Sub:- REFUSAL OF EDUCATIONAL CONCESSION CERTIFICATES TO THE DEPENDANTS OF I.N.A. RELEASED PERSONNEL.

Respected Sir,

With due respect and fully realising the inappropriateness in approaching you on matters of a trivial nature like this, I beg to submit the following few lines for your kind consideration and necessary orders.

My niece, M.P. Omana has been availing a Military Educational Concession in my name for the last one year as I formerly belonged to the British Indian Army before my joining I.N.A., in East Asia. She is at present studying in the III Form of MALABAR DISTRICT BOARD HIGH SCHOOL, KADIRUR.

Although during the last year the Government had been pleased to grant her the Educational Concession, the Revenue Authorities of the Government (Deputy Thasildar of Kuthuparamba, North Malabar) has refused to continue her with the concession this year owing to the mere fact that I am not in possession of a good conduct certificate from ~~my~~ the British Military Authorities.

It is not very difficult to imagine why a member of the I.N.A. should be denied of a good conduct certificate at the time of his discharge from service.

May I hope that since the Congress Ministry is at present in power, this discriminatory treatment of the authorities towards the members of the I.N.A. may be stopped and the Educational Concession which my niece was enjoying may be continued. I, therefore pray that necessary orders may kindly be issued to the Malabar District Educational authorities to allow the concession of my niece for her future studies.

Praying to be excused for the trouble.

I beg to remain,
Sir,
Your most obedient Servant.

However, assuming for purposes of the estimate, that every non-commissioned officer & sepoy of the I.N.A. has atleast one child or a dependant reading in a high school class, the probable expenditure which Government may have to incur during the current financial year works out to Rs.4,53,800. Details are furnished in the annexure. P 8 infra

2. Representations were made to Government that these privileges might be extended to the I.N.A. personnel. An examination of the request was held over pending orders of Government on the appointment of I.N.A. personnel to vacancies in Govt. service reserved for war service candidates. It has since been decided that for that purpose I.N.A. personnel should be treated in exactly the same way as ex-servicemen and that they have equal claims to be considered for "War-reserved" vacancies for which they may be suitable (with the exception of the police service). With reference to that decision, it has been proposed that the educational concessions referred to above may be given to the children and dependants of Ex-I.N.A. personnel also. The Finance department have accepted the proposal, subject to orders being taken in circulation as a question of policy was involved

4. The Govt. of India have made it quite clear from the start that the expre. on account of the grant of edl. concessions to children and dependants of ~~xxxx~~ ex-army personnel should be entirely on Provincial revenues. However, the Govt. of India will be addressed separately to share the expenditure as ordered by H.M.(Edn.) In the meanwhile if the concessions are extended to the children and dependants to I.N.A. personnel, the addl. expenditure also will have to be met by this Province. It is not possible to estimate now the cost involved. But the registered strength of the I.N.A. personnel in the Madras Province is reported to be only 3,000~~0~~ officers and 5,500 ~~Non~~-N.C.O's and sepoys, ~~and~~ The D.P.I. estimated the extra cost to Govt. at Rs. 4,53,800 per annum. the cost may be more as the scheme has not taken into account students in colleges and also the loss on account of exemption from exam. fees. MISCELLANEOUS.

Government of Madras

DEVELOPMENT DEPARTMENT

G.O. No. 1748, 7th April 1948

Post-war Reconstruction—Indian National Army personnel—Resettlement facilities—Orders passed.

28186

Order—No. 1748, Development, dated 7th April 1948.

For purposes of appointment to war reserved vacancies and recruitment to public services, the Government have decided that Indian National Army personnel should be treated in exactly the same way as ex-servicemen and that they should have equal claims for appointment to the reserved vacancies. Orders embodying the above decision were issued in G.Os. No. 821, Public (Services), dated 15th March 1947, and No. 48, Public (Services), dated 7th January 1948.

2. The Government have had under consideration the question as to what other privileges and concessions which are available to ex-servicemen should be extended to the members of the Indian National Army. The following resettlement facilities are at present available to ex-servicemen :—

(1) Co-operative Land Colonization Schemes.
(2) Training Schemes.
(3) Ex-servicemen's Centres.
(4) Co-operative Workshop Schemes.
(5) Employment Exchanges.

As the schemes mentioned above are in receipt of contributions either from the Government of India or from the Post-War Services Reconstruction Fund or from both, the Government of India and the Director of Resettlement and Employment were addressed, the latter to ascertain the views of the Committee for the Administration of the Post-War Services Reconstruction Fund as to whether they would agree to grant contributions towards the Resettlement Schemes to which Indian National Army personnel are admitted.

