Copy of the minutes of H.m(Fin) on the file relating to the application of the Andhra University for a grant for the courses in Atmospheric and Meteorology (C.No.51663/46)

" University Grants Committee is an unnecessary fifth wheel. There is the Syndicate, the D.P.I. and the Govt. to initiate, to scrutinize and to decide. What is the competence of U.G.C. to further scrutinize and to recommend. Simply because there is one in U.K., we need not have one here. If we have large funds to spare for the University courses and to balance the claim of the various Universities, its existence can be justified. Looked at from all angles, it is an unnecessary, unsympathetic and delaying fifth wheel.

The University may be asked to send its scheme. It may be asked whether they want to open in July 48.

We can decide whether ~~xxxxx~~ to refer to U.G.C. or not at that stage.

" AS H.M.(Finance) has noted before, it may not be necessary ^{hereafter} to refer these matters to the University Grants Committee. Our experience in the past has not convinced that it is necessary to have an intermediate body like the University Grants Committee. ~~A note may be prepared to the standing Finance Committee straightaway.~~

Copy of Secretary's note:--

I suppose action will have to be taken separately to abolish the University Grants Committee. That may be indicated. On the other point, as both H.Ms. are agreed, S.F.C. should consider. You can prepare a note for the S.F.C: no need to circulate ~~xhm~~ to H.M.(Edn.) before that is done. But for eliminating the University Grants Committee, even in the particular case, need H.Pr. see?

Secretary, 17.3.48.
