Sir,

Sub: Schools - Government High School for Muslim Boys, Vellore - additional section in class V and Forms I and II - continuance Sanction requested.

Ref: G.O.No.Ms.1662 Edn., dated 27.8.46.

I have the honour to state that the sanction ^{accorded} awarded in the G.O. cited above for the continuance of the additional section in

Form I and in each of classes IV and V with 3 secondary grade Assistants and for the opening of an additional section in Form II and for the employment of a Secondary grade teacher therefor in the Government High School for Muslim Boys, Vellore, will expire on 31.5.48. The strength of classes IV and V and Forms I and II is furnished below.

Class or Form.	No. of section.	Strength.
Class IV	2	56
Class V	2	70
Form I	2	69
Form II	2	64.

I have issued orders that Class IV should be kept in abeyance from the school year 1948-49, as I do not consider it necessary to retain lower classes in Secondary schools since English has to be taught only from Form I and since the closure of the lower classes will afford scope for the development of secondary Education. Hence One post of secondary grade teacher sanctioned for Class IV will be available for ^{the} additional section in Class V. As there is need for the continuance of the additional section in Class V and in each of Forms I and II during the school year 1948-49, 3 posts of secondary grade teachers are required for the additional sections. Since one post of secondary grade teacher will be available ⁱⁿ the school for additional

section in class V, I request that Government may be pleased to sanction the continuance of two posts of Secondary grade teachers for the additional sections one in each of Forms I and II during the school year 1948 - 49.
