In the 1938. G.O. should be excluded, in fixing my pay in the revised scales of pay. This may be sound law but not good equity and justice. The fundamental principle of equity and fairplay of all revisions of salary scales is that no permanent public servant should be deprived of his pre-revision emoluments. This has an added significance in the present instance, as the (5) professed object of G.O. No. 78 Finance dated 6-2-47 is the enhancement of the salaries of the subordinate services in an unprecedented period of high prices and not retrenchment. Any adverse condition may affect future entrants only.

6. I therefore appeal to Government not to stick to a legalistic interpretation of the rules and to be graciously pleased to include the special pay of Rs. 25, in fixing my pay in the revised scale. In the alternative, I may be permitted to retain my existing scale plus the special pay and thereby, Government will rectify a grave piece of anomaly and hardship.

7. Pray, let me conclude, with a personal note. My loyal and meritorious service through these long years was recognized by the Head of the Department and my name was put up for promotion to the Gazetted cadre. Only for want of vacancies before I attained my 50th year in January 1947, I am still in the Subordinate service. I therefore request you once again, to kindly consider all the circumstances of my peculiar case and render me justice.

I remain,
Your most obedient servant,
A.V. Sankarasubbayr 10/7/4

5. In my letter RC.No.1805-C.5/47 dated 17th May 1947 I sought clarification whether the extra amount of Rs.25/- or Rs.10/- admissible to Headmasters or Headmistresses under the Revised Scales of pay is to be treated as a special pay or an allowance. If it is merely an allowance, I presume that the pay of Sri A.V.Sankarasubba Ayyar on 1st Jany.1947 in the Revised Scale of pay should be Rs.215/- + Rs.10/- personal pay (to be absorbed in future increments) plus Headmaster's allowance of Rs.10/- since his pay plus special pay on 31st December 1946 is Rs.225/- per mensem.

Sir,

(J) With Reference to paragraph 4 of the preamble to G.O. No.78 Finance Dated 6th February 1947, as amended by G.O. No.517 Fin. dated 9-7-1947, an appeal was submitted to you in July 1947 to order the rectification of a grave anomaly and hardship caused to your appellant who is a senior and loyal public servant.

92390

(2) Further on a query from the Director of Public Instruction contained in his Proceedings R.C. 296/-C.5/47 dated 7-8-47 communicated in R.C. 274 A of 47 dated 13-8-47 of the District Educaional Officer, Tinnevelly West, your appellant had submitted a detailed memorandum under date 21-8-47. As no relief has so far been granted, the following representation is now submitted for early and favourable orders.

(3) The permanent pay of your appellant on 31-12-1946, was Rs. 200/- in the scale Rs. 150-10-250 of the First Grade of School Assistants, with a Special Pay of Rs. 25. This Special pay was (a) sanctioned in G.O. No. M.S. 1439 dated 11-8-1933 to the posts of Headmasters of certain Govt. Secondary Training Schools, in consideration of the fact that these posts had belonged to the Gazetted Cadre, prior to that date. The special pay of Rs. 25/- was, for practical purposes part of the substantive pay, as it counted both for leave and for pension.

(I) (J) (4) This special pay of Rs.25, is now abolished in G.O. No. M.S. 996 Edn. dated 13-5-47, with effect from 1-1-47, in view of the provision in G.O. No. 78 dated 6-2-47 of a Headmaster's allowance in all Govt. Schools, at the rate of Rs.25 in schools with a strength of 500 and above, and Rs. 10/-, in other schools. This is not just to your appellant. In the first place, the abolition of the old special pay, should in fairness, apply to new entrants only, and not to existing permanent headmasters.

(5) Secondly, in this matter, it is not just to treat
ng Schools and Secondary Schools alike. Any secondary
easily gets a strength of 500, whereas, a professional
stitution such as the Training school, cannot hope to get such
large strength. Nor will a huge strength be deemed desirable
professional school. Thus the headmasters of most of the
ning Schools who were till now getting Rs. 25 special pay,
to be content with Rs.10/-.

