No. 5218

Mercara, the 21st April, 1948.

From - The Chief Commissioner of Coorg.

To - The Secretary to the Government of Madras,
Department of Education, Fort St. George, Madras.

Subject:- Reservation of seats in each of the I and III
University classes (B.Com) of the colleges of the
University of Madras for students from Coorg.

29608

On account of the introduction of commercial subjects in the High School classes, many students after passing the S.S.L.C. examinations with these subjects as optionals want to pursue their higher studies in the colleges. As there is no college in Coorg, the students from Coorg will have to seek admission into the colleges of Madras. But by experience it is found that it is very difficult to get admission in B.Com. classes.

2. Owing to lack of facilities for studies in technical subjects, viz. Medicine, Engineering, Veterinary Science and Agriculture, this Administration has been entirely depending upon the institutions of Madras for facilities to students from Coorg desirous of pursuing these studies and it is gratefully admitted that the Government of Madras have been very accommodating in these matters, inasmuch as, they have kindly reserved a certain number of seats in the respective institutions every year for the students from Coorg.

3. In view of the fact that the study of commercial subjects is becoming more and more popular and as the students from Coorg intending to pursue their higher studies with these subjects as optionals find it difficult to obtain admission into the Colleges of Madras, I would be grateful if the Government of Madras could kindly cause at least four seats in each of the I and III University classes (B.Com.) in any of the Government Colleges to be reserved every year, commencing from the ensuing academic year, for the students from Coorg.

Sir,

Sub: Government Colleges - B.Com Courses - Reservation
of seats for Coorg students.-

Ref: Govt.Memo No.29608-1/48A Edn., dated 6-5-1948.

I have the honour to state that only in the Government College, Coimbatore, there is provision for the B.Com. course. The Principal states that it is not possible to reserve any seats for the students from Coorg on account of the limited number of seats fixed by the University and the heavy rush for admission from the Coimbatore and adjoining districts. He also states that the University have refused his request for increasing the strength of the class. In the circumstances it is not possible to consider the request of the Chief Commissioner of Coorg.
