District Educational Officers and the Inspectresses and discuss with them proposals for starting new schools and schemes for the training of teachers and it is necessary that he should be on a par with the District Educational Officers both in status and emoluments so that his proposals and recommendations may carry due weight. Moreover, an officer working in my office and being in a position

I request Government to sanction the conversion of the post of Basic Education Officer into a post in the Madras Educational Service temporarily for a period of two years. To,
Sri Avinasalingam Chettiji.

As desired by you in your letter of [illegible] I have sent representation on things needed through Rudrappaswamy. I am enclosing a copy of the same to you.

I am discovering that my title as B.E.O. is more honorific than real because I have neither the executive power to get things, connected with Basic Education done as I consider desirable nor the status to command regard for any advice or suggestions I might make to the department.

You know how the department machinery moves. A man of a status or scale of pay lesser than theirs is not fit for advice & so one of higher rank need not act accordingly. Moreover the suggestions I make are not backed by executive powers.

They are, also, people not very particular in taking any initiative in matters

Pertaining to the new scheme, of their own accor

So under the existing Conditions of service I can only make Proposals not sure if they be heeded at all because of my rank or when & how they will be executed because I have no Power to see they are carried in time or in Proper manner. In fact I never thought my position will be so helpless

My request, therefore, is please raise my status to that of a Gazetted Officer & give me executive Powers to see that work is carried out by the concerned officers. I need not mention the Powers in detail as they are plain & could be picked up from the Educational Code.

Am I able to convince you of these urgent needs. ~~will you~~ please help us do our work in a real & enthusiastic manner. Moreover as our position is low, the department people, also, seem to attach little value to the scheme & consider it not very important.

Yours truly,

To,
The Hon Minister of Education
Madras.

Sir,

I find on experience that for the effective organization and guidance of Basic Education in Andhra the following things are necessary.

1. Gazetted rank for my Position

My present rank & scale of Pay are below that of People who are expected to carry out my advice & Proposals. Naturally they will attach very little value to them and therefore they will be fruitless without a rise in the rank.

2. Executive Power to get things connected with the organization & conduct of Basic Education work done by giving instructions to officers who are to carry out this work.

~~6~~ 1 -2-

8

I submit this after great deliberation and after coming to the conclusion that this is the only way of running the scheme successfully and with satisfaction.

Sir,

Sub: Basic Education - Conversion of the posts of Basic Education Officers into Gazetted posts.

Ref: My letter C.1500 K3/47 dated 27-10-1947.

19167

I have the honour to request that Government may be pleased to sanction the conversion of the 2 posts of Basic Education Officers (One at Madras in my office and the other for the Andhra Area in Guntur) into Madras Educational Service Posts on a fixed pay of Rs.230/- p.m. with a peon for each officer for a period of 2 years. The necessity for having gazetted posts has already been explained in my letter cited above. I also request that a Junior Superintendent Grade II in the scale of Rs.140-190 and an additional Lower Division Clerk on Rs.45--90 may be sanctioned for the Basic Education section in my office as it is necessary for the officer to have an independent section with adequate staff for work relating to Basic Education. I would invite attention to my letter Rc.1909 B1/47 dated 11-3-48 submitting proposals for the employment of a Junior Superintendent, Grade II in my office.

2. At present all matters relating to Basic Education in my office are being dealt with by the Deputy Director for Elementary Education. As this work is gradually increasing he feels he is unable to deal with matters relating to Basic Education. Since the post is to be converted into a gazetted one, I would suggest that the Basic Education Officer at headquarters may be permitted to submit his recommendations direct to Government consulting me when necessary. This will also make him responsible for planning and carrying out the policy in regard to Basic Education. I request that Government may kindly accept my suggestion and issue early orders.

