I am directed to forward herewith a copy of an application received from Mr. G.L.Rampal through the Ambassador in Burma, seeking admission in the College of Engineering Guindy Madras. In view of the disabilities for Indian students now prevailing in Burma, the Government of India would appreciate it if the student's application/admission could be given sympathetic consideration.

2. This Ministry may be informed if further particulars are required regarding the qualifications etc. of Mr. Rampal.
3. The favour of an early reply is requested.

I have the honour to be,
Sir,

Your most obedient servant.

Through:- The High Commissioner for India in Burma.

To,

The Honourable Minister,
The Ministry of Education,
Government of India,
New Delhi.

Sir,

With due respect and humble submission I beg to bring the following few lines for your kind perusal and sympathetic consideration.

That I am a 1st year B.Sc.(Engineering) student of the University of Rangoon.

Secondly I was a 4th Year B.A.(Physics and Applied Maths) Student of S.D.College, Lahore and was to appear in May 1947 - But unfortunately due to the riots in Lahore and in Punjab I could not even take the examination, not to speak of getting admission in Engineering College Lahore. As I was very much interested in Engineering and not foreseeing the circumstances, I applied for admission in University of Rangoon, and thus got it.

Now that the circumstances have changed it is difficult for me to continue my studies here in Burma. My father, who was supporting me, has gone back to India to settle and restart business in East Punjab. I have a keen interest in Engineering and have great desire to acquire Engineering Education. At the same time I have a desire to serve my free mother land after getting my Engineering education.

In view of the above mentioned facts, I request you to kindly help me in getting a seat in any of the Engineering Colleges in India in continuation, preferable in Thompson Engineering College Roorkee, or college of Engineering Guindy, Madras etc.,

Hoping that my case will be considered favourable and sympathetically and will arrange for the same at your earliest convenience.

P.T.O.

For which act of kindness I shall in duty bound,
ever remain grateful.

I beg to remain,

Sir,

Your most obedient servant.

G.L.Rampal.

To
The Secretary to Government,
Edn. & P.H. Department, Fort St. George.

Dated Simla the 22nd March 1948.

Dear Sir,

I sent an application for the admission of my son Krishnan Saigal to the Madras Engineering College, to your address through the Deputy Educational Adviser, Govt. of India. He has now replied (wide copy of Ministry of Education letter No. DY.2637/48-E.IIT(P) dated 18th March '48 attached) that I should apply direct to you. We have been displaced from the North Western Frontier Province by the recent partition of the country and my son has consequently not been able to attend an educational institution since March 1947. He passed the Senior Cambridge Examination in 1945 in the first Grade winning a scholarship. He passed the Intermediate Examination of the Punjab University in 1946 securing a high first division (464 marks). He then studied for one year in the Govt. College, Lahore, which he had to leave in March 1947 owing to disturbances. The subjects taken by him in the degree class were English, Mathematics and Physics. I shall be extremely grateful if the Govt. of Madras could see its way to admit him in their Engineering College so that he may be able to pursue his studies. His age is just over 18 years, his date of birth being 12th February 1930.

Yours faithfully,

D.D. Saigal, I.F.S.,

Dear Sir,

With reference to your undated letter addressed to the Secretary to the Government of Madras, Education and Public Health Department, which was required to be forwarded to him by the Deputy Educational Adviser to the Government of India regarding the admission of your son to the college of Engineering, Madras, I am desirous to say that you may apply direct to the Provincial Government in the matter. I may add for your information that the Provincial Governments are being requested to consider the cases of refugee students on merits without any reference to the question of domicile.

Sub: Colleges - College of Engineering, Guindy - Admission of Krishnan Saigal, a refugee from North West Frontier Province.

Ref: Govt. Memo.No.22922-2/48 A.Edn dated 27-5-1948

I have the honour to state that Sri Krishnan Saigal may apply for admission to any of the colleges of Engineering in the ~~Province~~ and his case may be considered with ref. to G.O.No.1494 Edn dated 5-6-1948. In this connection the Principal, College of Engineering, Guindy, points out that the East Punjab Government have started an Engineering College at Roorkee for the benefit of the refugee students coming from Pakistan.

My dear Subramaniam, Kindly see papers^{enclose} and the application for admission of his son into the Engineering College, Guindy, by Mr. P.C. Khanna, Director, Civil Engineering Railway Board. The applicant has set out the facts.

I had written about Mr. Khanna's son to Dr. Rudra, Principal, Engineering College and to Reddi, your Director of Public Instructions and have heard from them both to say that selection for admission into the Engineering College is made by a non-official committee which, however, has no power to select a candidate not belonging to the Madras Presidency. I understand, however, that the Government of Madras can, and do, arrange admission of candidates from outside the Presidency from time to time.

There are, among other things, two ~~strong~~^{strong} and urgent factors which, it appears, would weigh in favour of the boy's admission. The first is his being a refugee and therefore fully deserving of every concession and consideration; and the second, that his father belongs to an All-India Service and has therefore a claim over institutions all over India.