3. The Director of Resettlement and Employment replied that the Committee in its meeting on 31st January 1947 had decided to admit Indian National Army personnel who were members of the Defence Services before their entry into the Indian National Army to the benefits of the Fund and that as regards the admissibility of other categories of Indian National Army personnel to the benefits of the Fund, the question was referred by the Committee to the Government of India.

4. In their reply to this Government, the Government of India have classified Indian National Army personnel into two categories, viz.—

(*a*) Those who went from the Indian Armed Forces.

(*b*) Those who were recruited from Civilians outside India.

In respect of the second category, the Government of India have categorically stated that they cannot accept the proposal made by this Government by which such personnel can be considered as eligible for benefits under the schemes for resettlement of ex-members of the Indian Armed Forces and discharged war workers which are financed partly or wholly by the Government of India, or from the Post-War Services Reconstruction Fund.

5. As regards the first category of Indian National Army personnel, the Government of India have stated that in regard to the items relating to Training Schemes and Employment Exchanges the policy followed is that all ex-servicemen (*including the members of the Indian National Army*) are eligible as such for resettlement and employment assistant through the Employment Exchanges except those who have been dismissed from service by a competent authority. They have also stated that the Exchanges do not make any discrimination between Indian National Army men and other ex-servicemen. Regarding Land Colonization Schemes the Government of India have stated that they are prepared to extend the facilities to members of the Indian National Army provided they fulfil the conditions prescribed for the eligibility of candidates for Land Colonization Schemes in G.O. No. 488, Public (Resettlement), dated 13th February 1947, according to which members should be, among others, ex-servicemen of 'exemplary' or at least 'good' character and should have served in the Armed Forces between 1st September 1939 and 31st August 1945.

6. As regards assistance from the Fund the Government of India have stated that they have no objection to ex-Indian National Army personnel who went over from the Indian Armed Forces deriving benefit from the Fund.

7. It would thus follow from the foregoing that the Government of India are agreeable to extending the benefits of resettlement schemes financed wholly or partly by them or from the Post-War Services Reconstruction Fund to only such of the ex-Indian National Army personnel as had gone over from the Indian Armed Forces and not to those recruited from Civilians outside India, the criterion being whether a particular individual is an ex-member of the Indian Armed Forces or not.

8. The question was considered whether the policy of this Government in respect of their schemes mentioned in paragraph 2 should be brought into line with that of the Government of India or whether, in conformity with their previous decision in regard to Public Services, all Indian National Army personnel, irrespective of whether they once belonged to the Indian Armed Forces or not, should be admitted to the benefits of the Resettlement Schemes undertaken by this Government. After careful consideration this Government have come to the decision that Indian National Army personnel belonging to category (*b*) of paragraph 4 above should be admitted only to those concessions which are within the competence of this Government to grant and in respect of which no financial

TSN

help is received either from the Central Government or from the Post-War Services Reconstruction Fund. The following are a few examples of such concessions :—

(i) Membership in Motor Transport Co-operative Societies for ex-servicemen;

(ii) allotment of isolated plots of land for cultivation ; and

(iii) assignment of house-sites.

The Departments of the Secretariat are requested to take action in accordance with the above decision, in consultation with the heads of departments concerned, if necessary, and report to this Department urgently what concessions and privileges at present enjoyed by ex-service personnel can be made available to the ex-Indian National Army personnel of the kind referred to above. The concessions envisaged in these proceedings will not be admissible to persons who are guilty of acts of brutality. / M

B.G.R./20-5-47.

P 15·NF With reference to the minute of H.M.(Finance) extracted immediately above, this Department noted that the Secretary, Indian National Army Relief Committee, Mount Road Madras, would have a list of the I.N.A. patriots and that he would certify the I.N.A. men, giving all necessary particulars, and that it would not, therefore, be a

a case of taking him at his word. On re-circulation of the case, H.M.(Finance) ~~has~~ minuted that I.N.A. had become a political issue and that apart from his own views, he did ~~does~~ not want that Government should do anything definitely unpopular. H.P.M. H.Pr and H.E. the Governor ~~have~~ accepted the proposal. P 17 NF

PP 9-12 CF. 4. The proposal was then placed before the S.F.C. with the following remarks:-

P. 13 NF "The Government of India have made it quite clear from the start that the expenditure on account of the grant of educational concessions to children and dependants of ex-army personnel should be entirely a charge on Provincial revenues. However, the Government of India will be addressed separately to share the expenditure as ordered by H.M.(Edn.) In the meantime ~~while~~ if the concessions are extended to the children and dependants of the I.N.A. personnel, the additional expenditure also will have to be met by this Province. It is not possible to estimate now the cost involved. But the registered strength of the I.N.A. personnel in the Madras Province is reported to be only 3,000 officers and 5,500 N.C.O's and sepoys. P 16 NF

pp 7-8 CF The D.P.I. estimated the extra cost to Government at Rs 4,53,800 per annum. The cost may be more as the Director has not taken into account students in colleges and also the loss ~~cost~~ on account of exemption from examination fees." ~~The proposal is placed before the Standing Finance Committee for approval.~~

