The Provincial Government have sanctioned various educational concession and assistance (exemption from the payment of fees, allowances and scholarships) to ex-servicemen and their dependants for the prosecution of their studies with reference to Government Orders No.610 Edn dated 20-4-45, 886, Edn dated 26-4-1946 and 1167 Edn dated 12-6-46 and the expenditure is met from the Provincial Funds.

2. One of the schemes under 'Post-war Reconstruction' which is under the consideration of the Government is the appointment of demobilised soldiers as Physical Training instructors after giving them a shortened course of training. (Govt. Memo.No.4079-C.1.46-2 Edn dated 1-8-1946) The cost of the scheme is estimated at Rs.11,200. Another scheme sanctioned by the Government (G.O.No.662 Edn dated 27-4-45) viz. the opening of a Free Boys' Hostel at Vellore for the children and dependants of soldiers has not yet been given effect to for want of a suitable building. Subject: Scholarships to children and dependants of deceased and incapacitated soldiers.

Under ~~existing~~ previous Govt.orders children and dependants of deceased and incapacitated soldiers ~~are~~ were eligible for complete remission of school or college fees (both tuition and special) and examination fees and also for a grant of cash allowance for books, etc. In October 1944 the Govt.of India brought to notice that certain Provincial Governments sanctioned educational scholarships to children and dependants of Defence Services personnel who were killed or permanently incapacitated while on active service during the war and suggested the advisibility of this Govt.granting similar scholarships. The Government accordingly sanctioned in G.O. No.886 Education, dated 26th April 1946,(copy enclosed) the grant of scholarships to this category of pupils.

K/28

K/3

K/1-2

2. ~~It~~ It was suggested in that connection that children of the services men in question were already entitled to the benefit of free education with a generous allowance for books and incidental expenses under the Government general scheme of educational concessions for dependants of service men and that there was no reason why the Govt.should go further and give special scholarships to them to cover maintenance during the education; & it was also ~~It was consi-~~ considered that the expenditure was a legitimate charge on the Post War Services Reconstruction Fund, specially in view of paragraph (2) of the letter of the Government of India No.33 DGR/28/43 dated 6th November 1945. It was, therefore, decided that, in order to avoid delay in the benefit being extended, the scholarships should ~~may~~ be sanctioned by the Govt. in the first instance, and the Committee of the Post-War Services Reconstruction Fund be ~~ing~~ requested to reimburse the expenditure after it was constituted.

K/58

K/26+57

3. The D.P.I. estimated the cost on the grant of scholarships at Rs. 23000/-per annum with reference to existing pupils coming under the category referred to above.

~~[illegible]~~I.

157

34212/46

It is likely that the cost may increase to Rs.30,000 per annum as more eligible pupils join schools and colleges.

Public (War) Dept. 17

The case was last seen in this Dept. on p.7 ante. Although the Defence Dept. have not specifically sanctioned any scheme of scholarships for children and dependants of Defence Service Personnel who have been killed or permanently incapacitated during the War, it is clear from M on p.25 c.f. that the Services Reconstruction Fund can be utilised for this purpose also and Provincial Govts. may incur such expenditure pending recovery from the fund later on. In the circumstances it is for consideration whether the Provincial Govt. need undertake this additional expre.

Please also see paras 5 and 6 on p.26 c.f. Any expenditure incurred in advance on such schemes as are eligible for assistance from P.W.S.R. Fund can be recovered later on. The matter has to be placed before the Committee of Administration, which will soon be formed.

A.R.N
31-12-45.

This department may agree on principle to the institution of scholarships as proposed by the D.P.I. on pp.19-20 c.f. and supported by E.& P.H. on pp.5-6 above.

2. It appears this will qualify for a grant from the Services Reconstruction Fund and the matter can be placed before the Committee of Administration referred to above. Even if this is refused this appears a laudable scheme at comparatively little cost and may be financed by the Provincial Government;

G.N. 3-1-46

A

We may accept this as a Provincial responsibility. It is a deserved concession. I should not worry about the P.W.S.R. Fund. The important thing is to make a quick decision and to apply it at once.

The file deals with the proposal to grant scholarships to the children and dependants of Defence Service personnel who were killed or are permanently incapacitated while on active service during the war that ended in 1945.

