G.O. No. 1304-K.2/15 dated 3-12-1947.

Sir,

Sub: Government Arts Colleges - opening of new subjects in 1948-49 - Affiliation by the University.

I have the honour to enclose herewith a copy of letter A.6290 dated 27-11-1947 together with the enclosure from the Registrar, University of Madras on the question of affiliation of certain colleges in new subjects in 1948-49 and to request that Government may kindly issue early orders in the matter.

2. The offering of Telugu under Part I for the B.Sc. course in the Government Arts College, Anantapur was not submitted to Government as a Part II Scheme for 1948-49 as the college is already affiliated in Telugu under Part II of the B.A. course.

For Director of Public Instruction.

Copy of letter from the Registrar, University of Madras, A.6290 dated 27-11-1947.

With reference to the applications\* that have been received from Government colleges in general for further affiliation, it is noted that proposals have been submitted to Government as Part II schemes for 1948-49, and that courses will be opened only if sanctioned by Government.

It is not clear from this that the sanction of Government will be obtained by you for the proposals and communicated to this office. I am to inform you that considerable difficulty has been felt in previous years in arranging for inspection commissions to visit these colleges and in considering the reports owing to the delay in communicating the decision of Government and in paying the necessary fees for inspection.

The Syndicate has therefore decided that, in the case of Government colleges, it would be prepared to consider these applications if a final reply is received not later than the 31st January about the intentions of the Government to proceed with the applications or otherwise. The Syndicate is aware that technically sanction can only be given after final approval by the Legislature of the Budget proposals of the Government, but it is felt that the decision of the Government to place such proposals before the legislature by including them in the Budget should have been arrived at, at a much earlier date, and pending the final decision of the legislature the Government should be in a position to communicate their views to the University before the 31st

\*vide list enclosed.

of January. I am therefore to inform you that if you desire that the affiliations should have ~~been~~ effect from the beginning of the next academic year, i.e. July 1948, the final decision of the Government should be communicated by 31-1-48 and the necessary fee for inspectors should be paid by the end of February 1948.

I shall be glad if you will in the light of the facts stated herein obtain the necessary orders of the Government and communicate it at an early date.

Dear Mr. Reddi,

Sub: Colleges - Government Art Colleges - Opening of  
new courses - Payment of affiliation fees.

Ref: Your letter No. 1304 K2/47, dated 3-12-1947.

I am to say that orders on the payment of affiliation  
fees are being issued separately and to ask you to take  
action immediately with reference to the letter of the  
Registrar of University of Madras, No. A. 520 dated 9-2-48.

2. I am also to ask you to consider the following  
points and make a report to the Government as early as  
possible:-

ad. H.M. (Educ)  
minutes on p. 2  
H.M. (Fin) minutes  
on p. 3 u. f.

(i) It is understood that no steps have been taken  
by the University for the approval of the scheme to open  
a Second Grade College in Cuddappah from the next academic  
year. You may meet the Vice-Chancellor, if necessary,  
and discuss the scheme with him, so that the College is  
opened at Cuddappah from <sup>July</sup> this year.

minutes on p. 2-3 u. f.  
and minutes of  
H.M.S. Edu. & Fin  
on p. 8 u. f. in 877

(ii) With regard to the raising of the Mangalore  
College to the 1st Grade, the Government desire that the  
M.E.S. post provided for Kanarese in Anantapur should be  
transferred to Mangalore. But the scheme of raising  
Mangalore College/1st Grade College depends on the  
abolition of the High School attached to it. Instructions

P.T.O.

may be issued to the D.B.O. to negotiate with the other High schools in the vicinity with a view to seeing that the boys and girls in the High schools are taken in. It is presumed that the staff of the High School will either be absorbed or discharged in accordance with the rules governing their service.

(iii) It is understood that there is some technical difficulty about the opening of the B.A. classes in the Coimbatore College, and that if B.O.L. classes are opened instead of B.A., the difficulty will be overcome. As the Government consider that the B.O.L. course is as good as the B.A. course, you may take steps to see that the B.O.L. course is opened in the college, if it is not possible to open B.A. classes.

3. I am to ask for a very early reply.

I have to-day addressed the Registrar of the Madras University requesting him to appoint Commissioners for local enquiry in regard to the subjects for which affiliation is being sought.

As regards Cuddapah, I am meeting the Vice-Chancellor as desired and will send you a report later.

I have instructed the District Educational Officer, South Kanara to start immediate negotiations for the transfer of the pupils reading in the High School attached to the Government College, Mangalore to other High Schools in the locality. I may, however, state that in the course of a <sup>casual</sup> discussion with the Vice-Chancellor at which the Hon'ble Minister for Finance was also present, we were informed that the Syndicate