(6) The fixing of special pay on the mere count of numbers
be considered satisfactory. The only rational basis

As no relief has so far been granted, the following representation is now submitted for early and favourable orders.

(3) The permanent pay of your appellant on 31-12-1946, was Rs. 200/- in the scale Rs. 150-10-250 of the First Grade of School Assistants, with a Special Pay of Rs. 25. The special pay of Rs. 25/- was, for practical purposes part of the substantive pay, as it counted both for leave and for pension.

(I) (J) (4) This special pay of Rs.25, is now abolished in G.O. No. M.S. 996 Edn. dated 13-5-47, with effect from 1-1-47, in view of the provision in G.O. ry schools, when S.S.L.C. boys finish their course,
further work for Headmasters in respect of the out-
s. On the other hand, Headmasters of Training Schools,
onerous and responsible work with reference to their
nts, in seeing that they fulfil the terms of their bond,
recovering amounts from defaulters. This work is of a
ive nature and grows with time. It would be bare justice
nd a much smaller strength in a Training School for the
the Rs. 25/- special pay.

(7) The scale of pay for the first grade of school assistants introduced in G.O. No. 78 as modified by G.O. No. 517, is Rs. 165-5-205-10-245. This affects adversely existing permanent incumbents, in two respects. In the existing scale, the rate of increment is Rs. 10, throughout and the maximum is Rs. 250/- whereas in the revised scale between 165 and 205, the rate of increment is Rs.5 only and the maximum is Rs. 245 only.

(8) Now, applying the new rules to fix the initial pay of your appellant on 1-1-47, the hardships will become quite patent. If the special pay drawn by ~~the~~ y appellant on 31-12-1946, were taken into consideration his initial pay will be fixed as follows:-

His consolidated substantive pay on 31-12-46 being Rs. 200 plus Rs. 25, ~~is equal~~ to Rs. 225, as per rule 9 (a) of G.O. No.78, the next higher stage in the new scale i.e. Rs. 235, will be his initial pay on 1-1-47. As he came into the first grade on 15-6-1941, one advance increment is due to him according to rule 9(c) thus making his pay Rs. 245.

(9) If unfortunately, the special pay of Rs.25 were ignored his initial pay will be Rs. 205 as per rule 9(a) and Rs. 215 as per 9 (c) with the new Headmasters' special pay of Rs. 10, it will come to Rs. 225.

(10) Apparently there weems to be no initial disadvantage, though it is clear, the Revised scale, obviously meant to give relief to the subordinate public servants in these days of sky-rocking prices, does not confer ny benefit on your appellant, for all his devoted and efficient service over 28 years. Nay, a special disadvantage is thrown upon him. Let this be explained. On 15-6-1947, an increment of Rs. 10/- in the existing scale, has fallen due and had he continued in the old scale, he would be drawing Rs. 210 plus Rs. 25 special pay ie. a total pay of Rs. 235., from 15-6-1947. Whereas in the revised scale, he is to draw only Rs.225. Further whereas the maximym in the old scale is Rs. 250 plus Rs. 25, as per Revised rules, it is Rs. 245 plus Rs. 10 only.

(11) This is certainly a very hard and anomalous case which G.O. No. 78, enjoins, shall be brought to the notice of Government, with the implicit promise of rectifying the hardship. And this hardship to a public servant who has served the Government very efficiently for the last 28 years, whose merit was recognized and who was recommended for further promotion and would have reached the M.E.S. but for the age bar of 50 years which he attained in January 1947!

(12) It is therefore requested that the payof your appellant on 1-1-1947 be fixed at Rs. 245 as explained supra, which alone will meet the ends of justice and achieve the objects of Government in undertaking the revision of salary scales in these long years of persistently soaring price levels. If this prayer could not be granted, he might at least be permitted to continue in the old scale and continue to draw his special pay of Rs. 25/- also.

