2. The continuance of the posts of part-time music teachers in the schools specified above is necessary as music is included in the syllabus for the training course. Music is a compulsory subject in the curriculum of elementary schools and it is therefore necessary that the pupil teachers require a fair level of proficiency in the theory and practice of Music.

3. Of the forty six posts of part-time music teachers sanctioned in Government Order No. 851, Education dated 22nd April 1946, four will be converted into full time posts with effect from the school year 1948-7. Two posts have become super-numerary, owing to the amalgamation of the Government Training School for Masters, Guntur with the Government Training School for Masters, Madras and to the holding in abeyance of the

abeyance of the Training School for Masters, Cuddalore, consequent on the opening of a Basic Training School, in the place. Their continuance is not necessary. I request that Government may be pleased to sanction the continuance of the post of part-time music teachers in each of the forty Government Training Schools mentioned above, during the school year 1948-1949.