~~a) Budget provision under the Major head of account .. Rs 699.63 lakhs~~
~~b) Actual expenditure to the end of July 1947 .. Rs 123.31 "~~
~~c) Estimate of extra expenditure on the present scheme in the current year. .. Rs. 5,00,000 per annum~~

5. The Standing Finance Committee considered the proposal and decided as follows:- — Page 21 NF (bottom) & P 22 NF (top) "The educational concessions might be given to children and dependants of I.N.A. personnel in suitably deserving cases upto a limit of Rs.50,000/-a year and expenditure beyond this sum should not be allowed without further reference to the Govt."

6. The following further remarks on the proposal are now found to be necessary:-

(i) The ban on the employment of the I.N.A. personnel in posts in the Police Services has since been removed. 'P' on page 22 NF.

(ii) The ~~latest~~ number of I.N.A. men in the Province has since been reported to be 3,066 at the most. The D.P.I. has furnished a revised estimate of cost, viz., 2,53,000/-, with a suggestion that the actuals will not amount to so much. It has, therefore, been suggested that the cost may be put at Rs.2,50,000/- recurring, ~~which has been~~ as adopted at the top of this note.

(iii) It has since been decided by the Govt. that for purposes of admission to the benefits of the Post-War Reconstruction and Resettlement Schemes, the I.N.A. personnel should be divided into two categories; namely, (i) those who went from the Indian Armed Forces and (ii) those who were recruited from civilians outside India; and that (while ~~those~~ belonging to category (ii) should not be admitted ~~both the categories should be admitted~~ to the benefits of ~~only~~ such of the Post-War Reconstruction and Resettlement Schemes as are (partly or wholly ~~purely and entirely~~ financed by the Govt. of India, both the categories can be admitted to the schemes, the cost of which is entirely met from Provincial Funds. As the scheme of educational concessions for the children and dependants of the Defence Services personnel is one whose cost is a sole charge on Provincial Revenues, it has been suggested that all the I.N.A. personnel, irrespective of the distinction referred to above, may be admitted to the benefits of the above scheme and that, later, (if necessary, ~~the~~ distinction may be insisted upon and the decision modified, after a claim for a share in the cost of the educational concessions [a question raised by H.M. Many ~~privileges~~ educational concessions have been given to the war returned personnel and representations have been made that these privileges should be extended to the I.N.A. personnel also, and I do not see any reason why this should not be done. That is a question over which the decision of the Cabinet may be necessary. The necessary proposals may be formulated in this direction and submitted for circulation to all H.Ms.

2 As far as the letter below is concerned, he is an ex-soldier, but because he joined the I.N.A. the concession seems to have been withdrawn. I think it ought not to be withdrawn. Instructions may be sent to the school concerned and a suitable reply sent to the writer of the letter.

(The notes of Public Department on pages 6 and 7 ante may be read.)

The question for consideration in this file is whether the educational concessions admissible to ~~the~~ children and dependants of soldiers should be granted to the children and dependants of I.N.A. personnel. A decision on this question has been held over pending orders of Government re: the appointment of I.N.A. personnel to vacancies in Government service reserved for War service candidates. It has now been decided that I.N.A. personnel should be treated in exactly the same way as ex.service men and that they have equal claims to be considered for 'reserved' vacancies for which they are suitable (Police service excepted). Following this decision it seems that the educational concessions under G.O.No.610, Education, dated 20-4-'45, should be extended to children and dependants of ex-I.N.A. personnel.

Comm. (7) at "v"/2

One of the conditions laid down in G.O.610-Edn., dated 20-4-45, for the grant and continuance of the concessions is that the soldier is not discharged from mily. service by order of court-martial or for misconduct or inefficincy or is not declared a deserter. I.N.A. personnel may be roughly classified into two categories: one, those who went over from the Indian armed forces, and the other, those who were recruited from civilians outside India. The former in most cases would have ~~joined the INA only after their~~ been discharged from the Indian armed forces by orders of ~~courts~~-martial ~~or~~ for having joined the INA ~~misconduct~~. It is presumed that the educational concessions should not be withheld from children and dependants of personnel of that type belonging to the Province and that condition (7) will not apply to them. In that view, both the categories of I.N.A. men may be put down as item (6) under "Persons eligible for concessions" - para 1 of Notfn. published with "v". The condition of six months' approved mily. service may be insisted on in the case of I.N.A. personnel also. It seems also necy. to prescribe in their cases that a certificate similar to that issued by the Indian Army, etc. authorities (vide para 3(4)(i) ~~mt~~ at "v"/2), showing the particulars mentioned below, should be sent with the claims for the concessions:

Comm. 3 "v"/2

Name, Rank, Father's name, Caste,
Village, taluk and district,
Date of enrolment, date of discharge,
Length of approved service.

