SUBMITTED:

The petitioner was a Drawing Master drawing a pay of Rs20 + 4 allowance in the scale of Rs15-1-20 from 14-12-33 onwards. In their Memorandum No.29520 A-2/40 Edn. & P.H., dated 25-10-40 Government passed orders to assign him other suitable work in the schools as the services of Drawing Master were not required for Elementary Schools. A copy of the Government Memorandum is enclosed herewith. The teacher was therefore continued to be employed for teaching general educational subjects in the Elementary School according to the instructions issued in Re.No. 130/41 dated 2--9--41 of District Educational Officer, Tinnevely (copy enclosed). Consequent on the introduction of the revised scales of pay the applicant does not stand to get the benefit of the revised scales of pay sanctioned to Higher Elementary Grade Teachers, though he is actually handling classes taught by such teachers as he is not a holder of Higher Elementary Grade Certificate. The teacher has been in service from 1--2--1926 and it will be a hard case if the benefit of the revised scale of pay is not extended to him as he will continue to draw the same pay of Rs24/- till the date of his retirement. It is therefore recommended that as a special case he may be sanctioned the scale of Rs30-1-45 applicable to Higher Grade Teachers with effect from the date from which the scale was given effect to other teachers.

Palamcottah,
