Independence Day Celebrations - Distribution of sweets to children in Schools.

p 12 of (N)

At an informal meeting of the Ministers held on 26.7.47 in connection ~~in~~ with the celebration of Independence Day (15. 8. 47) it was decided that sweets should be distributed to children in all schools. H.M. (Edn) sent a note to the office for taking necessary action in the matter. This dept put up the necessary drafts and sent the file to the concerned depts for acceptance of the drafts. The L.A. dept stated that they were issuing separate orders to all local bodies and that the order to be issued in Edn and P.H. might be confined to private and Govt educational institutions. In the meanwhile the Food dept issued a general order as at page 26 of (N). In this order it was stated

—do—

p 13 of (N)

"As soon as the distribution is over each Collector is requested to obtain and forward to the Govt a statement showing the total expenditure incurred by Govt in this regard in his dt. The statement should reach the Govt not later than 1 9. 47.

x x x x x x x

As regards non. Govt. schools and institutions including aided schools and institutions and schools under Municipalities Local Boards etc the expenditure ~~should~~ be debited to "57. Misc. - Misc and unforeseen charges - Misc".

~~It [illegible]~~ In the Food dept order the dept to which ~~[illegible]~~

Apparently the intention was that they ~~collectors~~ should send ~~the returns~~ its to the Food dept and that that dept should consolidate and obtain Govt. sanction for the disbursement of the amount ~~to each collector~~ in each case.

In the c/f two Collectors (S. Arcot and S. Kanara) have furnished the return called for and requests payment order. Other Collectors also will come up with similar requests. It is only appropriate that the Food dept who issued the general ~~order~~ should deal with this case. Further, the expenditure is not to be debited to the Edn budget. The file may be transferred to the Food dept.

E.& P.H. notes at pp.1-2 above may be perused.

The case deals with the question of sanction ~~of amounts of~~ the expenditure incurred by certain school authorities in the South Arcot and South Kanara districts in connection with the distribution of sweets to school children on the Independence Day (i.e.)15-8-47. E.& P.H. Dept. has requested this Dept. to issue necessary orders in this case. Their main arguments in transferring the case to this Dept. are:-

(1) that the original order regarding the distribution of sweets to school children was issued by this Dept.

(2) that they are not concerned with the head to which the expenditure in question has to be debited.

Up 1 of (Q)

Item (1) above: It is submitted in this connection that the decision relating to the distribution of sweets on the Independence Day was taken at the Premiers' Conference held at Delhi ~~almost when the~~ on the eve of Independence Day ~~was approaching~~. At the instance ~~of the orders~~ of the Premier, the original orders were issued in this Dept. in order to save time. It may at once be stated that this Dept. was in no way concerned with the subject of distribution of sweets to school children but as sugar was controlled at the time and as it was necessary

| papers not put up

M on p.1-4 (Q)

to make sugar available for the preparation of sweets, it was considered there was no harm in issuing the original orders particularly when there was hardly time for the preparation of sweets. It may also be stated in this connection that it was not the intention of this ~~Govt.~~ Dept. to receive and consolidate the statements of expenditure received from the colls of Dts. In fact these statements were to be consolidated by the Board of Revenue (L.R) and to be submitted to the Govt. (X) in the Revenue Dept. as the distribution of sweets to school children was only a part of the general programme fixed in each district for the Independence Day Celebration under the responsibility of the Collector of the Dt concerned. It may also be stated in this connection, that it was the E.& P.H. Dept. ~~alone~~ that issued the detailed instructions relating to the incurring of expenditure for the distribution of sweets to children to the D.P.I. and all Collectors in their Memo No. 65109-A.I/47-Edn. dated 11-8-47 to which they have not made any reference in their note. From every point of view therefore the E.&P.H. alone would seem to be the competent authority ~~under question~~ for sanctioning the expenditure, if necessary, especially when they are the administrative Dept. concerned.)

Item (2) on p.2 above: This Dept. also is not concerned with the head to which the expenditure is debited and hence there is no ~~particular~~ reason why this Dept. should take over the case.

