CHIEF SECRETARY

Dear Mr. O. P. Reddi Maidsu,

The Indian Olympic Association is sending a team to India at the XIVth Olympiad in London in June 1948. The team will consist of athletes, swimmers, weight lifters, wrestlers, etc. They will be selected from among the best talent available in the country. The selection will be made by the National Sports Federations concerned and the selectors will satisfy themselves that those who are selected are the very best that the country has at present.

The cost of sending the team has been estimated at Rs 3,00,000/-. A public appeal for funds has been issued by His Highness the Maharajadhiraja of Patiala who is the President of the Indian Olympic Association. It has, however, been suggested that in view of the importance of the venture from the national point of view an appeal should be made to provincial Governments to contribute a substantial portion of the cost of the competitors selected from their respective provinces.

May I therefore request you to consider the possibility of your Government contributing to the Indian Olympic Fund 50 % of the estimated cost of the competitor or competitors selected from your province. The cost per competitor is estimated at approximately Rs 1,000/- made up as follows:

Passage	2000/-
Board and lodging at London	1000/-
Outfit, out of pocket expenses, passage from home to port of embarkation.	1000/-
Total	4000/-

It is not possible at the present stage to report the number of competitors selected from any province. This will be done when the selection is made. The number will depend upon the talent discovered in each province and will naturally vary in different provinces. There will be a few more from one province

a few less from another. The total number of competitors from all part of the country however is likely to be approximately 60.

I shall be grateful if you will kindly give this request your sympathetic consideration.

Yours sincerely,

Honorary Secretary,
Indian Olympic Association.

Honoured Sir,

20955 I beg to inform you that I was the South Indian Weight Lifting Federation to compete in the Tanjore, Trichy, Bangalore, Ceylon, Rangoon, Lucknow and Calcutta weight lifting competitions and that I came out first in these places. I have thus brought the Asiatic Championship to our Mother Country. Now I have been selected to compete in the ensuing World Olympics to be held in London in July 1948. For taking part in this competition I require heavy practice and heavy diet. I beg to add that I am a very poor man and I have to depend upon the charity of my few friends and our benevolent government.

I therefore request The Madras Government to render me the necessary financial help and thus help to bring to our Mother Country the world championship which with God's help and with the help of the benevolent Madras Government I hope to bring to our country.

Thanking you.

- Contribution

On Jan 28, An Indian Olympic Assn. reported that it proposed to send a team to represent India at the XIV Olympiad in London in June 1948 and that in respect of each competitor, the an expenditure of Rs. 1000/- as indicated below will have to be incurred : —

Passages	Estimated Rs 2000
Boarding & lodging at harbor	1000
Outfit, pocket expenses, passage from home to port of embarkation	1000
	4000

The Assoc. considered that in view of the ^{importance of the} Venture from the national point of view, the provincial Govt. should agree to ~~meet~~ meet a substantial part of the expenditure to be incurred in respect of the competitors selected from their respective provinces and accordingly requested this Govt. to meet ~~the~~ ^{half} the expenses in respect of each competitor selected from Madras. The Madras Olympic Assn. reported that Messrs. Philip and Rajagopal Rao have been selected from Madras. ~~These Govt.~~ ^{orders have} been issued. On the strength of this report, the Govt. ~~has~~ sanctioned a contribution of Rs. 1000 for the Madras Olympic Assn. after circulation to the M.C.C., I.C.C.C. and A.M.C.C.

According to a report in the 'Hindu' of
dated 20-3-48, one Mr. Philip has been
selected from Madras. Probably he is the only
one selected from Madras. In that case the
expenditure involved in the proposal will be
only Rs. 2000. It may be mentioned in
this connection that according to a
report in the 'Indian Express' of date 10.4.48,
the Govt. have sanctioned a grant of Rs. 1 lakh
for the Assoc. to defray the expenses of the
forthcoming Olympic Games. It is for
order whether in the circumstances Madras,
the Govt. will agree to meeting half the
expenses incurred by the candidates selected from
Madras, and if so, whether the payment should
be subject to the production of vouchers and
to the fact whether they spend more or less.

Please see herewith a representation from Sri K.S. Ranga Rao

Joint Honorary Secretary of the Madras Olympics Association. I understand they will have to ~~leave~~ report themselves at Bombay by the 1st of June in order to leave for Olympics and so, the amount may be ordered to be issued to Sri K.S. Ranga Rao, Joint Honorary Secretary of the Madras Olympics Association. Orders may be issued immediately to that effect so that the amount may be withdrawn immediately.

The Joint secretary has made another request. That is, two candidates have been selected and the cost for each is Rs. 4,000. He says that 50% of the cost may be sanctioned for both of them, i.e. Rs. 4,000 for both. I think that may be done. Though at present, orders may issue only for Rs. 2,000, orders may be taken by circulation for the other Rs. 2,000, also and issued after sanction. I understand the Madras Olympics Association will advance the amount in the meantime.

Please see the notes at p 5 only, and the papers since added to the current file - pp 15-21 etc. The following remarks are offered: -

Letter at pp 17-19 etc. Mr. Mary appears to be a native of Travancore. If he is from this province and if he has been selected, the Madras Olympic Assn. would have in its letter at p 5 etc. requested his case also and asked for a contribution on his behalf. The request of Mr. Mary need not therefore be considered, as it does not appear necessary that the Govt. should undertake to give financial assistance to candidates selected from other provinces and States.

Telegram at p 21 etc. The Govt. have already sanctioned a contribution of Rs. 2000 for the Madras Olympic Assn. on behalf of Mr. Philip. The Athletic Federation has now applied for a grant of Rs. 2000/- on behalf of Mr. Philip. It is not clear whether the Madras Assn. is affiliated to the Indian Olympic Assn. which also applied for a contribution in respect of Madras candidates or whether it is affiliated to the Athletic Federation which has now applied for a grant or whether the three bodies are acting independently. In the circumstances no action seems called for on the telegram.

Note of Mr. at p 5 ante. The draft below is for approval.

It may be that the Madras Assn. is not affiliated to the Indian Olympic Assn. or whether it is affiliated to the Athletic Federation which has now applied for a grant or whether the three bodies are acting independently. In the circumstances no action seems called for on the telegram.