Subject :- Fixation of Pay. Sri. A.V. Sankarasubbayyar, Head-Master, Government, Training School for Men, Tinnevelly

(J)

Substantial relief was expected from the Revised Scales of Pay issued in G.O. No. 78 Fin. dated 6-2-47 and it was believed that the reduction of the special pay of certain Head-Masters from Rs 25 to Rs 10 would apply only to new personnel and not to existing Headmasters. But this hope was belied by subsequent orders.

A special representation was submitted on 22-4-47 detailing the hardships involved in the application of the New Rules to the present case and requesting sympathetic consideration. Pending orders on this representation

and on subsequent appeals and as the picture was not quite clear, the incumbent did not give any declaration formally electing to come under the Revised scales. All this appeal was a plea for including the special Pay of Rs 25/-, which he had been drawing as a permanent Head-Master, in fixing his pay in the new scale or if this was not possible to permit him to draw his Pay in the old scale plus the old special pay of twenty five rupees. It was also submitted in the Appeal that the Headmaster's work in a Training school was of a different nature from that in a secondary school and the rate of special Pay should not be made to depend upon mere numerical strength in Training Schools.

2. There was a selection grade on Rs.150-10-250 for school Assistants and Sri Sankara Subba Ayyar was drawing Rs 200 in this scale on 31-12-1946. He was, in addition, drawing a special pay of Rs. 25 with reference to G.O.No. 1439 dated 11-8-1933. The scale of pay for School Assistants, I Grade, in the recent revision is Rs.165-5-205-245. An allowance of Rs. 25 p.m. for headmasters in charge of schools with a strength of over 500 and Rs. 10 p.m. for those in charge of schools with a strength of 500 or below is allowed. The Special pay of Rs.25/- was specifically abolished in G.O.No.996 Edn., dated 13-5-1947, in view of the allowance of Rs.25/- and Rs 10 now sanctioned.

(a) (J) (I)

3. Sri A.V. Sankara Subba Ayyar requests that the special pay of Rs.25 drawn by him may be taken into account in fixing his pay in the revised scales. The Special pay of Rs. 25 is attached to certain posts in view of the arduous nature of the work and cannot be taken into account in fixing pay in the revised scale. Please see also the ruling given in Memo No.43011 A-2 Edn. dated 27-11-1947. It is open to Mr. Sankara Subba Ayyar to retain his old scale of pay of Rs.150-10-250. AN APPEAL TO THE HON'BLE THE MINISTER FO

Fort St. George, M A D R A

B Y

Sri. A. V. Sankarasubba Ayyar, M.A.,
HEADMASTER, Government Secondary
Training School for Men,

The Proper Channel.

Sir,

(J) with reference to paragraph 4 of the preamb G.O. No. 78 Finance dated 6th February 1947 authoris revised scales of pay, I submit this appeal to you order the rectification of a grave anomaly and has caused to a senior and loyal public servant.

2. I entered the Education Department in 1919 and have put in a devoted service of 28 years only four years more to retire.

A || 3. My permanent pay on 31-12-46 was Rs. the scale of Rs. 150-10-250 of the Selection Grade Assistants, with a special pay of Rs. 25/-. This was sanctioned in G.O. No. Ms. 1439 dated 11-8-193 posts of Headmasters of certain Government Training in consideration of the fact, that these posts belong the Garetted Cadre prior to that date; The special Rs.25/-, was, for practical purposes part of the salary, as it counted both for leave and for pension.

(a)

(J) 4. Now, G.O. No.78 dated 6th February intended to ameliorate the hard lot of the Non-Gaze services in these days of soaring price levels, to me and to a few brother Headmasters in two ways:- the maximum in the existing selection or first Gr School Assistants is Rs. 250/-, the maximum in th scale is Rs. 240/- only.

