FORT ST. GEORGE, MADRAS.

Sir,

The Pension papers of Sri P. Venkatramanayya were forwarded to the Divisional Inspector of Schools, Guntur on 27.2.1946 after preliminary verification by the Accountant-General, Madras. In this Office R.G. 73-J/46 dated 5.7.1946 the Divisional Inspector was reminded about the final pension papers of the Ex-District Educational Officer. In his letter dated 14.7.1946 the Divisional Inspector submitted the pension papers which were incomplete, the Service Book and certain other documents being absent. After two more reminders dated 26.9.1946 and 21.11.1946 the Divisional Inspector submitted the final pension papers which were received in this office on 9.12.1946. But as the certificate against Item B.1 of the

138 8

pension application was not produced, the pension application was sent to the District Educational Officer, East Godavary, for rectification in this office R.C. 7574 J4/46 dated 17.12.1946. The defect was rectified by the District Educational Officer and the pension application was submitted to the Director on 30.12.1946. The final pension papers were thereafter submitted to you in my letter R.C. 7574-J4/46 dated 8.1.1947.

2. In this connection the District Educational Officer, East Godavary, reports that, though necessary enclosures were duly prepared in his office and sent to the pensioner for his signatures with his R.C. 409-C/46 dated 7.10.1946 the papers were returned by the pensioner only on 23.11.1946 after three reminders from the District Educational Officer.

3. Thus it may be seen that the pensioner is partly responsible for the delay and no avoidable delay was caused in this office.

Rec.No. 386-G/47 dated 6.10.1947 of the District Educational Officer, East Godavari regarding Pension--Sri P. Venkataramanay Formerly District Educational Officer, East Godavari.

Reference: Your Rec.No. 255-F/45 dated 5.10.1947.

The letter P.V.M.S. 2-3355 dated 21.2.1946 of the Accountant-General, Madras verifying the history of service of Sri P. Venkataramanayya late District Educational Officer, East Godavari was communicated to the District Educational Officer, East Godavari in Pros. Rec. 255-F/45 dated 12.4.1946 of the Divisional Inspector of Schools, Godavari Division and it was received in this office on 22.4.46. The causes for the delay on the three items mentioned in the Government Memorandum are detailed hereunder seriatim.

1. The delay from February 1946 to July 1946:-

As the Accountant-General, Madras, wanted the information relating to the nature of the vacancy in which the officer officiated from 1.10.1918 to 9.9.1919, the disposal file was called for from the Principal, Government Training College, Rajahmundry in this office Rec. 409-G/46 dated 26.4.1946 immediately after the receipt of Accountant General's Memo cited above i.e. 22.4.46. The disposal file was received in this office on 27.5.1946 after the issue of a reminder dated 17.5.1946. The required information was submitted to the Divl. Inspector of Schools in this office Rec. 409-G/45 dated 31.5.1946. The checked memo of service was resubmitted to the Divisional Inspector of Schools, Godavari Division in this office Rec. 409-G/45 dated 2.7.1946 after duly entering the Gazetted portion of service as required in the Accountant-General's memo dated 21.2.1946. The matter was under correspondence with the District Educational Officer, Vizagapatam South for furnishing particulars regarding the gazetted portion of service. In the above reference dated 2.7.46 the Divisional Inspector of Schools was also requested to verify the Gazetted portion of service and return the checked memo so as to enable the District Educational Officer to submit the final pension papers. The Divisional Inspector of Schools, Godavari Division in his letter Rec. No. 255-F/45 dated 14.7.1946 sent the checked memo to the Accountant-General, for verifying the Gazetted service with simultaneous instructions to the District Educational Officer, East Godavari to submit the relevant documents required in Accountant-General's Circular letter communicated in Director's Proceedings Dis. No. 4212/44 dated 23rd November 1944. The relevant documents mentioned in the Director's Proceedings are

1. Application for pension.
2. Memo of average emoluments
3. Last Pay Certificate
4. Specimen signature etc.

They could only be submitted after the officer's actual retirement.

(ii) and (iii) The submission of the papers in incomplete form in July 1946 and further delay upto 7.10.1946:

As the officer was due to retire on 8.9.1946 the District Educational Officer reminded the Divisional Inspector of Schools in his letter Rec. 409-G/45 dated 17.8.1946 to return the checked memo after verification of the Gazetted service. The District Educational Officer could not proceed with the preparation of final pension papers in the absence of checked memo of service as the Gazetted service was entered therein only on the basis of the office copies of the pay bills maintained by the retired officer. The Divisional Inspector of Schools was also reminded in this office Rec. 409-G/45 dated 7.9.46 and Rec. 409-G/45 dated 15.9.1946.

The Divisional Inspector sent his reply in his Pros. Roc. 255-F/45 dated 23.9.1946 received in this office on 29.9.1946 to this office in letter No. 409-G/45 dated 2.7.1946 and reminders dated 17.8.1946, 7.9.46 and 15.9.1946, stating that the District Educational Officer need not wait for the checked memo of service and that he might obtain pension papers from the retired officer under article 913 G.S.R. The office copies of the pension papers were duly prepared in this office and sent to the pensioner in this office Roc. 409-G/46 dated 7.10.1946.

Sri P. Venkataramanayya was reminded on 26.10.1946, 7.11.46 by a D.O. letter on 11.11.1946. The final pension papers were received in this office on 23.11.1946 and they were submitted to the Divisional Inspector in this office Roc. 409-G/45 dated 26.11.1946.