3. The financial effect of the proposals referred to in para 1 above will be as follows:-

Post of Basic Education Officer - Conversion into a gazetted post -

It has been pointed out to me that the work of the Basic Education Officer has been handicapped because of the status that we have given him. He is only a subordinate officer. He has been given duties which are much above a normal Gazetted Officer's rank. He is to be in charge of the Basic Education of the Province. He has been given the powers of supervision over all the basic school co-terminus with those of the Dt. Educational Officers and the Divl. Insprs. He is also the Officer who is to recommend for the recognition of the Basic Schools as well as Training Schools. But his subordinate status serves as a handicap for his work. He is the Basic Education Adviser to Govt. and Basic Education is extremely important and must be organised on a sound basis

in the initial stage. Unless he has got a prestige and convenience to do the work, it will be difficult for us to expect him to do this work.

For these reasons, I propose that he may be made a Gazetted Officer on the D.E.Os. grade and started on Rs.230/-

His pay now, I think, is Rs.170/-. The D.E.Os. grade starts at Rs.230/- and after all the difference is only Rs.60/- which comes to Rs.300/- for this year and Rs.720/- per year. H.M. Finance and H.P.M. may see.

The Government first sanctioned a post of Basic Education Officer on a fixed pay of Rs. 160 a month. (vide G.O.No. 981 Edn. dated 3 - 6 - 1947.) A time scale of Rs. 165 - 245 was sanctioned for the post in G.O.No. 2154 Education dated 7 - 10 - 1947. H.M. (Education) has now suggested that the Basic Education Officer should be granted the pay admissible to a D.E.O. viz., Rs. 230-30/2 - 260 - 40/2 - 500 - 50/2 - 700, the initial pay being fixed at Rs. 230. The Director has also officially addressed the Government in the matter. His intention is that the pay of the Officer should be fixed at Rs. 230 for a period of two years and he has calculated the extra cost on the basis of the difference between the minimum of the two scales of pay. But the intention of H.M. (Education) seems to be that the Officer should be given the time scale of pay for a D.E.O. The extra cost has therefore to be worked out on the basis of the average pay for the two scales. On this basis ~~an~~ the additional cost will be Rs. 3000 a year, the immediate cost being Rs. 780. H.M.(Edn.) has ordered that the case should be circulated to H.M.(Finance) and H.P.M.

(Re: Fin note on pp. 3-4 above)

The post of basic education officer at Headquarters was put on the grade Rs 165-245 in the Educational Subordinate Service as the officer was almost a Provincial officer. H.M.(Edn.) considers that ~~the work of~~ the officer has been given the powers of supervision over all the basic schools, ~~coterminous~~ comparable with those of D.E.O's and the Divisional Inspectors. H.M. thinks that as the basic education officer is to be the Adviser to Govt. on basic education, he should be given a gazetted status. It is submitted that in ~~the case~~ the case of M.E.S post of Adviser to Govt. on Manual training which is now held in abeyance a temporary post in the M.E.S.S has been created and this arrangement has been working satisfactorily. This Department also held in that case that the post need not be filled automatically by a gazetted officer later on if it is found that in practice a subordinate is all that is required. ~~In~~ With reference to the present case the post of basic education officer at headquarters is one of recent creation. In view of the special type of work that the Basic Education Officer at the Centre has to do, it is necessary that he must be made into a gazetted officer. He is in charge of basic education throughout the Province. He has to issue orders on matters connected with basic education in its various aspects. Now he ~~has~~ is unable to do it and he has to do it through the Post Office of another Deputy Director mainly ~~of~~ due to his rank being of a non-gazetted type. It must be necessary that he must be given a freer hand and an independent status if we are to do our basic education work more promptly. It is more important now than at any later stage as it is being organised fresh. In view of these circumstances, I think, the Baisc Education Officer at the Centre should be of the gazetted rank. H.M. Finance may see.

In June, his pay was fixed at 160. In October, a time-scale of 165-245 was given. In Nov, a proposal to give him 230-700 scale is being brought forward.

In June '48, the position can be reviewed and something of a permanent nature can be done then. Some time may be allowed for things to settle down.

The D.P.I. has ~~now~~ come up with the following proposals:- p7 c/f

(1) For the conversion of both the posts of Basic Education Officers (one at his office and the other for the Andhra Desa ~~Circle~~) into M.E.S. posts on a fixed pay of Rs. 230/- per mensem;

(2) for the appointment of a peon for each of the two officers;

(3) for the appointment of a Junior Superintendent in the Basic Education Section; and

(4) for the appointment of a lower division clerk in the Basic Education Section.