B ||

And (2) The special Pay of Rs. 25/- to certain posts of Headmasters has been replaced Headmasters' allowance of Rs. 10/- in schools less than 500 and Rs. 25/- in schools which hav of 500 and above. As a strength of 500 is ord secured only in High Schools and High Schools as in Mettur or Saidapet Model High School, a has been done to the heads of Training Schools Dindigul and certain other centres.

for Indians is a very necessary means.

functions of the Institution will continue to be twofold,
iving the Indian Students a Club of their own to meet their
needs, (b) Providing them with all possible opportunities of
ing the best out of their stay in London by helpful contacts with
tish life and tradition.

4. Great emphasis has always been laid on the social value of the
nstitution's work and we have had on our staff one Secretary,whose mai
task has been to relate our students to the more desirable and construc-
tive side of British life. An extensive programme of hospitality in
riendly British homes has been steadily maintained.

5. A national service rendered by the Institution has been the
many opportunities provided for creating and strengthening a spirit of
oneness and solidarity - a spirit of true nationalism - amongst its
members who came from every part of India and also Indian students from
the Colonies and Mandated territories . Here a young man from the north
has met his fellow-students from the South; a Colonial-born from South
Africa or Mauritius has met, for the first time, students from his real
Motherland. Hindus,Moslems, Chrisitians, Sikhs, Budhists, Parsees and
others have daily met together, lived together and have forgotten those
things which, in their homeland, have too frequently been a hindrance to
unity. The significance of this service cannot be exaggerated.

6. Because of its inter-racial, inter-communal and un
character, the Indian Y.M.C.A. is in an unique position to
a service to the Indian Students in Great Britain. So far the
Students' Union has been the only Institution in London which h
rendered this kind of service and it is difficult to believe t
other organization outside the Y.M.C.A. can ever successfully
such a task.

7. It is hoped that many improvements will be possibl
new structure is put up on the ruins of the old one, which
the building worthy of an institution with a great tradi
in the past. The old building, although tolerable, fell
accepted standards, especially those expected of a centre of I
culture. We nned an attractive house with ample sp for firs
Club facilities; a hostel attached, perhaps not large as the
one, with accommodation say for about thirty re ents. This Hos
service has been of very great value especially to students newly
arrived in London. But the greater need will for a first-class
for Indian students where they can not only invite one another in he
surroundings but will also not be ashamed to and entertain t
Brirish friends and fellow-students.

8. As in the past, the Institution will have the continued co-operation and support of all who wish India well, regardless of differences of religion and political conviction. It alread has the advantage of the goodwill of over 8000 of its old member now holding positions of responsibility in India. The Institutio has been fortunate in the past in winning the confidence and supp of many leaders both Indian and British, of very various religious and political views. Distinguished Indian leaders have never failed to visit the Institution while in London and have expressed their appreciation of the work done. High Government officials including Viceroys and Governors of Provinces have also visited the Centre from time to time and have testified to the need and importance of the work. The High Commissioners for India and the Educati Department of the India House have always been friendly supporters o the work. The India Government and most of the Provincial Governments in India and some of the Indian States have shown their appro of the work by giving substantial grants for its upkeep and maintenance.

9. It is now proposed to erect a new building on the Gower Street site, which will more adequately accommodate the work. It i estimated that £75,000 or Rs.9,75,000 will be required. Of this amount about £ 12,000 are already assured. The remaining £.63,000 must be raised from those who are in sympathy with this service and who appreciate the qualifications of the Y.M.C.A. to do this type of work.

India Office,

30th November,1946.

Dear Mr.Santwan,

I understand the Indian National Council of Y.M.C.A's has issued an appeal for funds to re-build the Indian Students' Union and Hostel in Gower Street which was destroyed by enemy action in 1940.

There must be many people in India today who have happy recollections of the old building and who realise what a serious loss has been suffered by the student community in London. They I am sure will be the first to send their contributions.

