From the Secretary Madras Legislature (Assembly) 6
No. 6015/47-11 ML dt 25.9.47. Legislative Assembly
question No. 606 by Sri S. Nagappa M.L.A. re: the
no of villages in the province w/o schools etc.

clause (a) of the question: It was usual to append
to the annual report on Public Instruction
statistics relating to the number of villages in
each district and number of the schools functioning
in these villages. The printing of these statistical
portion of the report was discontinued in 1942
on account of the scarcity of paper. The question
whether these statistical portions should be
printed as usual has been raised separately.
In any case there are no figures tabulated
Talukwar. In the circumstances, the Director
will have to collect ^{the} material from the inspecting
officers and local bodies and forward them to
Government ^{and this} ~~which~~ will involve much labour,
time and correspondence. For orders where the
B.O. should be asked ^{to} ~~to~~ supply the particulars.

clause (b) of the question The Govt have sanctioned
a scheme of compulsory elementary education. ~~by which~~
A few villages in each district is selected every year ~~where~~
and schools ^{are} opened in those villages and all children
of school going age are compelled to attend ~~those~~ schools.
in these villages.
The scheme is extended every year in all the districts
and in due course it is expected that el education
will be made compulsory in all the villages in the Province.
The provision of elementary schools ^{in non-compulsory areas} is left to
the initiative of the local bodies. But ~~the~~ ^{many} local bodies
particularly dist boards do not have sufficient funds to
start more schools. If private agencies come ^{forward} ~~up~~ to
provide elementary education they will be eligible
for a grant from provincial funds.
