Sir,

REF: GOVERNMENT MEMO.No.51737-B1/47-10 Edn., dated 11.2.48.

In continuation of my letter No.Rc.684 K4/48 dated 12.3.48,
I have the honour to submit herewith a copy of letter L Dis.17583/47
dated 22.5.48 from the Agent to the Government of Madras, West Godavari
regarding opening of a hostel at Polavaram.

The Agent states, that he has not yet received the plans
and estimates for the construction of a hostel at Polavaram from the
Executive Engineer, Godavari Central Division. The plans and estimates
will be submitted on receipt.

iii. Your telegram dated 20-5-48.

I send herewith a copy of letter Rec. 77-48 dated 2.4.48 of the Head Master, Government High School, Polavaram which contains the information called for in your reference cited above.

As regards securing a building on rent for the use of the hostel, it is very difficult to secure one in Polavaram on account of the project. I also doubt that a big building which is required for a hostel can be secured for a small rent of Rs. 40/- per mensem. However, I am directing the Dy. Tahsildar, Polavaram to be on the look out of a building for the use of a hostel on a rent of Rs. 40/- to 50/-.

The Executive Engineer, Godavari Central Division, who was addressed to send estimates and plans for the construction of a hostel has not done so yet inspite repeated reminders. I shall obtain and send them in due course.

Sub: Government High School, Polavaram - Opening of a hostel - Report - Submitted.
Ref: Rec No. 684 KI-48 dated 22.3.48 of the Director of Public Instruction, Madras communicated in Rec No. 17-17583-47 dated 29.3.48 of the Agent to the Govt. of Madras, West Godavari, Ellore.

I beg to submit the following information called for in Government Memorandum No. 51737-B1/47-10 Edn. dated 11th February 1948.

i) The amount of Rs. 25/- per mensem proposed for supervision charges represents the amount to be paid to the Warden, who will be one of the teachers of the school.

ii) The Cook and other servants will be paid from contingencies at market rates, which includes an element for costliness of living, the present rate of pay being Rs. 30/- (Rs. 12/-) pay plus 18 dearness allowance). No special pay for unhealthy localities is given for menials paid from contingencies.

It is not clear whether the hostel is intended only for Harijans and Aboriginal tribes, or whether other communities including the Brahmin community also should be provided. If it is only for Harijans and aboriginal tribes, a non-Brahmin cook can be secured for Rs. 30/- but if it is intended for other communities also a Brahmin cook should be engaged and he can be secured only for about Rs. 50/-.

iii) No furniture need be provided for boys except mats, book-shelves and coat racks. But boxes, almirahs, etc. may be required for storing provisions and for use in the kitchen. For this Rs. 100/- under miscellaneous charges may not be sufficient. It may come to about Rs. 200/-.

iv) On account of the Project at Polavaram it is very difficult to secure a house for rent especially a big building which is necessary for a hostel. An amount of Rs. 500/- may be required for utensils.

I beg to request that it may be ascertained whether the hostel is intended only for Harijans and Aboriginal tribes, or for other communities also.

Sir,

Sub: Education - G.H.School - Polavaram - Harijan and Koya hostel -
warden's remuneration - increase proposal.

The Government in their G.O.No.1588 Education and P.H.Department dated 10-6-48 sanctioned the opening of a hostel attached to the G.A.School Polavaram and sanctioned an amount of Rs.15/- per mensem towards remuneration for the warden. The Head Master of the High School brings to my notice that the remuneration of the warden is so unattractive that in the course of the first ten months, two wardens have resigned. The Head Master, therefore, suggested that the remuneration of the warden may be enhanced to Rs.25/- P.M. as was originally proposed by the Director of Public Instruction, Madras in his Rc.882/K4/47 dated 16-2-48, as the warden will not attend to his duties properly when he is not sufficiently paid in proportion to the duties involved in the post. I visited the school on 9-11-49 and found that the warden is taking a lot of interest in the running of the hostel and enhancement in his fees is reasonable. An extract of my visiting remarks is also enclosed for perusal.

2. I therefore recommend that the remuneration of the warden may be enhanced from Rs.15/- to Rs.25/- P.M. and that orders may be issued to that effect.

The warden requests that his honorarium (fees) may be increased from Rs.15/- to Rs.25/- per mensem. The Headmaster of the High School seems to have sent up proposals for sanction of the same, which are said to have been returned for renewal. The present warden Sri K. Suryanarayana is taking a lot of interest in the hostel and he deserves sanction of more fees. He requests the increase in the fees may be made with effect from 1-11-1949. His request may be reasonable and will be complied with. The Head Master is requested to send up proposals.

Officer and Rs 15/- p.m. if a member of the M.E.S.S. is appointed.

It is not known under what conditions, an allowance of Rs 25/- p.m. was sanctioned to the warden of the hostel attached to the Board High School, Narasapatnam. The usual allowance allowed by Government in the case of Deputy Wardens attached to the hostels of the Government Training Schools is only 15. It has ^{also} been specifically laid down in Volume II, Manual of Special Pay and Allowances that the Deputy Warden will be paid an allowance of Rs 15/- p.m. if the strength of the hostel is below 40.

In the present case, the strength is below 40 and it does not seem ^{desirable} necessary to make a departure from the rules and pay an allowance of Rs 25/- p.m. In the present case of a warden's allowance of Rs 25/- is sanctioned in the present case. It will lead to similar requests from wardens attached to other hostels and going similar work for equal treatment with pay in and it may not be possible to avoid such expenditure.