For this Fund has a much wider appeal than to these old alumni. It should command itself to everyone in India who is concerned for the welfare of the young men who come to England to pursue their studies.

London suffered grievously from war damage. Tens of thousands of private houses were destroyed and the pressure on the accommodation that is left is tremendous. Every effort is made by the authorities to find suitable quarters for students but the task is a very difficult one. These young men and women cannot get full value from their studies if their living conditions are unsuitable and uncomfortable. The Indian Students' Union and Hostel provides a real home and social centre and I cannot stress too strongly the urgent need for its re-establishment. I hope your appeal will meet with a hearty response.

Yours sincerely,

Sd/- Pethick Lawrence.

The National Council of Y.M.C.A's. of India, Burma and Ceylon has been maintaining an Indian Students' Union and Hostel in London since 1920. This Union and Hostel building at No 112, Gower Street was purchased in 1923 and remodelled and equipped at a cost of £25,000. The building was destroyed by enemy bombing on 23-9-1940. Since then ~~bombing~~, a limited programme is carried on in rented quarters, ~~kindly~~ leased by the London University. It is now proposed to erect a new building on the Gower Street site at an estimated cost of £75,000 or Rs. 9,75,000. The entire amount is proposed to be collected by subscriptions and donations from those interested in the work of this Union. The Government of India have sanctioned a mimimum grant of £10,000 and the Bombay Govt. have recently sanctioned a non-recurring grant of £2,500.

p 1 cf

2 The National Council of Y.M.C.A's. has appealed to the Madras Govt. for a generous non-recurring grant towards the building fund. This Govt. have been taking interest in the Y.M.C.A. Union and Hostel at London by making an annual recurring grant of Rs. 3,000 towards its expenses. They also sanctioned a special grant of £150 or Rs. 2,000 for the provision of tempy. hostel and club facilities in 1945. This Union and Hostel is doing yeoman service to the Indian students that go to the U.K. for higher studies. Such a private organisation is necessary to supplement Govt. machinery to cater to the many needs of Indian students

that go to the U.K. In view of the present policy of training scholars overseas for the post-war development plans of this Govt., an organisation of this type is very useful. In the circumstances, the E.& P.H. Dept. ~~recommend~~ suggested that a non-recurring grant of £2500 or Rs. 32500 ~~26,670 may~~ might be paid to the National Council of Y.M.C.A's. towards the building fund. The Fin. Dept. agreed to the proposal.

H.M.(Fin.) has however recorded the following minute:--

> "We do not know whether Bombay is giving an annual grant. We may give £2,000."

H.M.(Edn.) has also agreed. The proposal is now placed before the Standing Finance Committee for approval.

SUB: GRANT TO INDIAN STUDENTS' UNION AND HOSTEL IN LONDON.

--

The National Council of Y.M.C.A's. of India, Burma and Ceylon has been maintaining an Indian Students' Union and Hostel in London since 1920. This Union and Hostel building at No. 112, Gower Street was purchased in 1923 and remodelled and equipped at a cost of £25,000. The building was destroyed by enemy bombing on 23-9-1940. Since then, a limited programme is carried on in rented quarters, leased by the London University. It is now proposed to erect a new building on the Gower Street site at an estimated cost of £75,000 or Rs. 9,75,000. The entire amount is proposed to be collected by subscriptions and donations from those interested in the work of this Union. The Government of India have sanctioned a minimum grant of £10,000 and the Bombay Government have recently sanctioned a non-recurring grant of £2,500.

