No.A2.4562/48 dated 12-5-48.

Sir,
MR. R. Siddique - Assistant Superintendent of Stamps &
Stationery - leave for two months from 1-5-48 -
substitute appointment - requested.

55547
Mr. R. Siddique was relieved by Sri E.S. Nagesan, Personal
Assistant to the Collector of Madras, on the after-noon of 30-4-48.
Sri E.S. Nagesan says that it is very difficult to be in additional
charge of the office of the Superintendent of Stamps and Stationery
and office of the Paymaster Carnatic Stipends. I therefore request
that the substitute asked for in the post copy of my telephonic
message dated 26-4-48 may kindly be appointed and asked to join
immediately to relieve Sri E.S. Nagesan from his additional duties.

Madras.

Sir,

I understand that Mr. R. Siddique, Acting Asst. Superintendent of Stationery has requested Government to revert back to the Government Press after the expiry of the expiry of leave granted to him.

I have the honour to state that I possess the identical qualifications and experience as Mr. Siddique and request Government to consider my case for the appointment in the event of his reverting back to the Government Press.

I also request that I may be posted in his place during the present leave vacancy and I am prepared to carry on my regular duties in add and the duties of the Asst. Superintendent of Stationery until the return of Mr. Siddique from leave to the satisfaction of the Superintendent of Stationery and the Superintendent, Government Press, Madras

Thanking you

I have the honour to be,
Sir,

Sir,

A2 No. 4562/48 dated 19th May, 1948.

Sub:- Mr. R. SIDDIQUE - Assistant Superintendent of Stamps & Stationery
Leave - Substitute - Requested.

(4)
plante
In their Notification dated 17-5-'48 of the Revenue Department, Govern-
ment have appointed Sri D. Subbaraya Sastri as Special Deputy Collector for verifi-
cation of Stationery and Stores, Madras. As already reported to Government in
this office letter No. A2. 4562/48 dated 12-5-'48, it is found very difficult by
the Personal Assistant to the Collector of Madras to be in additional charge of
the duties of the Assistant Superintendent of Stamps & Stationery and Assistant
Paymaster, Carnatic Stipends. I therefore suggest that Sri D. Subbaraya Sastri
may relieve Personal Assistant to Collector of Madras from his additional charge
and be in full charge of the duties of the Assistant Superintendent of Stamps and
Stationery and Assistant Paymaster, Carnatic Stipends till the return of -

P.T.O.

6
Mr. R. Siddique from leave and commence verification of Stationery & Stores thereafter. I request orders of Government in the matter.

Memorandum No. 35547/C2-2 ^{Edn.} dated 24-5-48.

Mr. Siddique, Assistant Superintendent of Stationery and Stamps has been granted leave for two months from the 1st May 1948. The Personal Assistant to the Collector of Madras has been put in ~~ghn~~ additional charge of the post. The Collector of Madras reports that it is very difficult for the Personal Assistant to be in additional charge of the post and he recommends that Sri D. Subbaraya Sastri who has been appointed as Special Officer for verification of stationery and stores may be appointed as Assistant Superintendent of Stationery and Stamps until the return of Mr. Siddique ^{from leave} and that the verification of stationery and stores thereafter.

The Board of Revenue is requested to state whether

8
There is any objection to ask Sri D. Subbaraya Sastri being appointed Assistant Superintendent of Stationery and Stamps during the absence period of Mr. Siddique. The matter may be treated as a vacancy.

Sub:- Assistant Superintendent of Stationery - Leave - *of substitute*
Ref:- Letters from the Superintendent of Stationery dated 12-5-48 and 19-5-48.

Mr. R. Siddique, Assistant Superintendent of Stationery and ~~Stores~~ ^{stamps} was granted leave for two months from the 1st May 1948. He will join duty on the 2nd July 1948. The ~~Personal~~ Assistant to the Collector of Madras is now holding additional charge of the post of the Assistant Superintendent of Stationery. The Collector points out that it is difficult for the Personal Assistant to be in charge of ~~the~~ both the posts. He, therefore, recommends that Mr. D. Subbaraya Sastri who has been appointed as Special Officer for verification of stationery ^{etc.} may be appointed as Assistant Superintendent of Stationery and Stamps and that the verification of Stationery and Stores may be commenced after Mr. Siddique rejoins duty.

2. The pay of Mr. Subbaraya Sastri is Rs. 600 in the scale of ^{Rs} 300-50/2-700. ^(47 order) The scale of pay of Assistant Superintendent of Stationery is Rs. 400-50/2-650. The average pay of the post of Deputy Collector is Rs. 598.3 while that of the Assistant Superintendent of Stationery is Rs. 635. As the average pay of latter post is higher than that of the former there seems to be ^{no} objection to appointing Mr. Subbaraya Sastri as Assistant Superintendent of Stationery. It may be pointed out that under service rules leave vacancies in the post of Assistant Superintendent may be filled by transfer from any other service. // The file may be sent to Revenue and Finance for remarks before circulation.

K.G. Menon, Esq.,
Secretary to Government,
Development Department,
Fort St. George,
Madras.

Dear Sir,

We are receiving communications from the various technological institutions in the Madras Province as well as from outside, seeking apprenticeship for their Chemical technology students for three months.

On examining the position carefully we find that we will be in a position to take on altogether 24 students a year, preferably in two batches of 12 at a time, for three or six months as the case may be. Of these 24 we are obliged to keep the Government of Travancore at least 12 places and the rest could be allotted for outsiders.

