Director of Public Instruction,
M a d r a s, 18th November 1946.

My dear Sir,

With reference to your note from camp: Madura, dated the 12th November stating that no definite proposals have been received from the Director about the staff of the Engineering Colleges I beg to submit herewith a note on the facts of the case:

I. The following posts are at present vacant:

(a) College of Engineering, Guindy.

1. Instructor in Civil Engineering. ✓
2. Instructor in Mechanical Engineering. ✓
3. Junior Instructor in Electrical Engineering. ✓

(b) Arthur Hope College of Technology, Coimbatore:

1. Professor of Electrical Engineering. ✓
2. Professor of Textile Technology. ✓
3. Professor of Automobile Engineering. ✓

(c) College of Engineering, (Vizagapatam) now at Cocanada:

1. Professor of Civil Engineering. ✓
2. Senior Workshop Instructor. ✓

(d) College of Engineering (Anantapur) now at Guindy:

Proposal to appoint a Professor-in-charge. ✓

II. Posts that are about to fall vacant shortly:

(a) College of Engineering, Guindy:

(i) Professor of Civil Engineering. ✓

(Consequent on the retirement of Sri K.S. Sitaraman on 21-11-1946, the post of Principal will be filled by Dr. Mudra and Sri V.H. Sadarangani has been proposed for promotion as Principal, Arthur Hope College of Technology, Coimbatore. As a result, the post of Professor of Civil Engineering will fall vacant)

(ii) Instructor in Electrical Engineering: ✓

(Sri K.N. Ramanathan has already been posted to officiate as Professor of Electrical Engineering, Coimbatore College. But he is awaiting relief at Guindy. When he is relieved the post of Instructor in Electrical Engineering will fall vacant).

(b) Arthur Hope College of Technology, Coimbatore:
Principal. ✓

I. Posts already vacant:

(a) 1. Instructor in Civil Engineering, Guindy.

Under the advice of the Chief Engineer, the Government were requested whether the Director could recommend the re-employment of a suitable retired Officer for appointment to the post. The Government were against the re-employment of retired persons and requested the Director to approach the Chief Engineer once again for deputing a suitable Assistant Engineer to fill the post temporarily. In spite of the Director's request to advertise the post, Government have asked the Director to await the Chief Engineer's reply.

2. Instructor in Mechanical Engineering, Guindy.

Proposals were submitted to Government last month for the appointment of Mr. S.P. Vores to the post. Orders of Government, G.O.Ms.No.2172, Edn., dated 13-11-1946, appointing Mr. S.P. Vores have since been received.

3. Junior Instructor in Electrical Engineering.

Proposals have been submitted to Government suggesting Sri K.S. Bikshandeswaran's appointment to the post. Orders of Government as to whether Government is willing to appoint him or wish to choose from Junior Electrical Engineers (non-gazetted) are awaited.

(b) 1. Professor of Electrical Engineering, Coimbatore:

Sri K.N. Ramanathan of the Engineering College, Guindy, has been appointed to this post. As it is reported that Sri Ramanathan cannot be relieved without a substitute at Guindy, the question of selecting a Junior Engineer of the Government Electricity Department for appointment as Instructor in Electrical Engineering, Guindy, is under consideration. Dr. Rudra has been requested, demi-officially, to select one of the four

candidates suggested by Sri Rao Bahadur G. Sundram, Chief Engineer (Electricity). As mentioned under the case of the Junior Instructor in Electrical Engineering, Government orders as to whether Junior Engineers of the Electricity Department may be taken up have not been received.

2. Professor of Textile Technology

and
3. Professor of Automobile Engineering, (COIMBATORE).

No University regulations as to the qualifications to be prescribed have yet been issued. Dr. Rudra also stated that there is no need to hurry about filling these two posts. However, Government were addressed long ago suggesting some tentative ad hoc rules regarding these posts. Again the Government were also requested to address the Central Employment Exchange, New Delhi, as to whether there are any suitable and qualified persons which the Exchange can suggest for the posts in question. No reply has been received from Government.

(c) 1. Professor of Civil Engineering, Coimbatore College:

The name and qualifications of Sri M.R. Sitapathi, senior Lecturer, Annamalai University, have been taken to the notice of Government. However, as at that time the question of re-calling Dr. Chakko from the Annamalai University was under the consideration of Government no definite recommendations specifically proposing Sri M.R. Sitapathi for appointment as Professor was made but Government were requested to advertise the vacancy. Now that Dr. Chakko is not to be re-called, separate recommendations proposing the name of Sri M.R. Sitapathi to the post will be submitted.

