To,
The Honourable Prime Minister,
Government of Madras.

Dear Sir,

At the outset, on behalf of International Student Service inGeneva and S outh East Asia, I would like to offer you and members of your Government, our grateful thanks for the full and wholehearted cooperation and support we have received from you in the running of the South East Asia I.S.S.Conference.As a result a practical and concrete cultural and relief programme has been drawn up for India and South East Asia. For India the Indian ISS Committee, has drawn up a relief budget for 4 lakhs of rupees for starting 15 student hostels, 10 cheap student messes 5 tiffin canteens, 3 cooperative student stores, first aid units and clinics for students, libraries and scholarships for needy and disabled students. A similar programme has been drawn up by the ISS Committees of Burma, Siam, Malaya Viet Nam and Indonesia, for their universities. On behalf of the Indian ISS, I am writing to request you to continue the splendid support you have given us, and help in making Madras the centre of all ISS activities in South East Asia. There is a feeling amongst many of our members here that all important and international activities are concentrated in North India, so that a real effort should be made to give the South its proper place. We would request you for help on the following three matters:-

p3 infra B'

1. A money grant from Government for the expenses of the Asian Conference. The expenses of the Asian ISS Conferenc amounted to Rs.3050/- as the attached sheet will show. The Reception Committee has raised from the public of Madras Rs.1000/-. Can you kindly make the Secretary a grant of Rs.2000/-to meet the balance?

A

2. Providing office space for Indian Cooperating Committee and Secretariat of the International Student Service. Dr. Zakir Hussain, the Chairman, and members of the Committee desire that Madras should be the National and Asian Headquarters of ISS. We request you therefore to make available two rooms, one for the Indian and the other for the Asian secretariat of ISS in some centrally situated building.

3. Help towards setting up a University T.B. Sanatorium. The Asian Conference recommended that an Asian University cultural centre, should be established in Rangoon, which the Burmese delegation has gladly accepted, being assured of the support of their Government. The Conference also recommended setting up a University T.B.Sanatorium for Asia in India. This again, we wouldlike to establish in Madras and thus obtain for South India its rightful and proud place in Iss. A short memorandum is attached on theproject. We would request you to grant ISS a site of land around Tambaram and make a grant towards its building. All other Provincial Governments and the Central Government are being approached for similar help. For such a project backed and supported by the popular ministries of India and Asia, ISS from Geneva, will take its share of responsibility in equipping and running the sanatorium.

Scheme for University T. B. Sanatorium.

The South East Asain Conference of ISS resolved that a University T.B. Sanatorium for South East Asia, should be established. It is proposed that it should be in India.

A. The Need.
1. The Indian Medical Gazette October, 41, states that the T.B. death rate per lakh of population is 290 in Madras, 432 in Cawnpore, 230 in Calcutta as compared to 96 in London.
2. Due to malnutrition, T.B. is spreading at an alarming rate amongst students and teachers in India. The same is true of other Asian countries, which have gone through occupation and resistance.
3. The highest incidence is among the best intellectuals in the university world.

B. The Scheme Proposed
1. A Sanatorium with a hundred beds for university students and professors to be established in Madras
2. The Sanatorium to be provided with the most modern equipment
3. The Sanatorium to be so organised and fitted with radio e c., that students and teachers can carry on their studies uninterruptedly.

C. Proposed Responsibility
1. The Government of Madras to be requested to provide land and a ~~gra~~ grant towards ~~the building site~~ buildings on a site near Tambaram .
2. The Provincial Governments and Central Government and other ~~Govern~~ Governments in South East Asia to be requested to contribute to the building and equipment
3.. ISS Headquarters to provide some of the technical equipment andpart of the running expenses.

The International Student Service conference was more politica than educational. I do not therefore recommend the payment of any contribution to meet the expenses incurred in connection with the holding of the conference.

2. As for help for starting a T.B.Sanitorium, the Surgeon General with the Government of Madras, may be consulted.

3. If the International Student service organisation propose to start other activities like Hostels, Messes, Canteens, Libraries etc. a grant may be given on getting concrete proposals about these. But they are not proposed now.

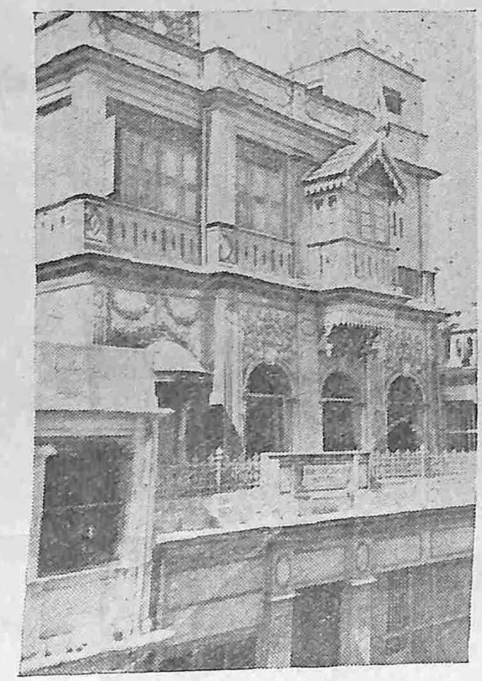
Student Co-operative Hostels
Student Co-operative Messes
Student Co-operative Clinics

