Enclosures: R.C. No. 1041 K2/48 dated 28th April 1948.

Sir,

SUB: AGE - exemption to Mr. Francis Nathan for admission to Engineering Courses.

In G.O. No. 991 Edn., dated 13-5-47, the age limit for admission to the Engineering Classes in the Government Engineering Colleges was raised from 20 to 22. One Mr. P.L.M. Nathan has applied for the grant of age-exemption to his son Mr. Francis Nathan, stating that the latter passed the Senior Cambridge Examination in 1941 at Kuala Lumpur, Malaya, that he could not proceed to India to continue his studies due to the Japanese occupation of Malaya and that he has studied Intermediate in Loyola College, Madras, and appeared for the 'Versity Examination in March 1948. I am enclosing herewith a copy of the letter dated 11-9-47 from the Representative of the Government of India recommending favourable consideration of the case. It is reported that Mr. Francis Nathan was born on 18-12-1925. I recommend the grant of age exemption to the candidate.

2) I request the favour of very early orders.

for DIRECTOR OF PUBLIC INSTRUCTION.

Ramu. 29.4.48.

COPY OF: From The Representative of the Govt. of India, Singapore dated 11th September 1947 to the Principal, Engineering College, Madras.

I understand Mr. Francis Nathan wishes to be admitted to the Engineering College, Madras. He, however, expects certain difficulties in procuring admission in that he has already attained 21 years of age. His misfortune he has suffered because of the war in Malaya when he was prevented from going to India for his further studies.

Mr. Francis Nathan was born in December 9th, 1925, and was educated in Malaya. He sat for the Senior Cambridge Examination in December P.T.O.

2/

December 1941 in Malaya. He could not receive information about the results of the examination until October 1945 when he learned that he had passed his Senior Cambridge Examination.

In the circumstances, I hope his case may be considered and be granted exemption on age bar and so be given an opportunity to enter the University.

Copy of G.O. No.991 Education dated 13th May 1947.

ORDER:

The Government direct that the age limit for admission to the Engineering classes in the Government Engineering colleges be raised from 20 to 22. The special concession of allowing two more years to Muslim and Oriya candidates, those belonging to the scheduled castes and those coming from the Agency tracts will be continued.

2. The age limit of 20 for admission to the Licentiate in Civil Engineering class will continue to be in force pending a decision on the question of abolition of this course raised by the Director separately.

3. The Director of Public Instruction is requested to suggest suitable amendments to the rules relating to the constitution and working of the College of Engineering, Guindy.

(By Order of His Excellency the Governor)

M.V. Subramanian,
Secretary to Government.

Eng. Colleges - Admissions - Age
exemptions to Mr. Francis Nathan

According to the Eng. college rules candidates for admission must be under 22 years of age on the 30th June of the year of admission. But this age limit shall be extended by two years, in the case of Muslim and Oriya candidates, candidates belonging to the Kanjar community and those coming from the Mewar tracts.

Candidates otherwise qualified but whose age exceeds the maximum laid down above may be admitted if the strength of the class permits. Students so admitted shall be ineligible for scholarships and prizes.

The candidate referred to in the cf was born on 9.12.1925 and is over aged by 5 months and 22 days. The Director ^{recommends} ~~and says~~ that if an exemption is granted the candidate will be admitted in one of the general seats. The question of age ^{exemption} ~~exemption~~ will arise only if there are not sufficient number ^{of candidates} of candidates to fill the general seats. This contingency will never arise and there is no need to grant exemption in the present case. For orders.