2. Senior Workshop Instructor, Coimbatore College.

Proposals have already been submitted to Government recommending the appointment of Sri S. Anantakrishnan, Senior Workshop Instructor, College of Engineering, Guindy, as Instructor in Mechanical Engineering, Coimbatore College. Orders of Government, G.O.No.Ms.2172, Edn., dated 13-11-1946,

approving my proposal have since been received.

(d) College of Engineering (Anantapur) at Guindy-Professor-in-charge.

I shall send definite proposals after Dr. Rudra joins the Engineering College, Guindy.

II. Posts that are about to fall vacant shortly:

(a) (i) - Professor of Civil Engineering, Guindy College.
Proposals have already been submitted to Government recommending extension of service to Sri K.S. Sitarman with a view to his continuance as Professor of Civil Engineering till April 1948. Orders of Government are awaited.

(ii) Instructor in Electrical Engineering, Guindy:

I am awaiting a report from Dr. Rudra in regard to the above.

(b) Principal, Arthur Hope College of Technology, Coimbatore.

Proposals recommending the appointment of Sri V.H. Saderangani as Principal have already been submitted and orders of Government are awaited.

From the above it may kindly be seen that except for two posts (one pending with the Chief Engineer and the other with Dr. Rudra) proposals for all other posts have been submitted to Government.

Yours sincerely,

S. P. S. S. S.

The Hon'ble Sri T.S. Avinashilingam Chettiar, B.A., M.L.
Minister for Education, Fort St. George.

Copy to M.V. Subramanian, Esq., I.C.S.

Engg. Colleges - Vacancies in gazetted posts.

[Secy.'s orders on p.1 CF.]

The posts (belonging to the Engg. Colleges) that are mentioned in the D.P.I.'s letter in the C.F., addressed to H.M. (Edn.), are 12 in number. They include posts already vacant and those that are anticipated to become so shortly.

2. For the following 3 out of the 12 vacancies, arrangements for appt. have already been made, as noted below, and no further action is necy.:-

(1) Prof. of Elec. Engg., A.H. College of Tech.,

Coimbatore: This post was sanctioned with effect from 1.4.46. The D.P.I. subd. proposals for appt. ^{by the end of April} in ~~Sept.~~ last but they could not be appd. immediately since ad hoc rules for the post were yet to be framed, in consultation with Pub. (Ser.), Legal and the M.P.S.C. After the issue of the rules, it was found that the Dir.'s orgl. recommendation required modfn. His modified proposal, received in ~~Sept.~~ ^{temporarily}, was to promote Sri K.N. Ramanathan, offg. Instructor of the Guindy College and it was appd. in G.O. 1942 Edn., dated 10.10.46. The Dir. now reports that Sri Ramanathan has not joined duty at Coimbatore, as he cannot be relieved at Guindy without a substitute. What is necy. is, therefore, to find a person for the Instructorship at Guindy.

(2) Senior Workshop Instructor, Engg. College,

Cocanada: The post came into existence with the opening of the college in the current year. The question of taking back the services of Mr. S.P. Vores from the Annamalai Unty. (to whom they were lent) and ^{of} his appt. to ~~this~~ ^{the} post was under consideration till recently. Sri P.V. Bhooshana Rao who was offg. temporarily as Instr. in Mech. Engg. ^{Cocanada College} was apptd. as Sr. Workshop Instr. in the college, and Sri S. Anantakrishnan, Sr. Workshop Instr. of the Guindy College, was promoted (regularly) to Sri Bhooshana Rao's place.

(3) Instructor in Mech. Engg., College of

Engg., Guindy: This post fell vacant in Oct. last consequent

on the promotion as Prof. of Sri R. Natesan. Mr. S.P. Vores
referred to in (2) above has been appointed to the vacancy, under the
emergency provisions, in G.O.No.2172-Edn., dated 13-11-46.