1. *Hostel Scheme:* Only 50% of the 200,000 students in India have suitable residence. We propose to start 15 hostels this year with Rs. 90,000.
2. *Canteen Scheme:* To meet the hunger and malnutrition of students and the high prices, we are starting 4 milk canteens, 10 tiffin stalls and 5 messes, with Rs. 40,000.
3. *Medical Scheme:* 180 millions of our people are suffering from preventable diseases and so does 50% of the student community. We are setting up clinics, first aid squads, and ambulance units with Rs. 35,000.

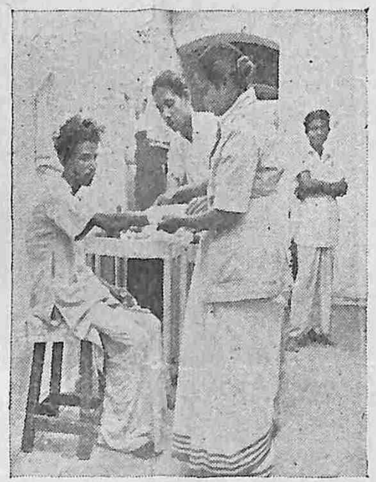


STUDENT CO-OPERATIVE HOSTEL, MADRAS

Rs. 1,35,000 *for*

Study Materials
Scholarships
Rural Universities

1. Libraries and Reading Rooms and Student Co-operative Stores. For supplying books and stationery, journals and newspapers, Rs. 75,000 is required.
2. To help students from villages, from riot-affected areas and famine victims, with scholarships Rs. 30,000 is needed.
3. To establish university institutes and educational centres in rural areas we need Rs. 30,000.



STUDENT CO-OPERATIVE CLINICS, MADRAS

Rs. 1,00,000 *for*

S.E. Asian Student Relief

1. Medicines to the universities of Viet Nam.
2. Books and textiles to Indonesian Universities.
3. Equipment and books to Burmese Universities.
4. Student and Professor exchanges.

Viet Nam students and professors are fighting for their existence and require urgent medical supplies.

Indonesian Universities have lost all their libraries and equipment as a result of military action.

Burmese Universities have been dynamited and bombed and looted. They need to be equipped.

Twenty-five S.E. Asian students are to be entertained in Indian Universities this year. Ten professors are being lent to these Universities.

All these require your generous help.

What I.S.S. Is and Does

I.S.S. is a Service Agency to the University in every country. It organises University students and professors to help meet the problems—material, spiritual and cultural—that the University in every country faces. *Its relief activity* covers student mensas in Poland, winter clothes and shoes in Hungary, medicines in Austria, Viet Nam, chemicals and laboratory equipment in Yugoslavia, Burma, student hostels, clubs and clinics in China, India, Indonesia, University T. B. Sanatoria in Switzerland and Bulgaria, bursaries to displaced students in Italy and France. *Its cultural activities* are carried out through international, regional and national conferences on university and cultural problems, through student cultural centres in France, Italy, Britain and China through study tours and student professor exchanges. *Its research* and publication programme is done through international and national I.S.S. journals and bulletins, memoranda on the Reform of University, Democratisation of Sciences, use of the Radio, Access to the University. It is this programme that is now being applied to Asia and India on the basis of the decisions made by the Asian I.S.S. Conference and the Indian Committee.

ISS CALLS FOR COORDINATED RELIEF CAMPAIGN

TO

Rebuild the Shattered Educational Life of the Punjab and Delhi
Rehabilitate Students and Teachers
Revive the Centres of Education and Culture

An appeal to Students, University men, and Public:

During August and September the fair province of the Punjab and our capital city Delhi, passed through an unprecedented holocaust, which has not only destroyed the economic life of the Province, but has also left the Educational structure shattered. Thousands of students and teachers have crossed the border and are to-day, refugees. Colleges and schools have been turned into refugee camps. The transfer of minorities creates a stupendous rehablitation problem, a task to provide education to 70% of the total student population of the Punjab, where 60% colleges and schools are concentrated in the western part.

The Punjab will have to be rebuilt. This will need thousands of Engineers, Technicians, Doctors, Teachers, Administrators, and Patriotic Volunteers, to restore her economy, to fight disease, and illiteracy, to bring back life and prosperity in the thousands of villages and to supply honest and noncommunal officers and subordinates. To achieve this the educational and cultural life of the Punjab must be revived immediately.