2. With reference to the Government of India's letter on pp.1-2 c.f. The Director of Public Instruction was asked to furnish an estimate of the cost involved based on the existing number of students reading in all institutions at present, who will be eligible for the proposed special scholarships.

His proposals are on pp.19-20 c.f. He states that 216 (87 children and 129 dependants) will be eligible for the proposed ~~xpexiaixxsehaix~~ concession. The rates of scholarships proposed by him are as follows:

The above rates are stated to be on the analogy of the rates adopted for the grant of Lady Linlithgow Scholarships to the daughters of Defence Service Personnel killed in action in the 1939-45 war. According to the D.P.I. the probable extra expre p.a. is Rs.23,220 or Rs.23,200/- roundly.

This is only the cost of giving scholaships at the proposed rates to existing pupils. The cost would probably increase for some years eligible children entered the schools

31

2. E.& P.H. and Public support the proposal.

3. The following remarks are called for:-

(i) the educational concessions granted to the children and dependants of the Defence Service Personnel, in general, up to now, are given in G.O.No.610 E.& P.H., dated 20-4-45. Similar concessions granted during the last war are given in column (1) on p. 74 n.f. of G.O.No.272 E.& P.H. dated 16-2-1942. It will be seen therefrom that no scholarships were granted during the last war. not put up

(2) In addition, Govt. have sanctioned the opening of a free boys' hostel at Vellore for the children of soldiers in G.O.No.662 Edn. dated 27-4-45. —do—

(3) Govt. are already incurring a large amount of expenditure on the grant of educational concessions to children and dependants of the Defence Service Personnel and much more than in the last war. —do—

(4) A similar proposal to grant boarding allowance to the children of soldiers who are not in affluent circumstances, was considered by Government in 1942 and was not sanctioned. Vide A.2's minutes at X on p.79 n.f. of G.O.No.272 E.& P.H. dated 16-2-42 at (B). —do—

(5) The wives and children of soldiers killed or incapacitated on service are presumably given pensions sufficient for their maintenance and the education of the children.

In the circumstances, this department may suggest that there does not seem to be a strong case for the sanctioning of the proposal for the grant of scholarships as put forth by the D.P.I. on pp.19-20 c.f. D.W.D.

4. If the proposal is to be sanctioned, the following remarks are called for on the details:

(1) Amount of scholarship:-The rates proposed by the D.P.I. are stated to be on the analogy of the rates adopted for the grant of Lady Linlithgow Scholarships, and may be accepted. D.W.D.

(ii) Duration: The D.P.I. has proposed that the scholarships should be granted for 12 months in a year. Ednl. scholarships are ordinarily tenable only for 9 months in a year.

This Department may suggest that the proposed scholarships if given, may also likewise be granted for 9 months in a year. D.W.D.

(iii) Conditions of grant: The D.P.I. has not proposed any conditions to govern the grant of these scholarships. Suitable conditions on the lines laid down in para 3 of G.O.No.610 E.& P.H. dated 20-4-45 may be prescribed in consultation with the D.P.I. It may also be stipulated that the scholarships will not be admissible to those who reside in Govt. Free Boys' Hostel, or who are in receipt of any other scholarship either from Government or from a private endowment. not put up

(iv) P.W.S.R. Fund: Please see Chief Secretary's remarks at A on p.~~9~~ above.

The edl. concessions granted hitherto, to the ~~the~~ children and dependants of the Defence Service Personnel are being met only from Provincial funds. With reference to M on p.25 c.f. and A on p.26 c.f. the expre. on account of the grant of scholarships proposed, would seem to be a legitimate charge to be met out of the P.W.S.R. Fund,. ~~it may result in~~ The Chief Secretary apparently considers that orders should issue quickly, and that if it is to be debited to P.W.S.R. Fund, it may result in delay. It is submitted that the question of debit to P.W.S.R. Fund need not affect the issue of orders on the proposal. The expenditure may with reference to para 6 on p.26 c.f. be met in the first instance from Provincial revenues and the Committee in charge of the P.W.S.R. Fund may be requested to reimburse it when it is constituted.

5. Financial procedure: Though educational concessions like remission of school and examination fees, grant of allowance for purchase of books etc., have been sanctioned by the Government up to now, scholarships have not been sanctioned so far, and the proposal would therefore seem to constitute a new item of expenditure. Further the expenditure involved is also large, viz. B

---

32 16

B Rs.23,200 recurring per annum. In the circumstances, it would seem that the new service procedure should be followed in this case.

