Sir,

* Sub:- Establishment - District Boards- peon -
working under District Board educational Officer -
question of debits.

ENCLOSURES _____

SPARE COPIES _____

The Director of Public Instruction raised the question whether the salary and allowance of the peon attached to the District Board Educational Officer should not be debited to the general funds of the District Board as it is not one of the items of expenditure debitable to the Elementary Education fund according to G.O.No.1149 Edn. dated 24-6-40.

- 2 -

On a reference made to certain Special Officers of District Boards, it is found that the expenditure under reference is being debited to the general accounts and not to the Elementary Education Accounts. The Special Officer, Nellore District Board, has pointed out in this connection that it is reasonable to debit the pay of the peons attached to the Educational Officer to the Elementary Education fund.

I solicit the ruling of Government in the matter.

Subject: Establishment - District Boards - Peon - working under District Board Educational Officer.

Reference: Government endorsement No. 5415-2-G.L.A., dated 19th March 1948.

The pay and allowances of the staff specifically sanctioned for work relating to elementary education are only debited to the Elementary Education Account at present and under the existing orders the pay of the Peon attached to the District Board Educational Officer cannot be debited to the Elementary Education Fund. G.O. No. 1353 Edn., dated 24th September 1942, permits the appointment of attenders and their pay is debited to the Elementary Education Accounts. The appointment of peons for the Elementary Education Section has not been approved by Government and there seems to no serious objection to the pay of the Peon attached to the District Board Educational Officer being continued to be met from General Funds, especially, as the District Board Educational Officers appear to be in some cases in charge of Secondary Education also. If, however, in view of the recommendation of the Inspector of Municipal Councils and Local Boards, Government are inclined to permit the debit of the pay of the Peon to the Elementary Education Accounts, general orders may be issued in the matter.

The letter of the Inspector of Municipal Councils and Local Boards is returned herewith.

G.O. No. 2880, P.H., 17th December 1934

Medical institutions—Rural (subsidized)—Form of agreement—Schedule—Supply of accident and wound certificate books—Amendment in G.O. No. 2253, P.H., dated 26th September 1934—Cancelled.

Read—the following paper :—

From the Surgeon-General, Ref. No. 2076-1-Hospitals, dated 29th November 1934.

Order—No. 2880, P.H., dated 17th December 1934.

The Surgeon-General reports that wound certificate books referred to in G.O. No. 2253, P.H., dated 26th September 1934, are utilized only for the grant of certificates on the requisition of the Police and other Government officials and that private paper is used in the case of certificates granted by rural medical practitioners to private parties on their own request. He considers therefore that there is no necessity for the supply of accident and wound certificate books to medical practitioners in charge of subsidized rural dispensaries and recommends that the amendment to the schedule in the agreement form to be executed by rural medical practitioners regarding the free supply of accident and wound certificate books made in G.O. No. 2253, P.H., dated 26th September 1934, may be cancelled. The Government accept the Surgeon-General's recommendation.

 This dept may support the view of the Est. H Dept
 that the expenditure on the salary allowance of

 debited to the General funds of the district board.
 In this connection it may be noted that the expenditure
 pay allowances of the D.B.E.O himself have been

That Dept has pressed the view that
the pay and allow of the person attached
to the D.B. Co. Educational Officer may be met

appropriate that when the pay allow etc
of the D.B. Co. Educational Officer himself
are allocated between the General and

of the peon attached to him also should
be allocated in the same proportion.

The question has been raised as to whether the salary
and allowance of the peon attached to the Dt. Bd. Educational
Officer should be debited to the General Funds or to the
Elementary Education Fund. E. & P.H. are of opinion that
the expenditure on the salary and allowance of the peon attached
to the D.B.E.O. should be debited to the General Funds. The
Examiner who was consulted ^{states} recommends that the appointment
of peons for the Elementary Education Section has not been
approved by Government and there seems to be no serious objection
to the pay of the Peon attached to the D.B.E.O. being continued

to be met from General Funds, especially, as the District
Board Educational Officers appear to be in some cases in
charge of Secondary Education also. At present the pay and
allowances of the D.B.E.O. are ^{not} met from the General Funds ^{wholly}
but only apportioned between the General and Elementary
Education funds in ^{the} proportion of 1:2. This Department con-
sider it reasonable that the pay and allowances of his peon
should likewise be debited to the two funds in the same
proportion. This course will be equitable and fair to both
funds. For orders whether it may be adopted.

According to the existing orders, pay and allowances of Dt. Board Educational Officers and the peons attached to them should be apportioned between the E.E. Fund and the General fund of the Dt. Boards in the ratio of 2:1.

(L)

In G.O. No. 700 Edu dated 24-3-1951, the Govt. decided that if a Dt. Bd. does not want to continue a Deputy Inspector of Schools as a D.B.E.O., the officer may be withdrawn, an additional Superintendent being appointed in the place of a D.B.E.O. to attend to the work which was being done by him. It was also decided that in Dt. Bds where D.B.E.O's continue to be employed, they should attend to ^{the} work relating to elementary education only, and not to secondary education. The Govt. therefore direct that in Dt. Bds where the D.B.E.O's continue to be employed, the pay and allowances of such officers and the peons attached to them should be debited to the E.E. Fund of the Dt. Bds only and not to their general funds. The previous orders in ~~the~~ the matter will stand modified to this extent