In the above circumstances, Finance may advise against the proposal. If Education press, they may be requested to state whether the warden attached to the hostel at Narasapatnam is doing parttime work in the hostel, as a member of the teaching staff of the Board High School or whether he is a full time warden, to look after the administration of the hostel and also to put up the original of G.O.No.1365 Education Dated 28-5-48 wherein an allowance of Rs 25/- has been sanctioned for the warden of the hostel attached to the Board High School, Narasapatnam.

This report at B on p 3 above, the D.P. has said & stated that the warden of the hostel for the hill tribe and harijan students attached to the Board High School, Navasapattam is a member of the teaching staff doing part-time work in the hostel and that he is at present paid a remuneration of Rs. 20/- p.m. for the additional duty entrusted to him.

Education propose that the warden of the hostel attached to the Govt. High School, Polavaram may be paid an allowance of Rs. 20/- as in the

case of the warden of the hostel at Narasapattanam.

In view of the reasons stated in para 1 of the letter on p. 1 of the report, it may perhaps agree to the proposal at it on to previous subject to the following remarks. Namely as already stated by the report, the wardens are allowed only 8.15 p.m. as remuneration for the work entrusted to them, as the grant allowance of Rs. 20/- with the present cost of living is too low. A concession should be made to the warden of the Govt. High School, Polavaram. Considered with the policy of Govt. not to allow any financial concessions with retrospective effect. The report may suggest that the allowance rate may be allowed from the date of orders to be issued.

Opening of a hostel in 1948-9

From the DP 9 R No 684 K-4/48 3.28.5.48

with a view to provide better educational facilities to pupils belonging to hill tribes in the excluded areas, it was proposed to open two hostels from 1948-9 - one at Narasapattanam and the other at Polavaram. Orders have already been issued in G.O. No 1365 Edu 3.28.5.48 sanctioning the opening of a hostel at Narasapattanam. Orders have now to be issued in regard to the opening of a hostel attached to the Govt High School at Polavaram.

2. The Agent to Govt West Godavari has furnished the particulars required. With reference to this the cost of running the hostel may be estimated as follows:-

	Rs
1. Boarding charges for 25 students at Rs 25 p.m. for 10 months	6,250
2. Allowance for warden at Rs 25 p.m. for 12 months	300
3. One cook on Rs 30 p.m.	360
4. One woman servant on Rs 12 p.m.	144
5. One sweeper on Rs 5 p.m.	60
6. Miscellaneous charges	100
7. Rent at Rs 50 p.m.	600
8. Books for 25 students	500

non-recurring

Purchase of utensils - Rs
" furniture - Rs

The estimate of Rs 200 given by the Agent for furniture seems to be too low. It may be fixed at Rs 300.

the view of the difficulty in securing accommodation, provision may be made for rent for buildings at Rs 50 p.m. A sweeper on Rs 5 p.m. may also be allowed as in the case of the hostel at Narasafatam.

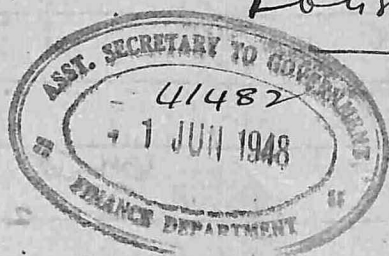

3. The Agent to Govt. West Godavari has raised the question whether the hostel is open to only to Harijans and Aboriginal tribes or whether students belonging to other communities may also be admitted. - He may be informed that the hostel is intended only to the former.

4. It is presumed that no rent will be collected from students.

5. Orders may be taken in view of the opening of the hostel as was done in respect of the hostel at Narasafatam. The remarks of finance may be invited as per to view.

Order no. 39912 B/48/1
16/48

The proposal in the file to sanction the opening of a hostel attached to the Government High School Polavaram for the benefit of the Harijan pupils and pupils belonging to the hill tribes from the beginning of the school year 1948-9 i.e. from June-July 1948-9. The note of E. & P.H. on pp. 1-2 above explains the proposal which involves an extra cost of Rs 8,300 per annum recurring and Rs 800 non-recurring.

2. The opening of this hostel has already been agreed to - vide notes on pp. 5, 8-9 of G.O. No. 1365, Edn. dated 28-5-1948 and the minutes of H.M. (Finance) on pp. 11 & 15 N.F. of the G.O. The following remarks are called for on the details of the proposals:--

(a) Staff - The employment of the staff proposed, viz., one cook, one woman servant and one sweeper, is necessary and may be agreed to. The staff will be paid from contingency. It is presumed that the rates proposed are in accord-

accordance with the prevailing market rates and may be agreed to in this department.

(b) Allowance for Warden. It is proposed to pay an allowance (special pay) of Rs 25 for the warden. Usually a member of the M.E.S.S. is allowed only Rs 15 p.m. as warden. E. & P.H. may restrict the amount to Rs 15/- p.m.

(c) The other items of expenditure call for no remarks and may be accepted. There are

The presumption of E. & P.H. that no rent need be collected from students appears to be correct as free boarding will be provided in the hostel.

3. Financial procedure - With reference to para 2 of the D.P.I's letter on p. 1 C.F. regarding plans and estimates for a permanent building for the hostel, attention is invited to para 2 (b) of this Department note on p. 5 N.F. of G.O. at (A). No remarks are now called for.

3. Financial procedure - The case should normally be referred to the S.F.C. and Cabinet before issue of orders.

E. & P.H. propose to treat the case as one of extreme urgency and follow the 'short circuit' procedure. As this Department

has already agreed to it, the Department is not called upon to make any further remarks. As per order in H. Com. No. 1000, dated 10.10.47, the Department is to follow the 'short circuit' procedure.