If any expenditure is likely to be incurred in the current year, steps will have to be taken to provide the necessary additional appropriation.

As the estimated extra cost involved does not exceed the limit of Rs.25,000/- recurring per annum the sanction of the Governor-General for the expenditure need not be obtained.

XX

It seems to me that it is clearly the responsibility of the G. of I. to make adequate provision for the maintenance during education up to a suitable age of the children of service men killed or permanently incapacitated on war service. E.P.H. have not obtained any information as to the size of the pensions paid by the Army to the wives and children of service. men killed on service and to permanently incapacitated service men for the support of themselves and their families. as was suggested at X on p.3 n.f. The children of such service men are already entitled to the benefit of free education with a generous allowance for books and incidental expenses under this Govt. general scheme of educational concessions for dependants of service men. I do not see why this Govt. should go further and give special scholarships to them all to cover maintenance during education. If the pensions paid by the G. of I in such cases are not sufficient to cover maintenance of the children during education, then it is the G. of I., I submit, that should supplement them by giving special scholarships towards the maintenance of the children during their education. It may be noted that all the pupils of whom the D.P.I. has collected particulars and to whom the proposes to give the scholarships are already getting their education with the help of this Government's General concession, and no evidence has been put forward to indicate that they are experiencing difficulty regarding maintenance. If there are children who really need the special scholarships it would presumably not be those who are now studying in educational institutions, but the others, if any, who have stopped their education and taken up employment for want of adequate means for their maintenance during continued education. The D.P.I.'s estimate of Rs.23,200 p.a. as the cost of the scheme covers only pupils and students now enrolled in the schools and colleges. If special scholarships are made available to all children of the class in question probably some who have stopped their education will resume it. In any case the number of such children reaching school age is likely to exceed the number completing their education for a number of years to come. The D.P.I.'s estimate of the cost of the scheme is therefore too low, and I should think the cost would rise to at least Rs.30,000/- p.a. before ~~large~~ long. If this estimate is accepted, the Governor-General's prior sanction under the Section 93 situation will be necessary for the expenditure. A

Edn. & P.H.(C)Dept.

The proposal is to grant scholarships to the children and dependants of Defence Service Personnel who were killed or are permanently incapacitated while on active service during the war that has just ended. The Edn. & P.H. Secy. and the C.S. consider that the proposal deserves to be accepted and that cost may be met by the Provl. Govt. The Fin.Secy. suggests that there does not seem to be a strong case for sanctioning the proposal. The extra cost involved on the basis of the existing number of students reading in all institutions is expected to be Rs.23,000; and may rise up to Rs.30,000/- per year.

The proposal may be pressed.
M.V.S.

As regards A in the Fin.Secy's note on page 12 ante it is subd. that the C.C.L.O. was asked what measures the Military dept. are taking for the provision of scholarships, educational concessions etc. to children and dependants of deceased and incapacitated soldiers and the reply is on p.23 c.f. It is for orders whether information should be obtained as to the size of the pensions paid by the Army to the wives and children of service men killed on service and to permanently incapacitated service men for the support of themselves and their families as suggested by the Finance Secretary. The collection of this information may take time. The C.S. has stated that the important thing is to make a quick decision and to apply it at once.

In view of the further discussions and the correspondence with C.C.L.O. I do not think this is necessary.

Orders have been issued in G.O.No: 1770 Public (Resettlement) D/14.8.46 constituting the committee of Admn

Question of how to

The expenditure involved in the payment of Scholarships, educational Concessions etc to the children and dependents of deceased and permanently incapacitated Defence Services personnel ~~have to be provided~~ that will be met from the Post war Services Reconstruction Fund. This Fund has been Constituted and a Secretary has been appointed. The expenditure connected with the payment of the Scholarships etc referred to above was estimated by the D.P.I. at Rs 23,000. per annum then. The cost of the scheme covered only pupils and students then enrolled in the Schools and Colleges then. The Finance Secretary Considered the estimate too low for the reasons stated by him at A on p 58 of G.O. 886 Edn. Dt 26.4.46. He thought that the cost would rise to at least Rs 30,000. per annum. The actual amount spent is not known. It may first be settled with the Committee whether it will meet the expense. A draft letter is subd. Public (R.S.) & Fin may see.
