SIR,

Sub:- Publication of the History of Services of
 Gazetted and other officers in the Madras
 Presidency.

PB 8-1106 (X)

I have the honour to invite a reference to G.O. MS.No.1218, Education dated 19th March 1946 on the subject indicated above, wherein sanction to the publication of the History of services of Gazetted and other officers in the Madras Presidency corrected up to 1-7-1946 was accorded by Government. The History of Services as on 1-7-1946 was accordingly printed and published by the Superintendent, Government Press, Madras, in December 1947.

As a result of the publication of the book after an interval of six years, and unsatisfactory work by inexperienced auditors, several mistakes and omissions have crept into the printed edition and they are of the nature specified below.

- In the absence of information from a number of officers, the dates of birth have not been entered in a number of cases in the History of Services and the dates of birth noted in some cases are found to be not correct.
- Particulars regarding additional charges held by officers, completion of probation and confirmations have not been recorded in many cases.
- Leave periods have been omitted in some cases and retrospective commutations of leave in some other cases have not been recorded correctly.

The pension calculations of the officers are likely to be affected by the mistakes to their undue benefit, and omissions of the nature referred to above. It is, therefore, desirable that steps are taken to rectify these mistakes and omissions without delay. It is not possible to issue correction slips to the present edition or issue a supplement without a disproportionate increase of work in the Press. It is, therefore, suggested that the History of Services of Gazetted officers of this presidency corrected up to 1-7-1946 may be published, notwithstanding the decision of the Government of India in regard to the History of Services communicated to all Provincial

Copy of the letter No. Dis. 3721 dated 17-7-1948 from the District Judge, West Godavari, Ellore to the Registrar, High Court, Madras.

Subject: Books and Publications - History of Services of Gazetted Officers in the Madras Presidency - Publication of and distribution of - Supply to the District Judges - Requested.

Reference: G.O. Ms. No. 1515, Education dated 9-6-1948.

It is seen from the appendix subjoined to the G.O. cited above, that no provision is made for the supply to the District Judges of copies of the History of Services of Gazetted Officers in the Madras Presidency to be published shortly as on 1-7-1948. An up-to-date history of Gazetted Officers is necessary for the Judicial Department also; it is necessary for purposes of reference in preparing the pension papers of retiring officers. Till now copies of this publication were being supplied to District Judges. It is difficult to understand why District Judges should be treated differently and as less important than Collectors in these matters.

I request that the Government may be addressed that these copies are as essential for Courts in the Districts as for the Revenue Department.
