No. 1233-A/48-1, dated 17th May, 1948.

Sub:- Subramanian, Sri M.C. - Assistant Curator - Leave
on average pay - Application for.

36801
Sri M.C. Subramanian, the Assistant Curator of this office, has submitted an application for leave on average pay for 2 months from 10th June 1948. The application is being forwarded to the Accountant-General for transmission to the Government with particulars regarding the eligibility for leave. I recommend that the leave may be sanctioned.

2. As the vacancy is not very short, it is necessary to make some arrangement for carrying on the work of the Assistant Curator during his absence. If a person is to be regularly appointed according to the rules, particulars of all the persons who may be considered to be eligible have to be furnished to the Madras Public Service Commission so that a person may be selected by the Commission, but this is not the proper time to submit such particulars. The date fixed for the submission of such particulars to the Commission is 1st September of the year preceding that in which a person is required. (Please see G.O. No. 751, Public Services), dated 24th March 1948). No particulars were, however, submitted last year as no vacancy was anticipated this year. I propose to furnish by the middle of July next particulars of the persons in this office who may be regarded as eligible for the post, so that the Government may forward them to the Commission by 1st September. The Commission will then select a person by 1st November and this person will thereafter be available for appointment in all future vacancies. I am unable to submit my proposals before July as I have to obtain the personal files,

etc.,

-2-

etc., of two members of this office who are now working in other departments and see whether any of them possesses the requisite qualifications.

3. In any case it may not be possible to make a regular appointment before the date of commencement of the leave now applied for, viz., 10th June 1948. I therefore beg to suggest that Sri P. Guruvayya, M.A., the Superintendent of the office, may be put in additional charge of the post of the Assistant Curator in this vacancy. A similar arrangement was made in 1940 when Mr. V.J. George the previous Assistant Curator suddenly went on leave for about a month and the then Senior Assistant, Sri D.S. Dharmaraj, was placed in additional charge of the post. (Please see G.O. No. Ms. 2246, Education, dated 22nd November 1940).