Pub.(Ser.) may be requested to say whether the authoritiy from whom the certificate should be ordered to be obtained, may be the Secretary, I.N.A. Relief Committee, 8, Narasingapuram, Mount Road, Madras - cf. Press Note No.29 P.(S), dated 1-2-47.

3. The addl. expre. involved in the extension of the concessions to the IN.A. men cannot be estimated now.

4. May be sent to Pub. and Fin. for remarks before circn.

I understand that all schemes for the amelioration of ex-service men are borne by the Central Govt. I do not see any reason why the case of educational concessions alone to the ex-service men should be borne by the Provincial Govt. entirely. If these concessions are to be extended to the I.N.A. men the probable financial effect will have to be worked out. I would suggest that for the whole thing we should claim a half grant at least from the Govt. of India. As our Finances stand at present, it will not admit of extending this concession indefinitely. I also think a time-limit must be based upon these concessions. This matter may be examined and put up.

I would like that these concessions to the ex-service men and proposed to be given to the I.N.A. men should also be given to those who have fought for the freedom of the country in the last quarter of a century. People who went to Jail in the 1930,-31 and 1941-'42 movements or people who were hanged or died in Jail, these children may also be given these concessions. I believe the number of men that would have gone to Jail and whose claim for these concessions will not be more than about 5,000 people in this Province and so the cost will be negligible. On the other hand the popular effect will be very good especially in view of the coming independence to this country, people will appreciate this small concession that we give to the fighters for freedom.

While it is true that not one of the I.N.A officers would have been receiving less than Rs 200/- a month to enable his children and dependants to become eligible for the educational concessions it is quite unlikely that all the 5500 Non-Commissioned officers and Sepoys will each be having a child or dependent in a High School class to be eligible for the educational concessions. Some of these students may be in the College classes in which case the estimate would be even higher. Some of these students may be in Special Schools. 4. Attention is, in this connection, invited to G.O. No. 1748, Dev., dated 7. 4. 1948, added ~~to~~ the c. f. The decision in that G.O. appears to be that both the categories of the I. N. A. personnel referred to in paragraph 4

pages 13-14 c.f.

para 4, p. 13 c.f.

paragraph 4 of that G.O. may be admitted to such of the Provincial Post-War Resettlement Schemes, ~~on~~ the expenditure on which is entirely met from the Provincial Revenues. The scheme of educational concessions for the children and dependants of the Defence Services Personnel sanctioned in G.O. No. 610, Edn., dated 20.4.1945 is a scheme of the type mentioned above and, therefore, all the I.N.A. personnel, irrespective of the distinction made in para. 4 of the G.O. on page 13 c.f., may be admitted to its benefits. But H.M. (Edn.) had once minuted that the ~~Govt. of India might~~ ~~the~~ matter of claiming one half of the expenditure (on the extension of the concessions to the I.N.A. personnel) from the Govt. of India might be considered separately. If such a claim is made and eventually admitted by the Govt. of India, then it appears that the I.N.A. personnel falling under category (b) in para. 4 of the G.O. on page 13 c.f. should not be admitted to the benefits of the educational concessions, to accord with the decision conveyed in para. 8 of that G.O. However, inasmuch as the expenditure on the educational concessions is, at present, entirely met from the Provincial Revenues, the I.N.A. personnel falling under both the categories in para. 4 of the G.O. may, for the present, be admitted to the scheme. The question of revising this policy may be considered after the claim referred to at 'A' above is made to the Govt. of India and admitted by them. ~~The~~ Subject to orders, the remarks of Pub. (Military), Rev. (R.S.) and Finance may be invited u.o.

Please see the remarks of Finance at p. 26 ante. The correction made by them in para. 6(iii) on page 4 of the 'Cabinet Note' is ~~[illegible]~~ likely to give the impression that only those belonging to category (ii) are eligible for admission to the benefits of the Schemes financed entirely from Provl. Funds, whereas, in fact, both the categories are eligible. Perhaps, to make the position clear beyond all doubt, the entire portion marked 'B' on page 4 of the note may be recast as follows:-

"and that while those belonging to category (ii) should not be admitted to the benefits of such of the Post-war Reconstruction and Resettlement Schemes ~~are~~ as are partly or wholely financed by the Govt. of India, both the categories can be admitted to the Schemes the cost of which is entirely met from Provl. Funds."

~~The alteration at 'B' on page 4 of the note also appears to be unnecessary.~~

If approved, necessary modifications will be made in the draft note before submission to C.S. (to whom the file may now be marked before circn.)
