APPENDIX (4) - DEFAULTERS' LIST:-

It has been found by practice that due to the absence of a column for the name of the institution in this form, there has been much confusion and schools could not be identified. The form therefore requires revision to the extent at least of providing for the name of the school in it. The following amendment to the rules is therefore suggested viz, that

"1 Name of pupil" may be altered as "1.(a) Name of Pupil" and the following addition be made

- "1 (b) Class or standard in which he studies
- 1 (c) Name of school
- 1 (d) Name of place. "
