With reference to para 2 of G.O .No.1028 Edn dated 16-5-47 I have the honour to request that Government may be pleased to convert ~~duct~~ the posts of Assistant Professor of Sanskrit and Assistant Lecturer in Tamil in the Presidency College and Lady Willingdon Training College respectively into an Additional Professor of Sanskrit and Lecturer in Tamil, with effect from July 1948, With reference to para 4 of the G.O. I request that a post of Lecturer in Kannada may also be created in the Government College, Anantapur with effect from July 1948, by converting the posts of Asst. Lecturer in Kannada sanctioned in the G.O. quoted above.

R/27-28c

2. I enclose herewith a copy of letter ROC.No.569-/46 dated 20-8-47, from the Principal, Presidency College explaining the need for an additional Professor of Sanskrit in the college. With regard to Lady Willingdon Training College there are at present 19 students who are offering Tamil as an optional subject for the B.T. Examination. As the post of Assistant Lecturer in Tamil in the Teachers' College, Saidapet, has already been converted into a Gazetted post, Government may kindly sanction a Lecturer in Tamil for the Lady Willingdon Training College also.

3. Government have in the current year sanctioned the raising of the Government Brennen College, Tellicherry into a First Grade - Vide G.O.No.1226 Edn dated 11-6-48. In the three classes in the current year, there are 355 students offering Malayalam under Part II and with the opening of the S--enior B.A. class next year, the number will be increased further. As in the case of the Government Victoria College, Palghat, the employment of a Lecturer in Malayalam may be sanctioned by converting the existing post of Assistant Lecturer in Malayalam.

4. In the current year, the opening of optional Telugu for the B.Ed. students of the Government Training College, Rajahmundry has been sanctioned and the employment of an Assistant Lecturer in Telugu has also been sanctioned.- Vide G.O.1028 Edn dated 16-5-47. The Principal requests that a Lecturer in Telugu may be sanctioned in place of the Assistant Lecturer. There are at present 34 students taking this subject for the B.Ed. Examination and the strength is expected to increase owing to the importance of the regional language. As all the other subjects taught in the college have gazetted posts, I recommend that the post of Assistant Lecturer in Telugu may be converted into that of a Lecturer in Telugu.

5. The financial effect of the proposals will be as follows:

1. I have the honour to submit herewith a proposal for the conversion of one of the posts of Assistant Professors of Sanskrit into Additional Professor of Sanskrit in the Madras Educational Service.

2. In G.O.No.1028 Edn dated 16-5-47 forwarded with your Proceedings ROC.No.7922-K.2/46 dated 21-5-47, Government were pleased to sanction the creation of two posts of Lecturers in the Madras Educational Service one in Tamil and one in Telugu in the Presidency College, Madras, and in para 2 of the same G.O. they ordered that the proposal to create the post of additional Professor of Sanskrit may be renewed in connection with the Part II schemes for 1948-49.

6 in para.

3. A statement furnishing details regarding the staff employed and the number of students taking the languages in the several classes under Part II is herewith furnished. From a perusal of the figures it will be seen that the total strength for Tamil, Telugu and Sanskrit in the four classes I to IV under Part II (there is no Part III in this college) in ~~classes I to IV under Part II (there is no part III in this college) in~~ the current year is Tamil 438, Telugu 135 and Sanskrit 203 (and during 1946-47), the figures were 371, 112, and 233) and that it is much more than the strength in the other languages. Govt. were pleased to sanction ~~in Telugu under Part~~ a post in the M.E.S. for Telugu as well as Tamil, though the strength in Telugu under Part II has throughout been much less than the strength in Sanskrit. According to the present sanction there are two posts for Telugu, one in the M.E.S. and one Pandit. In Sanskrit the present staff consists of one Professor, four assistant professors and two pandits. The Professor is also the head of the department of Sanskrit and other Indian languages. The work in the Sanskrit Department is twofold (1) work in the second language (i.e.) Part II for classes I to IV and (2) work in the B.A.(Honours) Sanskrit Classes. The work in the Sanskrit Honours classes comprises 60 working hours and nearly five members are required exclusively for teaching the Honours classes. The Second language classes take up 24 hours; and as the medium of instruction in English, the work has to be assigned to the Asst. Professors only. The second language work in Sanskrit is next in importance and popularity to Tamil only and it has always been far more popular than Telugu. When a post of M.E.S. is created for Tamil and Telugu, it is but reasonable that a similar status is given to Sanskrit also. Though, at present there is the post of professor in the M.E.S. in Sanskrit, as the Professor has to undertake advanced teaching for the Honours classes it has never been possible for him to spare any time for work in the second language classes.