Under the circumstances, we would be in a position to take in about 8 students from the institutions in the Madras Province. We are getting letters direct from the institutions asking to admit 4 students each, which as we have explained would be difficult.

We would therefore be grateful if you could kindly allot these eight vacancies to the different institutions. We are enclosing herewith copies of letters received from the A.C. College of Technology, Guindy, the Indian Institute of Science, Bangalore, and the Annamalai University.

In case you feel that we may allot the vacancies to the institutions direct, we shall do so after hearing from you.

Very truly yours,
THE FERTILISERS & CHEMICALS,

Alwaye.

Sir,

Subject: Staff Refreshers course

We are very much interested in the refresher course to be taken by each member of the Technology staff every year for a period of eight weeks in any organised factory where Technological processes are used on commercial scale. Obviously we cannot arrange for this type of training without the active co-operation and help of the concerns like yours. We would appreciate it very much if you will kindly let us know if your organisation will very kindly offer assistance to us in this behalf by taking in one of the members of the staff every year during the month of May and June preferably. During the period of 8 weeks they will work under the discipline of your organisations trying to leave the practical application of their knowledge and even making themselves useful to you in the factory as well as in the laboratory here if and when any problem is to be tackled on your behalf if ever you so desire.

We strongly believe that unless our staff remains actively in touch with the development of industry in our country they cannot claim to be as useful teachers to the

P.T.O.

- 2 -

young generations as they are normally required to be.

We do hope that you will kindly accommodate us on this behalf and let us have a word about your decision.

I remain,
Yours cordially,

Ref: Your No.L/6037/47 dated 29-3-47.

Dear Sir,

Last year you were good enough to admit four of our graduates into the Fertilisers & Chemicals, (Trav.) Ltd., Alwaye, as apprentices, particularly after it was explained that these students had specialised in the design and construction of chemical plants during their post-graduate course in Chemical Engineering in this College. From what I now learn, our students have given a good account of themselves and to the satisfaction of the American Technical Experts in charge of the erection of plants.

I had requested for a similar privilege this year for 8 students but have received an unfavourable reply. May I again bring to your kind notice that these students are not looking out for training in the actual production of any particular chemical, but are essentially Chemical Engineering, for whom experience in the starting of operations and tuning up of plants would be just the one most suited. This is a unique occasion, as once plants get started, there will be more of routine and control and less of engineering. I can assure you that our students would endeavour to be of every help to you, or at least will not be demanding on your busy time or require immediate attentions for their own needs.

Under the circumstances, I write on behalf of the University of Madras, to say that we will be greatly obliged if you can kindly reconsider your letter in the light of this explanatory letter. Our students will be subject completely to the discipline of the Factory.

Thanking you in anticipation,

Yours sincerely,

From the D.P.I., D. Dis No. 959-K-2/48-16/4/48

Please see the letter from the Managing Agent
of the Fertilisers & Chemicals, Travancore Ltd., on p.1
and the copies of ^{the} letters from the Professor of Chemical
Engineering, A.C.College of Technology, University of
Madras, on p.p.3, 5, and 13 c.f., from the head of the
Deptt. of Chemical Technology, Annamalai University,
Annamalainagar, on p.p.7-8 c.f. ^{and his endorsement on p.p.11-} and from the Head of
Chemical Engineering, ^{Deptt.} Indian Institute of Science,
Bangalore, on p.9 c.f. The Managing Agents of the
above firm state that they are receiving communications
from the various technological institutions in the
Madras Province as well as from outside, ~~for admissions~~
seeking apprenticeship for their technology students.
He states that ~~that~~ the Institution will be in a position
to take 24 students a year, preferably ~~in~~ two batches
of 12 at a time, for three or six months as the case
may be, that of these 24, 12 seats are reserved for the
Govt. of Travancore, and ^{out} of the remaining 12 seats,
only 8 students from the institutions in the Madras
Province can be taken. ~~The Professor of Chemical~~
~~Engineering~~ He states that he has received letters
from the institutions concerned asking for the admission
of 4 students each, which ~~has been~~ ~~is~~ ~~not~~ ~~possible~~
is very difficult, as the 8 seats have to be allotted
to ~~the~~ the following three institutions:--

1. A.C. College of Technology, Madras University.
2. Technology Deptt., Annamalai University,
- and 3. The Bangalore Institute of Science.

He wants the Govt. to allot the above 8 seats among the
3 institutions cited above. ~~As the Bangalore Institute~~

The D.P.I. who was consulted with the matter has not offered any remarks.

15/5/48

Number of students admitted into the Technology courses
1947 in the Madras and Annamalai Universities are as given below:--

University of Madras - 38
Annamalai University - 30

In view of this, the admission of candidates for practical training

for three months in the factory may be limited to three for each Uni-

versity. The remaining two vacancies may go to the Indian Institute

of Science, Bangalore. No mention need however be made of this in the

reply to the Managing Agents, The Fertilisers & Chemicals, Travancore, Ltd.,

Always. Development may see the case u.o. for remarks before circulation.

Plan per
Lear:

The authorities of
Bangalore Institute
may be addressed
by the Managing
Agents direct
if necessary.

Letter - to leave the training of students
which is to be given - 5 in a course
or 17 or 18 of it. Higher level
the amount of preparation of the university
we intervene with a recommendation.
