The Inspectress reports that when she inspected the school in January 1948 it was represented to her that the High School should be retained as it would be impossible for grown up girls of Tiruppapuliur to attend the St. Ann's Girls High School at Padupalayam a mile away from Tiruppapuliur, crossing the main Bazaar and the level crossing, busstand, the bridge cross the Gudilum river etc. She reports that the school is serving the Secondary Education needs of the girls in the locality and the rural parts of the District and that the strength in the higher forms will improve if the stability of the school is assured. The removal of the High school forms would spell a set back to the High school education of girls. The Inspectress has therefore strongly recommended the retention of the High School classes permanently.

In the circumstances I recommend that Government may be pleased to sanction the continuance of forms IV to VI in the Government Secondary and Training School for women, Cuddalore. The Inspectress and the Superintendent of the school will be requested to state special steps to improve the strength of the school.

I request the favour of early orders in the matter so that the uncertainty of the continuance of the high school forms may not prove a set back to new admissions and cause withdrawals.

Continuance of Forms 1 to VI

From the Director of Public Instruction R.C.No,379 K/3/47 dated 26-4-48

The D.P.I. requests sanction for the continuance of Forms 1V to VI in the Govt secondary and Training school for women Cuddalore. The strength of the forms is poor 15. 14 and 10 respectively. The Retrenchment Committee recommended that all uneconomic schools-(Govt, local bodies and private) having a strength of below 20 pupils for each class should be abolished. In that connection the D.P.I. submitted proposals for the closing down of certain forms in certain Govt secondary and training schools from the school year 1948-9 but with reference to the adjournment motion in the Legislative Assembly on this question orders were issued in Memo No 20072-B1/48-2 Education dated 10-3-48 informing the D.P.I. that he need not pursue just now the question of closing the Govt secondary and Training schools mentioned in his letter dated 19-2-48 N.R.Oc. No 11096 K3/46 or handing them over to other agencies before exploring the possibilities of improving the strength in these institutions. He has been asked to report the steps that should be taken to improve the strength of the uneconomic schools.

2. In the circumstances stated in paras 2 & 3 of the Director's letter on page 2 C.F. sanction may be accorded to the continuance of the three higher forms in the Government Secondary and Training School for women cuddalore for one more year and the D.P.I. may be asked to take steps to improve the strength of the school in the current year.

A draft order is submitted below for approval. It may be sent to Finance u.o. for acceptance.