4. It should be mentioned, that, consequent on the introduction of the compulsory study of languages under Part II in the Intermediate and B.A., courses, Govt. were pleased to sanction in July 1929 ~~xx~~ a post of Additional Professor of Sanskrit in the Presidency College as it was the only college in the University area teaching Sanskrit upto the Honours standard. In July 1933, as a measure of retrechment the post of additional Professor of Sanskrit was ordered to be reduced to assistant Professor of Sanskrit in the S.E.S. and it was given effect to in 1935. Now in 1947 every department in the Presidency College which teaches Honours and also Intermediate and B.A., or B.Sc. classes has a minimum of two Gazetted Officers. It is therefore reasonable and fair that the department of Sanskrit also should have two gazetted officers as other departments having Honours Branches in the Presidency College. It should be urged further that the Presidency College, being the only college in the Madras and Andhra University areas, that offers instruction in the Sanskrit B.A.(Honours) and M.A., the teaching staff for this subject should be adequate and of the requisite status.

5. Again while in all other subjects for the Honours courses, the assistant Professors have chances of promotion to the Madras Educational service in the number of other Govt. colleges, assistant Professors and assistant lecturers in Sanskrit have to look for promotion mainly to the

Presidency

Presidency College Professorship. Recruitment to the post of Superintendent of Sanskrit **Schools** is open not only to the Asst. Professors of Sanskrit, but to many other categories in the subordinate and ministerial service. Recently in 1942, when the post of curator, Government Oriental Manuscript Library was separated from the ~~Rxxr~~ Professorship of Sanskrit and made an independent gazetted post, assistant Professors of Sanskrit ~~was~~ were excluded from the field of recuritment to that post.

6 Further the Professor of Sanskrit of the Presidency College has to be an expert in his subject; and any one, merely by virtue of seniority, should not be allowed to hold the post and any one who should be appointed should have had adequate equipment and training in the teaching of the Honours subjects and to acquire this training and equipment there should be the post of additional Professor.

7. In these circumstances and in view of the fact that Government have recognised the importance of the teaching of Indian languages by the creation of two new posts in the Madras Educational Service one for Tamil and one for Telugu and in view of the Govt. Order in Para 2 of G.O. No.1028 Edn dated 16-5-57 it is now requested that the post of additional professor of Sanskrit which was in exintence during 1929-35 might be revived by the conversion of one of the posts of ~~Sanskrit~~ assistant professors of Sanskrit into that of an **additional** professor of sanskrit ~~in the M.E.S. in the Presidency College,~~ Madras.

8 The financial effect of the proposal of converting this S.E.S. post in Sanskrit into the M.E.S. in Sanskrit is given below (Rs.2922-0-0)

In the present part II Schemes, we have sanctioned M.E.S. posts for the regional languages in the Lady Willingd Training College, Anantapur College and the Rajahmundry Training College and an ~~additional~~ M.E.S. post for Sanskrit in the Presidency College. I understand there is already a Professor in the M.E.S. grade for Sanskrit in the Presidency College. If this is for an additional post, it need not be sanctioned without further reference to me.

In my letter R.C.No.1051 K2/47 dated 29-9-47 I have submitted a proposal for the creation of a post of Lecturer in Kannada in 1948-49 in the Government College, Anantapur by converting the post of Assistant Lecturer in Kannada sanctioned in G.O.No. 1028, Edn., dated 16-5-47. In your D.O. letter No. 95995-3/47-A, Edn., dated 17-2-48, it is stated that Government propose to transfer this M.E.S. post to the Government College, Mangalore when it is raised to First Grade. The opening of Kannada under Part III of the B.A. in the Government College, Anantapur during 1947-48 was sanctioned in G.O.No.1028, Edn., dated 16-5-47 but the course could not be opened for want of candidates. The Principal has just informed me that he is notifying in the Gazette about the provision of Kannada in the College and that he expects the required strength for the opening of the subject in 1948-49. In the circumstances I would suggest that the proposal to transfer the M.E.S. post to be created for the Anantapur college to the Mangalore college may be deferred till a further report is received from the Principal, Government College, Anantapur. In case the subject is opened with the required strength, a Lecturer in Kannada would have to be appointed.

