Abstract

Legislative Assembly question
New Scales of pay for elementary
school teachers - Papers

2/1/48
20/6/48

Legislative Assembly Question by V. Ponnuswami Gownder regarding the introduction of Revised scales of pay in North Arcot District.

From the Secretariat, Madras Legislature (Assembly u.o. 5958/47 -4 ML dated 20-9-47.

Clause (a) of the question.

The pay of teachers was first revised ^{as from 1-1-47} in January 1947 along with the general ~~of~~ revision of salaries and orders were issued in G.O.No. 975 Education dated 10.5.47. Numerous representations were further received stating the revised scales of pay did not meet the demands of the teachers. The teachers threatened direct action and strike if the scales of pay were not revised further. Consequent on this, the Govt. again reconsidered the question and orders further enhancing the scales of pay of teachers were issued under G.O.No. 1154 Edn. dated 5.6.47.

Clause (b) of the question:

A report as to whether the revised scales of pay have been introduced has been called for from all the Special Officers ~~of Boards and Executive Authorities of Municipalities~~ from the replies received it is seen that many have

introduced the scales. In the remaining cases the question is being considered as to what steps should be taken in the

matter to enforce Govt orders.

Clause (c) of the question:

Presumably the M.L.A. refers to the District Board North Arcot and also to the ^{councils} municipalities in the North Arcot District. As regards Municipal Councils, replies have been received from 4 Municipal Councils stating the revised scales have been given effect to. In the cases the remaining two municipal councils, one has reported that revised scales of pay have not been introduced for want of funds. Separate action is being taken in regard to

The District Board, North Arcot, the Special Officer has reported that the revised scales of pay have not been introduced for want of funds and that a sum of Rs 182000 will be required as advance from Provincial funds for implementing the scales. The question of providing funds for meeting the expenditure is under examination separately.

For orders whether a reply may be drafted on the basis of the available information submitted or whether this file may lie over for some time. i.e. till orders are passed for the introduction of the revised scales in the case of local bodies which have not introduced them.

H. (Cm.)

The present position as to how many District Boards and Municipalities the new revised scales of pay have been introduced may be put up. In the meantime, action may be taken to give the required advance to other Municipalities so that they may also give the revised scales of pay. It is very unfortunate that ten months have passed since our revision, these steps have not been taken. Urgent steps may be taken and reported.

As already noted, reports have been called for from Local bodies in regard to the introduction of revised scales and the question as to what measures should be adopted to enable such the Local bodies as have not introduced the scales under consideration. It is presumed that H.M. has no objection to answer being drafted on the information that is available.

A draft answer is submitted below for approval.
A statement containing particulars of local bodies which have introduced the revised scales & which have not yet done so is for up as (A) and (B).
