Re No 114 Al/47 Dated 8.8.47

Sir,

Sub:- Librarians Conference organisation requested.

There are about 32 libraries in Dharmavaram Taluk, of which
30 are Panchayat Board libraries. In spite of your instructions
to the Panchayat Presidents of the various Village Panchayat Boards
and nine also, only a few have applied for library grant this year.
My impression is that the Librarians of these libraries have to
realise the imperative need for greater care and attention to this
side of educational reconstruction of the Taluk. To infuse the
needed enthusiasm into them it is, I think, necessary to hold a
conference of Librarians and other representatives of these libraries
in this Taluk. Such conferences are being held in other districts and

and they serve not only the purpose intended but other allied purposes as well. I therefore request you to be so good as to take the initiative in the matter and convene a conference of this kind at Dharmavaram. We can invite reputed librarians & others to address the conference.

I shall be obliged if you could kindly agree to this proposal and send me a favourable reply.

Ref: your letter No 11464/47 dated 8.8.47.

I quite well appreciate your idea about calling for a conference of librarians in the Taduk at Dharmavaram and I am also of the opinion that such conferences help a great deal in infusing necessary enthusiasm into the managements of these libraries, especially when reputed leaders of the library

movement from other districts are invited to address the
Conference. But, as the holding of a conference will incident-
ally involve expenditure on panchayat funds towards
Travelling Allowance of the presidents or other representatives,
I request you to kindly address the Inspector of Local Boards
Madras in the matter.

to the Government of Madras, War
Fort St. George, Madras.

Sir,

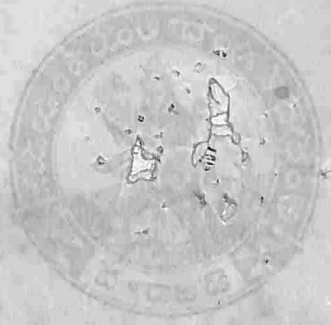

You are probably aware that our Association has been running classes extending over 40 days to give an elementary course in librarianship to men who are employed as librarians in rural libraries. Advantage of these classes has been taken by others interested in the subject including a Mission High School Librarian, who after the course felt that he had really learnt much that he did not know earlier in regard to the organisation and conduct of libraries.

We have proposed to run a higher course extending over three months for urban librarians employed in Municipal and Local Board Libraries as well as in High Schools under various managements. We have been issuing certificates after due examination. We set 6 papers for the Pravesika examination mostly of 3 hours duration and we expect the candidate to obtain a minimum of 35% marks in the major divisions.

We request that you may be so good as to allow servants employed under local boards and municipalities dealing with libraries to attend these courses at the expense of the local boards and obtain certificates. After a time it may be possible to employ only trained men for librarianship. A G.O. may kindly be passed in this behalf authorising local bodies to incur expenditure under this head.

Thanking you.

Yours Sincerely,
P. Nagabhushanam, Secretary