3. The following ^{five} ~~six~~ posts remain unfilled at the
moment ~~and~~ or are going to fall vacant/shortly; ^{very} the stages of
the various proposals in regard to them are indicated under each:

(1) Principal, A.H. College of Tech., Coimbatore:

The vacancy in this post will occur by about to-morrow (21-11-46),
owing to the retirement of Sri K. Sitaraman, offg. Principal, Guindy
College, and the transfer back to that college of Dr. J. J. Rudra from
Coimbatore. The D.P.I.'s recommendation to promote Prof. V.H.
Sadarangani has been ^{just been approved by Govt. and} supported by this Dept. and the file sent in
circn. to H.M. (Edn.) and H.E. It is likely that orders will be
issued ~~very shortly.~~ ^{at once.}

(2) Prof. of Civil Engg., College of Engg.,

Guindy: This post will fall vacant if Sri V.H. Sadarangai is
promoted as Principal of the Coimbatore College. The Dir. has
proposed separately the retention of Sri Sitaraman (after retire-
ment), granting him an "extension of service" till April 1948 (i.e.,
till the permanency of the Coimbatore College is settled). The
practice of granting "extensions of services" is not in vogue now
and ^{extensions} can be given only for very extraordinary reasons. This Dept.
considered that there was no sufficient justification for giving
an "extension" to Sri Sitaraman but, however, took the view that
he may be "re-employed" for a period of one year in the first
instance. The present policy of Govt. is that retired officers
should not be re-employed, unless there are exceptional circs.
justifying such a step; even the services of officers on re-
employment were dispensed with, in cases where suitable substi-
tutes were available. This Dept. held that the paucity of
qualified candidates could be deemed as "exceptional circs.",
which might warrant the re-employment of Sri Sitaraman. The con-
cerned file is now in Public/Finance Dept. for remarks and will
be circd. for orders shortly.

(3) Junior Instructor in Elec. Engg., College of

Engg., Guindy: It is now nearly a year since the incumbent of
the post proceeded for studies overseas and it fell vacant. There

was no candidate in service available for promotion, who
possessed the qualifns. prescribed in the rules, viz., prac.
expce. The Dir. recommended the emergency appt. of Sri
Bikshandeswaran, Asst. Instr., Palghat Arts College, pending
amendment of the rules laying down that "teaching expce." wd.
be deemed equivalent to "prac. expce." H.M. minuted that
emphasis shd. be laid on "prac. expce.", and that, as candi-
dates with direct expce. in workshops wd. be available after
the war, the post shd. be filled by direct recruitment. The
vacancy was accordingly advertised. The Commn. reported that
one of the applicants who appeared to be prima facie quali-
fied was found not to possess the reqd. prac. expce. The
rules have therefore been amended since, as originally suggest-
ed by the Dir., and the Commn. has also been asked to re-
advertise the post, w.r.t. the amended rule. Meantime, the
Dir. has reiterated his proposal for the tempy. appt. of
Sri Bikshandeswaran; he has also stated that he consulted the
C.E. (Elec.) in the matter, who said that he wd. be able to
spare the services of some Jr. Elec. Engrs. but that they wd.
not be fit for teaching posts. The file ^{is being} ~~has been~~ subd.
separately.

(4) Prof. of Civil Engg., College of Engg.,

Cocanada: The sanction for the post was accorded with the
opening of the college. The D.P.I. proposed in June last the
emergency appt. of one Sri P.S. Subrahmanyam. The view was
taken by this Dept., and endorsed by H.M., that there was no
necessity to fill the post in the current year itself, inas-
much as a similar post in the Coimbatore College was sanctd.
only from the second year of that college. But H.P.M.'s
orders were that the appt. ~~might~~ shd. be made. Sri Subrah-
manyam was accordingly apptd. But he was not willing to join
the post on a tempy. basis and wanted to be entertained on
contract. This request could not be complied with, as the
post had to be reserved for a war service candidate. The Dir.
was asked to consult the C.E. for securing the services of an
officer of the P.W.D. He has since stated that the C.E. could
not spare any person and has suggested the advertisement of the
post. He mentioned, by the way, the Principal's recommenda-
tion.

to appt. one Sri N.R.Sithapathi of the Annamalai Unty. but did not endorse it, on the assumption that Dr. Chakko, I.E.S., wd. be taken back by Govt. and for the reason that, if Sri Sithapathi too came under Govt., the work in the Unty. College wd. suffer. Now that Dr. Chakko's request to come back to Govt. service has been refused, it has been suggested, in the file circd. yesterday (19-11-46), that the Dir. be asked to ascertain the willingness of Sri Sithapathi for being apptd. under the emergency provns. and also to consult the Unty. ~~about~~ whether it could spare his services and, further, that, if this course fails, the post may be advertised. ^{suggestion was approved in} The ~~receipt of the file back from ciren. is awaited.~~ and action as at "A" will be done at once.

