Sir,

Sub: Education-Municipal Secondary School Teacher-
Fixation of pay-Hardship-favourable orders-
prayed.

I am a Secondary Grade Teacher in the employ of the
Karur Municipality with over fifteen years of service.

On 1-1-47 I drew my usual increment in the old scale
of 30-2/2-50 and my actual pay on that date was Rs.46/-
(Rs.44 + 2). In June 1947 revised scales of pay for teachers
in the employ of Local Boards and Municipalities were sanc-
tioned and given effect to by this Municipality. To fit
in the new scale of 45-2-85 my pay was fixed as Rs.45/- and
the balance of Re.1/- out of Rs.46/- which I was getting from
1-1-47, was treated as personal allowance. Thus the revi-
sion of scale has not at all benefited me in any way. This
has been unfortunately, due to the fact that the date of my
increment in the old scale synchronised with the date of com-
ing into force of the new scales of pay. If my increment in
the old scale had fallen due earlier even by a single day I
would have received one increment in the old scale and would
have been fitted in the new scale in the next stage above
my then existing pay. That is, my pay would have been fixed
as Rs.47/- (Rs.46 + 1) instead of Rs.45/- + 1 in the revised scale
Mine is a special case deserving separate examination as it

does not fall under any general rule.

I may be permitted to submit here that one of my colleagues in my school similarly affected appealed separately to the Government and has recently got very favourable -- in fixation orders. He was allowed one increment in addition to the usual increment which he got on 1-1-47 in the old scale. I request I may be shown the same consideration.

May I also add that in 1934 when scales of pay for - District Board and Municipal Secondary School Teachers were revised by the then Government I had to forego one increment when my pay was fitted in that scale.

Thus in the 1934 Revision and again in the 1947 revision I had been hardly hit. May I pray that my case may be favourably viewed and orders may kindly be passed fixing my pay as Rs.47/- with effect from 1-1-47.

Sir,

Subject:- Education-Municipal Secondary-
school teacher--Fixation of pay-
Hardship-Favourable orders prayed--

I humbly beg to state that I am a secondary grade teacher, in the employ of the Karur Municipality, with about twenty years of service.

On 1-1-1947, I drew my usual increment in the old scale of pay-Rs.30/2/2-50/- and my actual pay on that date was Rs.50/ (Rs.48+2-50-). In June 1947, revised scales of pay for teachers in the employ of Local Boards and Municipalities, were sanctioned and given effect to by this Municipality. To fit in the new scale of Rs.45/2-85/, my pay was fixed as Rs.49/ and the difference of Re.1/ out of Rs.50/ which I was getting from 1-1-1947, was treated as personal allowance. Thus the revision of scale has not at all benefitted me in any way. This has been, unfortunately due to the fact that the date of my increment in the old scale synchronised with the date of coming into force of the new scale of pay. If my increment in the old scale had fallen due earlier, even by a single day, I would have received one increment in the old scale and would have been fitted in the new scale in the next stage above my then existing pay. That is, my pay would have been fixed as Rs.51/61/ in the revised scale. Mine is a special case deserving separate examination as it does not fall under any general rule.

I may be permitted to submit here that one of my colleagues in my school, similarly affected, appealed separately to the Government and has got very favourable orders recently. He was allowed one increment in addition to the usual increment which he got on 1-1-1947 in the old scale. I request I may be shown the same consideration.

Please turn over.

May I also add that in 1934 when scales of pay were revised by the then Government I had to forego one-increment when my pay was fitted in that scale.

Thus in 1934 revision and again in 1947 revision I had hardly hit. May I pray that my case may be favourably viewed and orders may kindly be passed fixing my pay as Rs.51/ with effect from 1-1-1947.

Subject. Education Municipal Secondary
School Teacher. Fixation of pay - Hardships
Favourable orders prayed.

I am a Secondary grade trained teacher
in the employ of the Karur Municipality with
over seventeen years of service

On 1-1-1947 I drew my usual increment
in the old scale of 30-2/2-50 and my
actual pay on that date was Rs 48 - (Rs 46 + 2/-)
In June 1947 revised scales of pay for teachers
in the employ of Local Boards and Municipalities
were sanctioned and given effect to by this
Municipality. My pay was fixed as Rs 47/-
and the balance of Rs 1/- out of Rs 48/- which
I was getting from 1-1-47 was treated as
personal allowance. Thus the revision of
scale has not at all benefitted me in
any way. This has been unfortunately done
due to the fact that the date of my increment

in the old scale synchronised with the date of coming into force of the new scales of pay. If my increment in the old scale had fallen due earlier even by a single day I would have received one increment in the old scale and would have been fitted in the new scale in the next stage above my then existing pay ie my pay would have been fixed as Rs 49 (Rs 48 + 1) instead of Rs 46 + 1 in the revised scale. Mine is a special case deserving separate examination as it does not fall under any general rule.

I may be permitted to submit here that one of my colleagues in my school similarly affected appealed separately to the Government and has recently got very favourable orders. I pray my case be favourably viewed and orders may kindly be passed fixing my pay as Rs 49/- with effect from 1-1-47.

Sub; Establishment- Secondary Education- Revised scales of pay-Fixation of certain teachers- Submitted

Submitted to the Secretary, To Government Education and Public Health Department, Madras.

2. The request of these petitioners is similar to that of Sri. R.S. Rengasami Ayyangar dealt with in the G.O.No. Ms. 270 Education dated 9-2-1948 (i.e. whose next increment even in the old scale would fall due exactly on 1-1-1947). The benefit of fixation of pay on 1-1-47 at the stage in the new scale next above their pay in the old scale will not therefore accrue to these teachers. They therefore request that ~~their~~ their increment falling due in the old scale on 1-1-1947 may first of all be sanctioned and that their pay then be fixed in the new scale at the stage next above their pay in the old scale. This is exactly what has been done in the case of Sri. R.S. Rengasami Iyengar. As these are hard cases, they may be viewed sympathetically and orders passed.
