The sanction accorded in the above order for

the continuance of the temporary post of additional women Tutor in English in the Presidency College, Madras, expires on 16-7-1948. The Principal states that though the Intermediate classes are to be abolished from 1948-49 there will be corresponding increase in the strength of B.A., & B.Sc., classes and therefore the continuance of the post is necessary. I request that Government may kindly sanction its continuance for a further period of 2 years.

2. The temporary post of Physical Directress the continuance of which was also sanctioned in the G.O. cited above will expire only on 14-2-1949 and therefore will be addressed in time for the further continuance of the post.

Please see the reference from the D.P.D in the C.F. and the draft order put up by E.P.H on 1 above. With the transfer of the intermediate classes from the Presidency College to the Govt Mohamedan College, there will be an appreciable decrease in the number of girl students on roll. Hence the D.P.D has stated that there will be corresponding increase in the strength of B.A and B.Sc. classes and therefore requests the ^{further} continuance of the post of woman tutor in English in the Presidency College. ~~from~~

 This should not be taken to mean that there will be and it is not certain, whether the increased admissions in the B.A. and B.Sc. classes will be proportionate with the decrease. The present sanction for the post of women tutor in English exists upto 15-7-48. The admissions in the college will be almost over by the second week of July, and it will be possible by then, to examine the necessity for the further continuance of the post in question, in the light of the statistics regarding the total number of girl students in college in the last year and their strength in the current year. In the circumstances this dept may advise that the present proposal for the continuance of the post of women tutor in English may be taken up in July, after getting the necessary information, referred to at A above.

The whole object of removing the Intermediate classes from the Presidency College to the Govt. Muslim college is to increase the number of admissions in the B.A. and other postgraduate courses in Presidency College. The number of women students will not therefore fall down.

2. It may be noted that the sanctioned strength of girl students for the college approved by the Uty. is 250, and even last year the number of students in the third and fourth year classes was so great, that no additional girl students could be admitted into the junior Intermediate class. It was, in that connection, also ordered that in future, no girl students should be

P.T.O.

admitted only to B.A. and other postgraduate courses. It will thus be seen that the removal of the Intermediate classes from the college will not make any difference to the position now obtaining, and that the number of girl students will not go down. The need for the woman tutor will ~~not~~ therefore be ~~the same~~ as before. Finance may see again.
