In continuation of my report cited above, I submit that an objection petition received from the villagers of 107 Vembedu Chingleput taluk was forwarded to the Tahsildar,Chingleput, for remarks. He has reported that the petition is the outcome of the unfounded fear that they will not be allowed to enter the temple at the top of the hill in S.No.401 of Vembedu and that their cattle will be prohibited from grazing in S.Nos.401 and 402, containing the ancient monuments. Now that the Revenue Inspector has explained to the villagers that the intention of the Government notification is to protect the megalithic cists and cairns and that there will be no objection to their visiting the temple or grazing their cattle, provided no damage is done to ancient monuments

148

in the above S.Nos, the villagers have withdrawn their petition.

The petition from the villagers of Vembedu and the statement obtained from them are enclosed.