This is in furtherance of the movement of the proposal that we made last year that in all first grade colleges, the regional languages must have M.E.S. posts. Some colleges would have been provided last year. The step that we are taking this year is a logical step. There has been a great deal of agitation in the matter that the regional languages should be treated properly and so I think this may go through.

There are more than one M.E.S. posts in English in many of our colleges and I am asking the Vice-Chancellor to have the matter examined so that they may be reduced. That, I think, will save to pay for this. Now this may be allowed.

The suggestion of H.M.(Finance) may be accepted for the present. For the Presidency College, the suggestion is to make an additional Professor in Sanskrit. I do not think there is any necessity to create another M.E.S. post to be an additional Professor. That also may be dropped.

This year we may confine ourselves to ~~an~~ the proposal of Lecturer in Kannada in Government College, Anantapur, and in Malayalam in Govt. Brennen College, Tellicherry.

The S.F.C. has recommended as follows:- "Provision may be made for the conversion of all the five posts mentioned in the detailed note. Consequently the amount to be provided next year will be increased to Rs 4,750/- or Rs 4,800/- roundly and the ultimate ~~cost~~ liability to Rs 18,800 roundly". It is presumed that Finance will take the necessary action in regard to altering the provision to be made in the current year's budget. The file may therefore lie over till the budget is passed.

We are trying to reduce the M.E.S. posts in English and other subjects wherever possible and so I don't think we need accept to the plea for increasing the M.E.S. posts and so the proposed additional M.E.S. post for Sanskrit in the Presidency College need not be ~~sanctioned.~~ given effect to

2. An M.E.S. post for Kanarese in Anantapur College has been recommended. That was done because the Mangalore College was an Intermediate College and for other reasons we had to provide an M.E.S. post for Kanarese somewhere. But now that we have agreed to raise the status of the Mangalore College from second grade to first grade, it becomes necessary for us to provide an M.E.S. post for Kanarese in that College. As a consequence provision for Kanarese for an M.E.S. post in the Anantapur College may be omitted and instead that may be transferred to the Mangalore College which may be converted into a first grade college. In case the conversion of the Mangalore College into first grade does not happen for any reason, then the question of providing an M.E.S. post in Canarese in Anantapur College may be considered at a later date.

3. In the proposal of the D.P.I. to convert the Mangalore College into first grade, I don't know whether he has made provision for an M.E.S. post for Kanarese. If he has made, then the provision made for Kanarese in Anantapur College may not be necessary. That may be checked up.

2. H.M. wants that the M.E.S. post in Sanskrit for the Presidency college, Madras may not be sanctioned; and that a M.E.S. post in Kanarese may be sanctioned for the Govt. Mangalore college, which, it has been decided, to raise to the I grade, instead of for the Anantapur college, as proposed herein. In the scheme to raise the Mangalore college to the I grade, there is no provision for the appointment of a lecturer in Kanarese in the college. It would therefore seem sufficient if the M.E.S. post in Kanarese proposed for the Anantapur college is transferred to the Mangalore college, with the concurrence of Finance. That Dept. may see for remarks.

Para 2 of EPH u.o. above

The proposal to raise the Mangalore College as a I grade college in Group I, Group IV B and B.Com courses has been considered as a Part II scheme for 1948-9 and the Cabinet has approved the scheme. Provision has not been made therein for a lecturer in MES in Kanarese; an MES post for Kanarese in Anantapur college has been proposed as a Part II scheme & agreed to by Cabinet. EPH now propose for the reasons stated in para 2 of the minutes of H.M. Edn on p 6 above to transfer the MES post for Kanarese from the Anantapur to Mangalore college. It is presumed that the DPI will apply for necessary affiliation for this in due course.

If this proposal is to go through, we must come to final conclusions about the Mangalore College itself. That, again, is dependant on the abolition of the High School attached to the College. If arrangements can be made for the abolition of all the sections of the High School and ~~then~~ the College is started, then the M.E.S. post provided for Canarese in Anantapur may be shifted to Mangalore.

T.S.A.
9.2.48

The only difficulty about the abolition of the High school is with regard to the present V Form students. D.E.O. can negotiate with other High schools in the vicinity - and see all the boys students are taken in.

IV Form &

What is to happen to the staff of the High school? I suppose notice has to be given to them.

Steps may be given to abolish the High school and the Ist grade College be started - Kannada M.E.S may be shifted from Anantapur to Mangalore.