(5) Instructor in Civil Engg., College of Engg.,

Guindy: Sri N.S.Krishnaswami Ayyangar is the permanent incumbent of the post and, when he was promoted as Prof. in the College, in July last, the post fell vacant. The D.P.I. asked for Govt.'s orders whether he cd. propose, in consultation with the C.E., the re-employment of a retired P.W.D. officer. The Govt.'s policy in the matter of re-employment of ret'd. officers is stated at "M" on p.2 ante. As the re-employment proposed, would not be in accord with the general policy, it was decided that the vacancy should be reserved for a war candidate and the Dir. was asked to consider the feasibility of advertising it for appt. under the emergency provns. and also propose the appt., immediately, of an ^{Asst.} Engr. in service, if the C.E. cd. spare one. The Dir. now says that the C.E.'s reply has not come in; when it is recd., the qn. of re-employment or of advertisement will be further proceeded with.

4. Proposals from the Dir. are still awaited, or further action has still to be taken in respect of the follg. three posts:

(1) Instr. in Elec. Engg., College of Engg., Guindy:

For the cause of the vacancy, pl. see (1), p.1 ante. Dr. Rudra, ^{is} reported, has been requested to select for the vacancy, one of the four Jr. Elec. Engrs. suggested by the C.E. The Dir. also mentions, incidentally, that Govt.'s orders re: the entertainment of Jr. Engrs. have not yet been recd. It may be pointed out that the Dir. did not previously raise the question of appt. of Jr. Elec.

Engrs. as a general question, but suggested it only as an alternative course to the tempy. appt. of Sri Bikshandeswaran - (3), pp.2-3 ante. When the C.E. is reported to be definitely of the opinion that Jr. Engrs. wd. not be fit for teaching, the utility of appointing them is difficult to understand. Any way, concrete proposals from the Dir. may be awaited and the qn. of advertising the post, if necy., or any other course, considered thereafter.

(2) Prof.-in-charge, College of Engg., Anantapur,

at Guindy: There exists at present no such post. The Dir. says that he will send to Govt. definite proposals to appt. a Prof.-in-charge of "this college" after Dr. Rudra comes to Guindy. No action by Govt. is necy. pending receipt of the proposals.

- (3) Prof. of Textile Tech.,
(4) Prof. of Automobile Engg.,

A.H. College of Tech., Coimbatore:

These posts were sanctd. from the beginning of the current yr. As remarked by the Dir., it is true that he subd. long ago tentative ad hoc rules for the posts. But, as, at the same time, he wrote that the Unty. had not fixed the qualns. for the posts, that the rules to be framed shd. correspond to the Unty. qualns. and, further, that there was no urgent need to fill the posts, appt. as well as the framing of ad hoc rules was deferred. Even now, he does not specifically state whether the Unty. has since prescribed qualns. and whether there is an urgent need for appt. He may now be asked to clarify these points first.

The Dir.'s suggestion to address the Central Employment Exchange, New Delhi, for suitable persons, was one made in response to a refce. from Govt., forwarding the Central Govt.'s offer of assistance in the matter of finding tech. staff reqd. for post-war scheme. A point was raised as to how, when the statutory selecting authority to the posts being the M.P.S.C., the Exchange or any such body could act in the matter and ^{direct} ~~when~~ they wd. select candidates and ^{direct} ~~when~~ them on the Commn. After replies to the refce. from all Hds. of Depts., ^{when} ~~are~~ recd., they will be sent to the Public

Dept. who will furnish to the Central Govt. an estimate of the requirements of this Govt. Public will be requested to obtain clarification of the point mentioned above.

5. It will be seen from the above note that, except to issue to the Dir. a refce. about posts of Profs. of Automobile Engg. and Textile Tech., Coimbatore College, no action that is possible in respect of the other posts is pending and also that, as things stand at present, the qn. of re-employing retired officers is involved only in the case of the Professorship and the Instructorship, Civil Engg., Guindy - (2), p.2 and (5), p.4 ante.

It may be remarked in this connection that, under the Civil Services (War Service Personnel) Recruitment Rules, as they stand at present, many of the vacancies refd. to have to be reserved to be filled by war candidates and that any appt. of non-military men can be only under the emergency provns.