I have known Mr. Khanna and his son for some time now and have no hesitation in recommending the young man's case for the very favourable consideration of the Government of Madras. In the unfortunate circumstances in which the boy is placed, I have no doubt that the Govt. will consider his case most sympathetically and would strongly urge that Govt. may be pleased to issue orders directing the

Copy of application dated 27th April 1948 from P.C. Khanna,
I.R.S.E., Director, Civil Engineering, Railway Board, New Delhi,
to the Secretary to the Govt. of Madras, Education & P.H. Dept.

I have the honour to enclose an application from my son
Promod Chand Khanna for admission to the College of Engineering,
Madras. As a result of partition, I had to leave the Punjab in
August 1947, where I was employed as Chief Engineer on the North
Western Railway. My son was then studying in Government College,
Lahore, in the 4th year. His subjects were Physics, Mathematics
and English.

After the partition, the East Punjab Government could not
immediately provide necessary facilities for the education of the
students who came over from Pakistan, as the Government needed
buildings for accommodation of the refugees, and every college
building in East Punjab was requisitioned for this purpose.

While I was in the Punjab, I had planned to get my son admitted
to the Punjab College of Engineering, Lahore, but, unfortunately,
the partition made it impossible for him to join that college. His
education has thus suffered a great set-back.

I served in the Punjab for 30 years. Now I have no place
which I can call my home. Although my son does not belong to
Madras Presidency, I shall consider it a great favour if you will
kindly nominate him, as a special case, for admission to the College
of Engineering, Madras.

Copy of letter dated 14th April '48 from Promod Chand Khanna,
s/o. P.C. Khanna, Director of Civil Engineering, Rly. Board,
G.73, Sujah Singh Park, New Delhi, to the Principal, College of
Engineering, Guindy, Madras.

I sent a letter asking for your College's prospectus and
admission form. But I am sorry to inform you that I have not
received either of the two.

Therefore, could you kindly consider this as my application
for admission to your Civil Engineering (Degree) class.

As regards my qualifications I beg to state that I am a refugee
student from the Punjab. I passed my Inter. (Science) ~~ex~~ from
the Punjab University in high second class securing 380 marks. I
missed my 1st division by only 10 marks. As regards my sports
and other activities I enclose my ~~ex~~ true copies of the certificates.

I hope you will consider this application as it comes from a
refugee student.

Thanking you.

Manohar Lall Memorials High School,
Ferozepur Cantt.
Dated - 19th January 1945.

It gives me much pleasure to certify that Promod Chandra Khanna son of P.C. Khanna Esq., passed the Matriculation Examination of the Punjab University from our school in the year 1944 with a high First Division. His teachers were very pleased with his work both in studies and games and spoke very highly of him. He took a keen interest in sports. In fact he could play all the games very well. He was a member of the School cricket and Volley Ball teams at the District High Schools Tournament. He did very well in other teams too such as Hockey and Basket ball. He was a representative of his class in the junior Red Cross Society of the School. He is a promising youth with a bright career before him. I wish him every success in life.

NEW DELHI.

Dated Simla the 5th August, 1948.

Dear Sir,

Please refer to your No. P.12-100/48-B III (P) dated the 8th July, 1948. I received a wire from the Principal Guindy Engineering College, that my son Krishan Saigal had been admitted to the Anantapur Engineering College. On local inquiries I found that this college was situated in an unhealthy town-especially so for a Punjabee student. I therefore, wired the Principal again for further information and requested him to change his admission to the Guindy Engineering College, Madras where more amenities were available for a Punjabee student. But my request was turned down with the result that my son could not take advantage of the offer.

The Anantapur Engineering college is reported to be the least equipped college in Madras without any facilities for practical training. I am of course making this statement from hearsay and am subject to correction. The Anantapur town is stated to be a very dry and unhealthy place inas much as water has to be carried from long distances. The Madras Government by offering a seat to my son in this institution has taken the grace out of an otherwise generous offer.

I bring this fact to the notice of the Government and what it is worth and as an example of the sympathy and consideration that the distressed Punjabees receive from other Provinces. I am sending a copy of this letter to the Government of Madras and the Principals of the Guindy and Anantapur Engineering Colleges.

Yours faithfully,

(D.D. Saigal. IFS.)

REF:- From Sri D.D.Saigal, dated 5--8--1948.

Please see the copy of letter from Sri D.D.Saigal on p.1-3 c.f. addressed to the Govt. of India, Ministry of Education. He complains that his son Krishan Saigal had been allotted a seat in the Anantapur College and not in the Guindy College, into which he sought admission.

//Attention is invited to the Memo on pp.25-26 c.f. of G.O. No.1668, Edn., dated 29--6--48,

(The allotment of seats in the different colleges are made by the Principals and the Govt. do not ordinarily interfere in the allocation of seats. A number of students of this Province who are not natives of Anantapur or the neighbouring districts are studying in Anantapur.

The Govt. have ^{shown} great consideration to ~~give~~ the candidate

in giving him a seat at ~~all~~. It is for orders whether any action is called for on the letter or whether it may be filed with papers at 'A'.

We may ignore this

(it is only a copy of a letter sent to the Govt. by the candidate's father)

he can write to us - mentioning 'A' above & also asking for we defer the matter till the next time the letter is received in the consideration of the Government of this Province itself.
