Please see the notes on p 1 above.

With reference to A on p 1 above, it seems better to await the further report from the D.P.O. regarding the distribution of subsidies to the seven district boards, including the new municipalities recently constituted, before issue of orders. The D.P.O. may be requested by Govt to expedite his report in view of the fact that the year has already begun and payments have to be made. If the receipt of the particulars will take time, the D.P.O. may be asked to furnish information regarding the probable amounts payable to the seven D.B.s, excluding the new municipalities. While issuing orders, it may be clearly stated that the subsidies in these seven cases are provisional and that subsidies in respect of the newly constituted municipalities will be issued shortly and determined, the grants now sanctioned will be liable to reduction.

22-6-48

The draft order may be accepted subject to the remarks at A above.

23-6-48 E.P.H.

25-8-48 D.P.O.

Necessary indication has been made in the annexure. The drafts may be issued.

29/6/48

26.6.48

Apparently this is not possible as if the amounts payable to D.B.s and Municipalities can be easily determined.

This may be done by putting a stamp on the D.P.O. report concerning the amounts to be paid and inserting a footnote.

In the annexure to the Government Order referred to above, the total grant payable to Mangalore Municipality for 1948-49 is given as Rs.9,580/- and the amount payable in each of the first eleven months of the year as Rs.798/-. As such, the amount payable in March 1949 comes to Rs.802/- instead of Rs.862/- which appears to be a mistake in printing. Hence, the amount in column (6) may please be corrected as Rs.802/- which is the grant payable to the Municipality in March 1949.
