Government of India,
Ministry of Education,

New Delhi 3, the

June 1948.

From

Ashfaq Husain, Esquire,
Deputy Secretary to the Government of Madras

To

The Chief Secretary,
Madras Government, M_A_D_R_A_S.

Sir,

I am directed to forward herewith a copy of an application received from Mr. K.K.Narayanan who is seeking admission for his son, Mr. K.N.Balakrishna, into Guindy Engineering College through the Indian Ambassador in Burma. A copy of express letter No. 130 E.B. 48/3176, dated May 19th, 1948, from Indian Embassy, Rangoon, is also herewith enclosed, in which it has been suggested that if no seat is available at Guindy Engineering College, his admission may be secured into either of the Engineering Colleges at Combatores and Annamalai Nagar.

In this connection, I am also desired to draw your attention to this Ministry's circular letter No. 126-1/48.ODI on the subject of provision of facilities in India for students of Indian origin abroad and to request that efforts may kindly be made to arrange for the admission of the student as far as possible.

The favour of an early reply is requested.

I have the honour to be,
Sir,
Your most obedient servant,

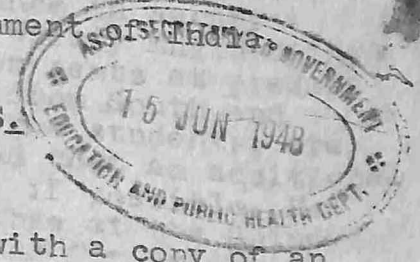

Jasbir Kumar Agla

FOR DEPUTY SECRETARY.

C.S. V. P. H. 4.0

14/6/48

14/6/48

Copy of Express letter No. 130EB48/3176, dated 19th May, 1948, from the Indembassy, Rangoon addressed to Foreign, New Delhi.

With reference to correspondence on the subject of seats in Engineering Colleges in India for students from Burma, I am directed to forward herewith an application from Mr. K.K. Narayanan, an Assistant Accounts Officer in the office of the A.G., Burma, containing a request for assistance in securing a seat for his son, K.N. Balakrishnan, in the Guindy Engineering College, Madras. It is understood that the two seats at present reserved in that college for Indian students from South and East Africa but which might be allotted to Burma students, are not now available. Mr. Narayanan has requested that an additional seat be allotted for his son in that College, if possible. He has also suggested that, if no seat is available at the Guindy Engineering College, his son may be recommended for admission into either of the two Engineering Colleges at Combatore or Annamalai Nagar. Considering that only one request has so far been received for a seat in the Guindy College and in view of the peculiar circumstances in which Indian parents in Government of Burma service, who are about to be retrenched prematurely on grounds of nationality, are placed, this Embassy will be grateful if Mr. Narayanan's request is considered sympathetically and if the Government of Madras could be kindly requested to arrange for a seat specially for his son at one or other of the above colleges.

2. This Embassy may kindly be informed of the action taken by the Government of India in the matter.

The issue of the above has been authorised.

Sd/- Lt. Col.
Second Secretary.

Copy of an ^{application} letter, dated 13th May, 1948, from K.K. Narayanan, Assistant Accounts Officer, Office of the Accountant General, Burma, Rangoon, to the Principal, The College of Engineering, Guindy, Madras.

I beg to request that a seat may kindly be reserved for my son K.N. Balakrishnan for the ~~Civil~~ ^{Mechanical} Engineering Course commencing from July, 1948.

The following particulars about Balakrishnan are furnished:-

- (i) Has appeared for the Intermediate Examination of the Madras University held in March, 1948 (student of MADURA DHAYUMANAVAR THIRAVIYAM HINDU COLLEGE, TINNEVELLY).
- (ii) Optional Subjects at the Intermediate Examination— Maths., Physics and Chemistry. (Is expecting a pass in the First Class).
- (iii) Date of birth:- 27th August, 1931.

I am serving under the Government of Burma and there are no facilities for Indian Nationals taking up Course of study in the Engineering College attached to the Rangoon University. In view of the conditions in which Burma Indians are placed I request that special consideration may kindly be given to the present application.

Thanking you,

Sd/- K.K. Narayanan.

Press letter No. 1308/48, dated 15th May, 1948, addressed to Foreign, New

reference to correspondence on the subject of seats in the Engineering College in India for students from Burma. I am serving under the Government of Burma and there are no facilities for Indian nationals taking up courses of study in the Engineering College attached to the Rangoon University. I request that special consideration may kindly be given to the present application.

Mr. Narayanan has requested that an additional seat be allotted for his son in that College, if possible. He has also suggested that, if no seat is available at the Guindy Engineering College, his son may be recommended for admission into either of the two Engineering Colleges at Comptone or Annamalai Nagar. Thanking you,

Copy of letter from the Govt. of India, Minister of Education, No. 126/1/48-O.D.I dated 12th March, 1948.

Subj:- Provision of facilities in India for students of Indian Origin from abroad.

