Ex. 108 (182)
 Please see the Legislation Principles is
 2. According to Article 1 in Chapter VI of the
Laws of the Madras University, the Vice-Chancellor
 should be a whole-time officer of the University
 and should be appointed by the Chancellor
 from among those persons recommended by the Senate.
 Mr. Mudaliyar was appointed as Honorary
 Obstetrician and Gynaecologist Govt Hospital for
 Women & Children, Madras for a period of five
 years in September 1942 - Vide G.O. no 2748
 DH dated 5.9.42. He was then honorary permanent
 Vice-Chancellor and there are no discussions in the
 G.O. relating to the honorary appointment in the
 Govt. Hospital as to whether the Vice-Chancellor may
 be permitted to take up the honorary appointment
 or not. Presumably the Vice-Chancellor obtained
 the permission of the Chancellor to take up the honorary

appointment.

Please see the S.G. reply on p 5 of. In regard to clauses (d) & (e) of the question, it is submitted that the Vice-Chancellor is answerable only to the University and it does not seem appropriate to ask the University to furnish information on the point.

I have added on more of it (d) also.