Item (3) above: The proposal for the appointment of a Junior Supdt. in the Basic Edn. Section is already under consideration separately. vide L.F.

Item (4) above: The D.P.I. has not made out a case for the appointment of an additional lower division clerk in the Basic Education Section. ~~At present, the staff given for the Basic Education Officer at headquarters is one Upper Division clerk and one attender.~~ one Lower Division clerk. The proposal may therefore be turned down. w/ M

Items (1) and (2) above: As regards the proposal for the conversion of the posts of Basic Education Officers into M.E.S. posts with a peon attached to each, attention is invited to the discussions at pages 5-6 ante. Finance had no objection to the raising of the status of the Basic Edn. Officer at Headquarters. H.M.(Finance) wanted this to be taken up for reconsideration in June 1948. If the status of the Basic Edn. Officer at headquarters has to be raised, it is but fair that the status of the Basic Education Officer for Andhra Desa should also be raised. The Andhra Basic Edn. Officer is already dissatisfied with his status and has already made a strong representation for raising his status. In the interests of speeding up Basic Education programme, the D.P.I's proposal merits consideration. It may be approved, and as suggested by him the Basic Education Officer at headquarters may be permitted to submit his recommendations

(Previous Finance note on pp.5-6 above)

The further note of E.& P.H. from p.8 above may be perused. The proposals in the file are

(1) conversion of both the non-gazetted posts of Basic Education Officers (one at the office of the D.P.I. and the other for the Andhra Desa) into M.E.S.posts (Gazetted) on a fixed pay of Rs. 230/- p.m.

(2) the appointment of a peon for each of the two Officers, and

(3) the appointment of a L.D. clerk in the Basic Education section.

Item 3 above:- E.& P.H. propose to turn down the proposal as the D.P.I. has not made out a strong case. This dept. also may agree with E.& P.H.

Items 1 and 2 above:- There are at present two Basic Education Officers - one at Head-quarters viz., Madras, (attached to the Office of the D.P.I.) for looking after the planning work connected with Basic Education for Andhra, Tamilnad, and Kanada, and the other at Vinayasramam, to organise Basic Education Schools in the Andhra Desa. Both the posts are now of the grade of Dy. Inspector of schools (non-gazetted) on the scale of 165--245. It is now proposed to convert these two non-gazetted posts into M.E.S.(Gazetted) posts on a fixed pay of Rs.230/- p.m. and to allow a peon to each of these two Basic Education Officers. The extra Cost involved in the propo -sal is Rs. 1,450 p.a. This excludes the extra cost on the higher rates of T.A. that will be admissible by the conversion ~~concessions~~ of non-gazetted posts to ~~a~~ gazetted ~~post~~. ones

2/ Attention is invited to this deptt.'s note on pp.5-6 abo and the minutes of H.M.(Edn.), and P.M.(Fin.) on p.6 above.

~~Attention is invited to this dept's note on pp. 5-6 above and the minutes of H.M.(Ed~~ The original proposal was only to raise the status of the Basic Education Officer at the Head-quarters viz., Madras ~~only~~ into that of a gazetted post on a scale of 230--700. Even then, this deptt. pointed out that this deptt. need not object to the proposal, if, in view of H.M.(Edn's minute on pp.1-2 above, it was considered imperative that the post should be raised to the status of a Gazetted post even in the early ~~da~~ stages of planning work on Basic Education. It was also pointed out by this deptt. that this should not lead to the upgrading of the other post of Basic Education Officer for Andhra area. However it was finally decided in circulation, that some time should be allowed for things to settle down and the position may be reviewed in June '48.