I am directed to invite your attention to the question of providing facilities in Universities and Institutions in India for students of Indian origin from commonwealth and foreign countries which has been engaging the attention of the Government of India for sometime. It has been observed that Indian students residing in countries abroad experience considerable difficulty in securing admission to Institutions in India particularly for professional courses such as Medicine and Engineering. Indian settlers in commonwealth countries do not generally have adequate facilities of higher education for their children. In certain countries they are also subjected to racial discrimination, while in certain other commonwealth and foreign countries the facilities for University education or advanced technical training are either lacking or extremely limited, with the result that Indian students have generally to proceed to the United Kingdom or to India for higher education. The Government of India consider that if these students come to India for further studies, they should be treated as citizens of the Provinces or states to which they originally belonged and should be allowed to enjoy in the educational sphere all the facilities available to the citizens of the Province or State concerned. They desire therefore that every assistance should be given to such students to secure admission into institutions in India and no disabilities should be placed on them on account of their residence out of India. Particular urgency attaches at the moment to the question of India students in Burma who are now applying for educational facilities in India because of the disabilities of that they have to encounter in educational institutions in Burma.

It is hoped that the Madras Government will find it possible to agree with these views and to take necessary steps to ensure that Indian nationals from abroad who belong to the Province are placed on an exactly similar footing with the students domiciled in the Province in the matter of provision of all facilities including admission to Government or private educational and technical institutions.

The favour of an early reply is requested.

Copy of letter No. 5-284-B/48 dated 15.7.48 of the Principal, College of Engineering, Guindy.

Sub: Admission of K.N. Balakrishnan an Indian National from abroad into the B.E., Degree course -

In submitting herewith copy of correspondence No. D. 5687/48-E.III (P) dated 10.7.48 from the Secretary to the Government of India, Ministry of Education, New Delhi, I have the honour to state that the candidate referred to has secured 543/550 marks at the Intermediate examination of the Madras University, which is too low to that of the last candidates selected for admission from Brahmin community to which the candidate presumably belongs. The marks obtained by the last candidates of the Brahmin community selected for admission from the three regional areas are as follows:--

- | | | |
|----------------|-----|--------|
| 1. Tamil area | 639 | marks. |
| 2. Andhra area | 584 | " |
| 3. West Coast | 641 | " |

Under the above circumstances, this candidate's case does not deserve consideration for selection for admission into the B.E., Degree course in this Presidency.

Provision of facilities in India for
 students of Indian origin from
 abroad.

Please see the letter from the Govt
 of India on the 1 and 3cf. ^{in their letter on page 3cf of the} Govt of
 p 3cf India request that this Govt should
 take necessary steps to ensure that Indian
 nationals from abroad who belong to this
 Province are placed on an exactly similar
 footing with the students domiciled in
 the Province in the matter of provision of
 all facilities including admission to
 Govt or private educational and technical
 institutions. In their letter on page 1cf the
 Govt of India also request that one K.N.
 Balakrishnan, the son of a Madras officer
 who is employed under the Burma Govt
 may be secured admission in one of the
 Govt Eng. Colleges or in the Eng college
 under the Annamalai University.

At present two seats are reserved
 in the Govt Eng. colleges for Indian
 students from South and East Africa
 they are required to pay fees at double
 the rates paid by Madras students.
 There is a proposal separately under consideration

to charge them only single rate if they or their parents originally belonged to this Province. ^{7 pers.} ^{rule in work}
 Till last year 5 seats in Eng colleges used to be reserved for Burma exiles. This reservation has been abolished from 1948-49.

It is understood that it is proposed to reserve 5 seats in the Medical colleges for Indian students from abroad if they or their parents originally belonged to this Province. It is for order whether any seats over and above ~~that~~ reserved for South and ^{East} African Indian students should be reserved for Indian students from abroad.

In this connection it may be stated that the Govt. have decided that applications for admissions into Eng colleges from Pakistan refugee students should be considered on their merits along with applications from students from this Province without reference to the question of domicile. In regard to age these candidates have been allowed a concession of one more year over the general age limit of 22 years.

It is for consideration whether Indian students from abroad may be permitted to compete on equal terms with the students of this Province on the analogy of the concessions granted to refugee students from Pakistan. ^{There are also D.P.S. letters on page 4 of.}

The letter from the Govt of India refers to Govt or private educational and technical institutions. The position in regard to Govt ^{technical} ~~educational~~ institutions under this dept is dealt with above. There is no restriction in regard to admission of Indian students from abroad in Govt. Arts colleges. It does not seem that there is any restriction in regard to admission to private colleges also.

I do not think it is necessary to bring these are below 2

As per letter to Govt of India

I agree with this is the appropriate course - it is the only way to have asked for

The position of B. M. is more clear here.

There has been no change in the position of B. M.

We may point out that the Govt. of India is possible, but we are aware of the fact that the Govt. of India is not likely to agree to the reservation of seats for Indian students from abroad in the Medical colleges.

25/6/48

The question of securing a seat for the candidate referred to by the Govt of India in their letter on page 1 of my copy of the Govt. Eng. colleges will depend on the decision to be arrived at ^{on A.P. in the previous page.} ~~on the previous page.~~ Admissions to the Eng college under the Annamalai University are made by the authorities of that University and Govt. cannot ask the University to reserve a seat for the candidate in their college.

23/6/48

24/6/48

H. P. may decide