Thousands of students and teachers, who having lost everything in this fire of hate, must be rescued. They will be prepared to accept any job and work anywhere. In the general unsettled conditions of the Punjab, social conservatism will have deep roots, which will vitally hamper women's education. Are we going to let this happen? This must stir the conscience of everyone of us; we, who are fortunately placed, we who are carrying on our normal educational life, we must pledge ourselves to rebuild the universities and schools of the Punjab, to rehabilitate our fellow students and teachers, to collect money, books and medicines, to act as volunteers in the fighting of disease and illiteracy.

The ISS, which has its constituent organisations, the All India Students' Congress, the All India Students' Federation, and the All India Muslim Students' Federation, has decided to organise a countrywide relief campaign for rehabilitation of university men and women.

12

P

The ISS is a service agency to the university in every country which organises students and professors the world over, to help to meet their problems-material, cultural, intellectual. It functions in India through an Indian National Committee, of which Dr. Zakir Hussain is the Chairman. The ISS has already received Two Thousand Dollars from its Geneva Headquarters as an initial amount for relief work among students and teachers, with promise of more allotments to follow.

The ISS Headquarters in India, which is in Madras, has worked out the following Scheme for rehabilitating Students and Teachers and rebuilding education.

1. Hostels in Delhi, Amritsar and Jullunder, where the number of refugee students is the largest.
2. Setting up cloth, text books and other distributing centres, which in the beginning will have to be free, and later could develop into cooperative. Such centres are most needed to revive educational life.
3. Scholarships to brilliant and needy students to complete their studies.
4. Immediate relief to students and teachers.
5. Laboratory equipment, Text books (especially professional and technical) for East Punjab colleges.

   In this the help of other ISS Committees will be very useful.
6. Making arrangements for science, medical and technical students and research scholars, for completing their studies in other universities.

This is a huge scheme. But the ISS, which has the three main student organisations (A.I.S.C., A.I.S.F. & A.I.M.S.F.) as its constituent organisations and the sympathy, support, and cooperation of students of the world, is confident of implementing the above schemes. The students of our country, under their respective organisations, have a very proud record of relief activities and therefore, together they will be able to organise the biggest and most effective relief campaign. The ISS has set up a Central Relief Committee at Delhi, under the chairmanship of Dr. Zakir Hussain. This Committee is working out the details of the scheme, and all relief collections made by the ISS should be sent to this committee.

Students in war devastated countries are rebuilding their educational life; we must bring into this task the same energy, enthusiasm and solidarity, common to youth the world over. Let us pledge to see that not one student or teacher remains a refugee and is forced to accept other jobs.

The DPI does not recommend the payment of any contribution to meet the expenses in connection with the holding of the I.S.S. conference as he considers that the I.S.S. Please see the notes from p.1 above.

The proposal ~~xx~~ in this file relates to a request for a grant of Rs. 2,000/- towards the expenses incurred by the International Student Service in holding recently the Asian Conference in Madras. It is stated that the expenses of the Asian I.S.S. Conference amounted to Rs.3,050/- and that the Reception Committee raised from the public Rs.1,000/-. The Government grant is to cover the deficit. The D.P.I. has not recommended the payment of any grant for the reason stated at B on p. 5 c.f. E.& P.H. do not agree with the D.P.I., but have recommended a grant of Rs.1,000/- only to the Association.

2. As the Conference discussed mainly educational problems, Finance may agree to the proposal of E & P.H. As similar grants have not been sanctioned by the Govt. in the past, the proposal should be treated as a "New Service". As the expenditure involved is non-recurring and is less than Rs. 10,000/-, reference to S.F.C. and the Cabinet is not necessary. Orders may be taken in circulation to H.M.(Education), H.M.(Finance) and H.Pr. As a supplementary grant has to be obtained from the Legislature ~~before the~~ before the scheme is sanctioned.

Finance (Exp.A)

Draft order sanctioning a non-recurring grant of Rs. 1,000 to the International Students' Service is accepted.

2. It may be issued pending the sanction of the Legislature to the supplementary grant to be obtained in this connection as the amount involved is less than Rs. 20,000 non-recurring - cf. instruction IV (ii) in the Annexure to Finance u.o. note no. 26978 B.G.-4 of 21.12.47. The supplementary grant should, however, be obtained at the earliest opportunity after the issue of orders.

Explanatory note

A Conference of the South East Asia International Student Service was held in Madras in June '47. An expre of Rs 3,050 was incurred. The Reception Committee was able to raise Rs 1,000 from the public of Madras. In order to meet the deficit the Asst General Secy of the International Student Service requested Govt for a grant of Rs 2000. The Conference discussed mainly educational problems and the Govt have therefor sanctioned a grant of Rs 1000 towards the expenses.

As the expre is on a "New Service", a token appropriation of Rs 100 is included in the supplementary estimate. ~~The balance will be met from savings within the grant, if available, or by obtaining further supplementary grant in March 1949.~~