Not put up

Apart from the facts mentioned above, it may be stated that sugar has now been decontrolled with effect from 8-12-47 and following the decontrol of sugar, the clerk attending to the work of sugar has also been retrenched. In this connection, attention is also invited to Finance notes at pp.8-9 c.f. where they have requested the E.&P.H. Dept. to issue orders. It will thus be very clear that this Dept. does not seem to be in any way concerned now with the case. In these circumstances and also in view of the fact that the formal orders should be only issued in the administrative Dept. concerned and particularly because of 'A' and 'B' above, E.&P.H.Dept. may kindly be requested to reconsider their decision and take over the file for necessary action. The case may be returned

to E & PH through Rev and Finance.

In G.O.Ms.No.904 Food Department dated 5-8-47, the Government directed that sweets should be distributed at the cost of Government to all pupils studying in all elementary, Middle and High Schools. The cost incurred should not also exceed one anna per pupil. As per instructions in the Government Orders quoted in para 1 supra, the cost of sweets distributed to Municipal and District Board schools was sanctioned by Collector and they were adjusted to the funds of the concerned local bodies. As regards private managements, the District Educational Officer, Chingleput Dt. obtained the claims from the managements and applied for the allotment. The amount applied for by him was placed at his disposal and he was requested to draw the amount from the Treasuries and disburse them to the concerned managements on proper acquittance. In certain cases, the Tahsildars and Deputy Inspectors of Schools directly drew the amount from the Treasuries and distributed sweets to the school children in their jurisdiction on the date of Independance Day itself. A statement showing the amount spent towards the distribution of sweets to school children in this district was submitted to Board and Government in Collector's R.Dis.1653/48K6 dated 25-3-48 (Copy enclosed).

In this Dt. the Tahsildars and Dy.Tahrs.were asked to supply sweets to all schools irrespective of the fact whether the schools are management schools or not. A statement xxxx of expenditure incurred in this connection has been submitted to the Board in my Ref.D.1. ~~4429x~~ 4420/M47 dated 14.10.47.

2.It seems that there was omission on the poart of some subordinate officers to supply sweets to the following schools, as the concerned school authorities have now claimed the expenses incurred by them for supplying sweets to their schools.
1.Schools owned by the Chowghat Panchayat Board.
2.Sivarama Vilasam Girls Higher Elementary school in Chentrapini amsom,Ponnani taluk.
I am examining the claims of these institutions. I shall submit a report for the necessary funds without delay in case I find that the institutions in question have not actually been supplied with sweets by the Tahsildars concerned.

4) My report D1.1000/M/48 dated 23-9-48

I invite Government's attention to the G.Os and my reports quoted above. I have now finished my enquiry into the claims preferred by the Chowghat Panchayat Board. It is now found that there has been no omission on the part of the Dy. Tahsildar, Chowghat to supply sweets to the schools, as was stated in my report dated 19-7-48 quoted above. What actually happened was, that over and above the distribution of sweets made by the Dy. Tahsildar, Chowghat, the authorities of the Chowghat Panchayat Board also distributed sweets to the school children. The expenditure incurred by the Board in this connection is Rs.36-8-0. This was done by the Board relying on the orders contained in G.O.Ms.No.1380 Local Administration Department dated ~~X~~ 8-8-47. At the time of the Independence Day celebrations everything had to be done in a hurry and the subordinate officers had no time to consult each other, about the arrangements etc. It is partly on account of this that the Panchayat Board happened to spend the above amount. I therefore request that extra expenditure of Rs.36-8-0 incurred by the Panchayat Board may be ordered to be paid to the Panchayat Board from the Provincial funds at an early date.

I beg to state that claim was made as soon as the Audit report is received. No delay had been played in this connection. The estimate at the rate of one anna per child with respect to the distribution of sweets to children might be correct. Since the audit objection on this subject is pending over a long ~~time~~ period, I request you to kindly order for the payment of Rs 25/- incurred towards the distribution of sweets to the children made during the Independance Day 1947 in accordance with the provisions promulgated in the Government order No. 1300 L.A. dated 8.8.47.