~~3. The duties and responsibilities attached to the Basic education officer at the headquarters viz., Madras are set out in detail in the ~~mm~~ minutes of H.M.(Edn.) on pp.1-2 above and on p.6 above. In the circumstances explained therein this deptt. may in principle agree the conversion of the post Basic Education Officer at Madras into Gazetted post on a fixed pay of Rs.230/- p.m. As the post is to be gazetted one this deptt. may agree to the employment of a peon also for this officer.~~

The view of this deptt
is that of H.M. Fin
i.e. that the present
arrangement may
continue until June
and the matter be
considered then.

4. ~~It~~ It is submitted that with the raising of the status of the Basic Education Officer at Madras into a Gazetted ~~post~~ one, he will be given a freer hand and an independent status and he will be in charge of Basic Education throughout the Province. Hence the Basic Education Officer, Andhra Desa will normally have to work under the Basic Education Officer at the Headquarters. ~~But~~ Presumably the duties attached to the post of the Basic Education Officer, Andhra Desa will be less responsible ~~as he will naturally have to work under the Basic Education Officer at the Headquarters.~~ Further this deptt. has previously pointed out that the ~~concession~~ conversion of the Basic Education Officer's post in the Head-quarters should not lead to the upgrading of the other post of basic education officer for the Andhra area. In the circumstances this deptt. may advise against the proposal for the conversion of the post of Basic Education Officer, Andhra Desa to a Gazetted one and the employment of a peon attached to that post.

Summarising Note.

The proposals under consideration in this file are:

(1) the conversion of both the non-gazetted posts of Basic Education Officers (one ~~at~~ in the office of the D.P.I. and the other for Andhra Desa) into M.E.S. posts (gazetted) on a fixed pay of Rs. 230/- per mensem;

(2) the appointment of a peon for each of the two officers;

(3) the appointment of a lower division clerk in the Basic Education Section;

Item (3) above:- It has been held by this Dept. as well as Finance that there is no case for this post. pp 8 & 9 ante

Items (1) and (2) above:- The proposal originally made by H.M. (Education) as well as the D.P.I. in October 1947 was only to raise the status of the Basic Education Officer at headquarters into that of a Gazetted post on a scale of Rs. 230--700. Finance, while having no objection to it, however expressed themselves against the up-grading of the post of the Basic Edn. Officer for Andhra Desa. It was, however decided in circulation at the instance of H.M.(Finance) that the present arrangements should be allowed to continue until June and that the matter should be reviewed then. Now, with refce. to the representation made by the Basic Education Officer for Andhra Desa at pp. 3 - 6 c.f., this Deptt. supported the present proposal of the D.P.I. for conversion of both the posts into Gazetted ones. Finance stick to the view taken by H.M.(Finance) at pp. 6 ante; and they are however not in favour of the proposal for

I understand there is some enquiry against the Basic Education Officer, Andhra. If the D.P.I. thinks there is nothing serious about them, he may also be made a gazetted officer as ordered above. He may be entrusted ~~in~~ with the powers of a Divisional Inspector of Schools with regard to basic schools in Andhra and

his office may be in the Office of the Divisional Inspector of Schools, Rajahmundry. With regard to the Basic Education Officer, he may be given independent powers roughly corresponding to the powers of the Deputy Director with regard to basic schools and basic training schools. If their work is not satisfactory, the probation is liable to be terminated for that reason itself and that may be specifically laid down as a condition of office.

Please see the further letter received from the D.P.I., at S.F. 9. In view of the observations of the Director, the issue of orders sanctioning the conversion of the post of the Basic Education Officer for the Andhra Desa into a gazetted one may be deferred.

2. As regards the Basic Education Officer at Head-quarters, his post is now included in the Educational Sub-ordinate Service. The question of framing ad hoc rules to govern the pay and the other conditions of service of that post is under consideration. The point is whether the post should now straightway be included in the M.E.S. If so, after consulting the M.P.S.C., ad hoc rules for it should be framed -- and subsequently for filling it on a regular footing also, the Commission has to be consulted. The intention of H.M. is to appoint to the post Sri Rudrappaswamy, the present Basic Edn. Officer at Headquarters. To enable his appt., the methods of recruitments may be "Recruitment by transfer only of the Basic Edn. Officer in the M.E.S.S." or "Direct Recruitment".
