Sub: Resolution No. 6 dated 28-1-48 - Sri K. Ishwara, M.L.A. -
Regarding Karnataka University Committee - Co-operation
by this Government etc.

Please see the minutes of H.M.(Edn.) on p.5 ANTE. It has been
ascertained that the resolution is not likely to come up for discus-
sion before the end of March 1948. It is not however known whether
any non-official day has been fixed in April, 1948 and whether this
resolution will come up for discussion before the present session of
the Assembly is prorogued. The Legislature of the Madras Sectt. may
be consulted u.o. on this point so that if the resolution does not
lapse, further steps may be taken and the attitude of Govt. towards
the resolution may be settled well in advance by placing the matter,
if necessary before the Cabinet.

(2) To assure that Govt. full co-operation and assistance for the establishment of the University for Karnataka.

Re.(1) ~~on p.1 ante.~~ - The Govt. of Bombay have accepted the policy of establishing regional universities on a linguistic basis and has appointed a committee to explore the possibilities of ^{establishing} one University for the whole of the Kannada-speaking areas in the Province of Bombay, Madras and Coorg. Though the formation of linguistic provinces has not come into existence, the Karnataka University Committee is of the opinion that the formation of the University need not wait for the Karnataka province to be formed. The Chairman of the Karnataka University Committee had a discussion with H.M.(Edn) on this subject on the 25th of December, 1947. The papers connected with it are at (p). In connection with the formation of the ~~Andhra~~ Andhra and Annamalai Universities, the Govt. first appointed a committee to examine the various matters connected with the establishment of the above two universities. There seems to be ~~therefore~~ therefore no objection in principle to accept the resolution welcoming the formation of ^{the} Karnataka University Committee by the Govt. of Bombay.

Re.(2) above - In the course of the discussion with H.M.(Edn) the Chairman, Karnataka University Committee ^{suggested}

(a) ^{that} consulted H.M.(Edn.) in respect of the affiliation of the Colleges in Kannada areas in the Province ^{may be affiliated} to the Karnataka University even before the formation of the new Karnataka Province on a linguistic basis;

(b) that this Govt. should recognise for purposes of employment in Govt. service graduates of the Karnataka University domiciled in the Province of Madras;

(c) that the Govt. of Madras should continue to spend the amounts they are at present spending on the colleges in those areas;

and(d) that Govt. of Madras should sanction some initial grant for the establishment of the Karnataka University.

The Colleges that may fall within the jurisdiction of the proposed Karnataka University will be those in the districts

districts of Bellary and South Kanara and they are as follows:--

- (1) The Govt. College, Mangalore.
- (2) The St. Sloysius College, Mangalore.
- (3) The St. Agnes College, Mangalore.
- (4) The St. Ann's Training College (Women), Mangalore.
- (5) The Veerasaiva College, Bellary.

The expenditure on the first mentioned college is entirely borne by the Govt. and the remaining ~~three~~ ^{four} colleges are in receipt of teaching grants from the Govt. The acceptance of the resolution would ~~mean~~ mean that the Govt. will allow ~~these~~ these colleges to be affiliated to the Karnataka University when formed and also will continue to pay grants to the last ~~4~~ ⁴ colleges and also bear the expenditure on the college ~~first~~ ^{be} mentioned first. This does not seem to ^{be} an acceptable suggestion.

Whether any grant should be ~~it~~ sanctioned for the establishment of the Karnataka University is a question of policy. It is not usual to give grants for Universities established outside the provincial areas. But it may be argued that ^{at present} (i.e. before the formation of the linguistic provinces) ~~if~~ the colleges are affiliated to the Karnataka University, the University ^{will} cater to the needs of the people in this Province and as such this Govt. should pay a grant towards its initial establishment.

Finance may see on these two points (c) and (d) above

As regards the question of recognising the degrees granted by the Karnataka University for purposes of employment in this Province, there seems to be no objection because in the service rules equivalent qualifications are recognised for recruitment to Govt. service.

H.M.(Edn.) in reply to the letter addressed to him by the Chairman of the Karnataka University Committee replied that the matter was too early for this Govt. to express an opinion and that they might make a proper application at the time of starting the University. H.M.(Edn.) has also expressed that ^{it is} too early for the matter to be placed before the Cabinet

While the implications of point (c) at the foot of p. 2 NF have been discussed above, with reference to the papers in (p), it seems sufficient, for the purpose of the Resolution, to state on that point the attitude to be expressed is that the Govt. would be glad to give their co-operation & assistance but that specific directions in which this can be given will have to be determined only when the scheme takes better shape & definite proposals are placed before them for consideration.

Fin may agree with E.P.H. Leg in the view expressed at 'A' above. No specific amounts were called for in Fin, pending further information in regard to the financial implications involved in the proposals at (C) & (D) on p. 2 above. H.M. Fin may be. 16.2.48. Fin. 16/2/48. AAS/S. 20/4.

Point (c) at the foot of p. 2 NF.

Fin. has no objection in principle to this Govt. continuing to maintain the Govt. College, Mangalore, & to give grants to the other 4 Colleges mentioned on the same lines as for other similar Colleges in the Province, so long as these Colleges continue to fall within the Province. But it is not desirable to give any definite undertaking that the amounts spent by this Govt. on these Colleges will under no O. be decreased, since that must depend on the Govt's general policy in regard to expenditure on Colleges.

Point (d) at the foot of p. 2 NF.

The question of an initial grant to the Univ. by this Govt. may be left for examination when the proposals take a more definite shape. Fin. cannot commit itself to any definite opinion in the matter at present, & would request that nothing be said now that might appear to commit this Govt. to the principle of giving such a grant. If a grant is given by this Govt. before the new Karnataka Province is formed, I do not think there would be any possibility of "adjusting" it against the new Province later, as contemplated by E.P.H. Secy.

17.2.48 S/W

This resolution is not coming before the House to-day. And so, I think nothing more need be done about it just now. On the 26th, which is the non-official day, there is no session. And so, it cannot come on that day also. If it ever comes later on, it may be put up then.

whether this resolution is likely to be passed in the House of Representatives

Looking at the views expressed in the minutes of the meeting of the Finance Committee on 16.2.48.

Please see the minutes of H.M.(Edn.) on p.5 ANTE. It has been ascertained that the resolution is not likely to come up for discussion before the end of March 1948. It is not however known whether any non-official day has been fixed in April, 1948 and whether this resolution will come up for discussion before the present session of the Assembly is prorogued. The Legislature of the Madras Sectt. may be consulted u.o. on this point so that if the resolution does not lapse, further steps may be taken and the attitude of Govt. towards the resolution may be settled well in advance by placing the matter if necessary before the Cabinet.