2. The National Council of Y.M.C.A's. has appealed to the Madras Government for a generous non-recurring grant towards the building fund. This Government have been taking interest in the Y.M.C.A. Union and Hostel at London by making an annual recurring grant of Rs. 3,000 towards its expenses. They also sanctioned a special grant of £150 or Rs. 2,000 for the provision of temporary hostel and club facilities in 1945. This Union and Hostel is doing yeoman service to the Indian students that go to the United Kingdom for higher studies. Such a private organisation is necessary to supplement Government machinery to cater to the many needs of Indian students that go to the United Kingdom. In view of the present policy of training scholars overseas for the post-war development plans of this Government, an organisation of this type is very useful. In the circumstances, the Education and Public Health Department suggested that a non-recurring grant of £2500 or Rs. 32,500 might be paid to the National Council of Y.M.C.A's. towards the building fund. The Finance Department agreed to the proposal.

H.M.(Finance) has however recorded the following minute:--

> "We do not know whether Bombay is giving an annual grant. We may give £2,000".

H.M. (Edn) ~~has~~ ~~[illegible]~~ agreed. The Standing Finance Committee has approved the proposal to give a lump sum of £2000 or Rs 26,670 to the National Council of Y.M.C.A's, Burma and Ceylon towards the building fund. The proposal is now placed before the Cabinet.

I understand that a hostel is being maintained by the Indian National Council of Y.M.C.A. and that during the recent war the building was destroyed. The whole building costs about £75,000. I understand that the Govt. of India have sanctioned a minimum grant of £10,000 and the Bombay Govt. have recently sanctioned a non-recurring grant of £ 2,500. This application is for some grant from this Govt. The matter may be examined and put up.

G of I have generously contributed a sum of £ 10,000 and the Bombay Govt have recently sanctioned a non-recurring grant of £ 2500. The Union has realised so far in cash and promises a sum of Rs 3,80,000 out of a total sum of Rs 9,75,000, leaving a balance of nearly Rs 6,00,000 to be raised in India within the next few months. 2. Govt have been taking interest in this Y.M.C.A. Union by making an annual recurring grant of Rs 3000/- towards its expenses. They have also sanctioned a special ad hoc grant of £150 or Rs 2000/- for provision of tempy hostel and club facilities in 1945. This Union is doing yeoman service to the Indian students that go to the U.K. for higher studies. Such a private organisation is necessary to supplement Govt machinery to cater to the many needs of Indian Students that go to the U.K. In view of the present policy of training scholars overseas for the post-war developments of the Govt an organisation of this type is very useful. The work of the Union is mentioned on pp 5-13 of ① The need therefore for a non-recurring building grant to this Union may be admitted.

The next question for consideration is the amount of grant that may be given to the Union. Bombay Govt have given a grant of £ 2500 or Rs 32,500/. and Cochin State £ 2000 or Rs 26,000/. For orders whether this Govt may follow the example of the Bombay Govt. The grant is required to be disbursed during the ct year.

2. E & P.H. propose to sanction to the Indian Students' Union and Hostel, London, a non-recurring grant of £.2500/- (or Rs.33,333) in the current year to enable them to rebuild the Union buildings in London. The amount of grant proposed is the same as that given by the Government of Bombay. In view of the fact that this Government have already recognised the need for help to this organisation by giving an annual grant of Rs.3,000/- towards the maintenance of the Hostel and in view of the special circumstances of the case, Finance need not object to the proposal (A special grant of Rs.2000 (£150) was sanctioned to the Union in 1945 towards the expenditure on the provision of temporary hostel and club facilities for Indian students, pending the reconstruction of the hostel buildings).

3. The expenditure will be debited to "37.r. Education - General Miscellaneous - A(i) Excluding ~~Postwar Reconstruction~~ - 8. Other grants - Voted - Indian Students' Union and Hostel". The D.P.I. may be asked to take steps to provide the necessary additional funds ~~required~~ for the purpose in the current year. (There is a provision of Rs.3000/- under the head in the Budget for 1947-8).

As grants to this institution are already being paid every year, the additional expenditure now proposed need not be treated as on a 'new service'. As, however, the expenditure exceeds Rs.20,000 non-recurring, E & P.H. may be requested to take orders in circulation including H.M (Finance) and to place the matter before the Standing Finance Committee and the Cabinet.
