The G.O. quoted above authorises the supply of Wall calendars from 1948 onwards. Since the relative distribution list available in the Press is out of date and as the requirements of each Department have to be revised according to the present condition, it is proposed to supply Wall calendars for 1948 at the rate of 50% of the card calendars usually supplied, which should be found sufficient for use during the next year (1948).

This procedure is adopted in view of the shortness of time. Heads of Departments are therefore requested to send their indents for the actual number of Wall calendars required in order to make correct supply from 1949 onwards.

C. V. Thangappa Pillai
Superintendent.

The 300 copies quoted above authorized the supply of wall
 calendars from 1948 onwards. Since the relative distri-
 bution list available in the press is out of date and as
 the requirements of each Department have to be revised
 according to the present condition it is proposed to
 supply wall calendars from 1948 at the rate of 500 of the
 said calendar to each Department, which should be round
 distribution from the next year (1948).

This is done in view of the shortage
 of time. Heads of Departments are therefore requested to
 send their indents for the actual number of wall calendars
 required in order to make correct supply from 1948 onwards.