The officer went on leave from 21.6.1946 owing to sickness due to Typhoid from the effects of which he could not recover for a long time.

II.

Copy of letter Roc. No. 255-F/45 dated 20.11.1947 from the Divisional Inspector of Schools, Godavari Division to the Director of Public Instruction, Madras.

Subject: - Pension -- Sri P. Venkataramanayya, formerly District Educational Officer, East Godavari -- retired on 8th September 1946 -- Delay explained.
Reference: - Your Pros. Roc. 1023-J/47 dated 29.10.1947.

With reference to the above and to the letter Roc. 386-G/47, dated 6.10.1947, I have the honour to state as follows:-

The peculiar feature that may be pointed out in this case is that though steps were taken for the submission of the pension papers of Sri P. Venkataramanayya even far earlier than the due date, it so unavoidably happened that pension could not be sanctioned to him within the period of three months from the date of his retirement on 8th September 1946. The pension papers for preliminary verification were submitted to the Director of Public Instruction, in this office N.R.O.C. No. 255-F/46 dated 10.1.1946, i.e. nearly 9 months earlier than the date of retirement of the officer and the Accountant-General, Madras, in his P.V.Mis. 23335 dated 21.2.46 also pointed out that the papers should not have been sent for verification earlier than 8th March 1946. Thus it may be seen that there was no delay in the preliminary verification of the pension papers the work of which ought to have been taken up, in the normal course, after 8th March 1946 but was finished even before six months of the date of retirement of the officer. However, the delay of about a month in communicating the pension papers after preliminary verification to the District Educational Officer, East Godavari in March and April 1947 pointed out was due to the ill-health on account of the frequent attacks of malaria and to the domestic difficulties and worries of the concerned clerk, who lost two children on one day at that time and from the effects of which he was depressed and subjected to go on leave on average pay for two months in April 1947. Add to this, there was rush of accounts work during March 1947 besides other urgent papers requiring priority of attention in his branch. This delay has however no bearing on the subject matter regarding the delay in the disposal of the final pension papers of the officer within three months of his retirement the cause of action which arose only after his retirement on 8th September 1946.

Under Articles 909 and 913 G.S.R., it is for the Gazetted Officer to submit his own pension papers but in this case the officer Sri P. Venkataramanayya went on leave from 21st June 1946 due to his sickness from which he could not recover for a long time as reported by the District Educational Officer in the last para of his letter cited above. Evidently for this reason the pensioner himself did not take action or any initiative to expedite his pension application. The application for pension and other enclosures too were not prepared by the District Educational Officer East Godavari, with a view to recording the correct particulars of service in the application after the receipt of the verified remarks regarding the gazetted service of the pensioner subsequently embodied by him in the checked memo of service which was submitted to the Director of Public Instruction in this office Roc. 255-F/45 dated 14.7.1946. Since no such verified remarks were received, the District Educational Officer was requested in his office Roc. 255-F/45 dated 23.9.1946 to obtain and submit the pension papers with the available information from the pensioner and without waiting for the return of the checked memo of service. Your Proceedings Roc. 7574-J/46 dated 26.9.1946 calling for the final pension papers were also received just at that time and a copy of the same was communicated to the District Educational Officer, East Godavari, in continuation for urgent compliance. The fact that the application for pension and the necessary enclosures sent to the pensioner for signature on 7.10.1946 and were not returned to the District Educational Officer, till 23rd November 1946 even after the issue of three reminders on 26.10.1946, 7.11.46 and 11.11.46 clearly shows that there was delay on the part of the pensioner himself and that it was, perhaps, due to his continued ill health.

The explanation of the clerk for the delay in this connection is also enclosed.

(True copy).

To

The Divisional Inspector of Schools,
Godavari Division.

Sir,

With reference to your Proceedings Roc. 255-F/46 dated 7.11.47 calling for my explanation regarding the delay in communicating the pension papers of Sri P. Venkataramanayya after preliminary verification to the District Educational Officer, East Godavari on 19.4.46 I beg to submit as follows:

The pension papers for Preliminary verification were submitted to the Director of Public Instruction even earlier than the due date i.e. 8.3.46 and the papers after Preliminary verification of the Accountant-General were received some time in the first week of March 1946. The Accountant-General was also pleased to point out that the pension papers should have been sent later than 8.3.46. Thus there was no delay in preliminary verification but delay had occurred in the disposal of final pension papers evidently due to the non receipt of application for pension and other enclosures with the signatures of the retired officer who suffered from a prolonged illness. I may however submit that the delay of about a month in communicating papers after

The interval of 4 months was evidently taken up partly by the D.E.O.'s and the Divl. Insps. From the D.P.I. No. 1023 J/47 dated 9-12-47.

The letters of the D.E.O. and the Divisional Inspector at pp 13-15 C.F. explain the points raised above.

The delay (which has been explained by the Clerk concerned at pp 15-16 C.F.) in the Divisional Inspector's Office, of a month odd, in the transmission to the D.E.O. of the pension papers after preliminary verification, cannot be said to have caused, in its turn, the delay in the final disposal of the case - c.f. I on page 14 C.F. The case could have been disposed of earlier if the pensioner had submitted the papers in a complete form at least immediately after his retirement. This is also the Director's view. Submitted therefore that no action seems necessary and that the papers may be recorded after Finance see.
