Sir,

Sub: Rajagopalan, Sri S.V. - Permanent typist, Madras Record Office and temporary stenographer in the Food Department, Government of India - Transfer to the Office of the Indian Council of Agricultural Research.

58703

Sri S.V.Rajagopalan, a permanent typist and officiating clerk of this office, who was on deputation as a stenographer in the Government of India, Food Department, has, by that Department, been lately transferred to foreign service in the Office of the Indian Council of Agricultural Research. It does not appear that any terms have been entered into with the foreign employer in regard to his leave and pensionary contributions. The only thing that is stated is that, as his services were immediately required, he was transferred in anticipation of the approval of his parent office and

18/7

that,

that, so far as that Department could see, the conditions laid down in Fundamental Rule 111 had been kept in view. Copies of my correspondence on the subject are enclosed. As, according to Fundamental Rule 110, only the Government are competent to transfer the individual to foreign service I request that he may, if there is no objection, be transferred formally to foreign service and that arrangements may kindly be made to fix his emoluments in foreign service and to recover from the foreign employer the leave and pensionary contributions due to the Government in respect of him. His substantive pay cannot be stated with certainty as his service book has not yet been received by me. As soon as it is received I shall forward it to the Government. So far as can be seen from the records of this office, his pay in the revised scale will be Rs.76/-.

Ref: Copy of your letter No.A.111(592) dated 2.5.1947 to the Secretary, Indian Council of Agricultural Research and the enclosure thereto communicated to me.

Adverting to the communication referred to above, I have the honour to state that I presume, though it is not quite clear, from the copy of the letter of the Secretary, Indian Council of Agricultural Research, that the post to which Sri S.V.Rajagopalan has been transferred is not a post in Government service and that therefore he has been transferred to foreign service. If my presumption is correct, I must state that I am not competent to transfer him to foreign service and that the proper authority is the Government of Madras. I shall, therefore, address the Government of Madras in the matter, but, before doing so, I would like to know (i) whether the conditions laid down in the Fundamental Rules especially Fundamental Rule 111, regarding transfer to foreign service, have been satisfied, and (ii) whether any terms have been entered into with the foreign employer, such as leave and pensionary contributions, before the individual was transferred.

I have, therefore, the honour to request that, if there is no objection, information on the points mentioned above may kindly be furnished at an early date and that his service book may also kindly be sent to me for further action.

Ref: Government Memorandum No.58703/47-4 C2, Education, dated 14.2.1948 (with enclosure).

With reference to the Government Memorandum cited above I beg to offer the following remarks on the letter of the Under Secretary, Indian Council of Agricultural Research.

1. The rules laid down in Fundamental Rule 110, 111 and 114 relating to the deputation to foreign service of Government servants have not been observed from the very beginning and it appears to be now too late to apply them strictly. I have explained in my letter No.969-A/47-3 dated 16.7.1947 how the typist came to be transferred to foreign service. The rate of pay fixed for him is stated to be Rs.135/- in the scale of Rs.125-5-180-10-300 with effect from 3.5.1947. This rate has been fixed by the Indian Council of Agricultural Research instead of by the Government of Madras, as it should have been done. Considering that his substantive pay in this office is only Rs.76/- the rate of pay of Rs.135/- drawn by him in foreign service seems to be excessive. I may point out that under paragraph (1) of the delegation under Fundamental Rule 114 the Government servants deputed to foreign service by the Board of Revenue, etc. are allowed to receive only 25 per cent over and above their substantive pay from the foreign employer. I may also add that the terms of foreign service ought not,

p 1-2 ante

according

according to the rules, be such as to render foreign service more attractive than Government service. The typist, however, has now been in foreign service for nearly one year drawing Rs.135/- per mensem and it is for the Government to consider whether he may be allowed to draw pay at this rate so long as he is employed under the Indian Council of Agricultural Research. I may state here that it is not known how long the typist's services will be required by the council.

2. The pensionary contribution in respect of the typist for the year 1947-48 is Rs.6-5-0 per mensem and that for the year 1948-49 is Rs.7-4-0 per mensem. The leave salary contribution is 12½% of the pay drawn in foreign service i.e., Rs.16-14-0 per mensem if the rate of pay is taken as Rs.135 per mensem. If it is considered by the Government that the rate of pay now drawn by the typist from the Indian Council of Agricultural Research viz., Rs.135/- per mensem, should remain unchanged, there is no reason why he cannot contribute to his own leave and pension. The contributions, it will be seen, amount to a fairly big sum every year.

3. I may state in this connection that there has been no delay on the part of this office in dealing with this matter and that the delay of 10 months which has already occurred is entirely due to the failure of the Indian Council of Agricultural Research to respond promptly to the communications issued by me and the Government. It will be seen that the Indian Council of Agricultural Research took nearly 6 months to send its reply to the Government's letter dated 21st August 1947. It also took not less than 9 months to send the service book of the typist, to this office, in spite of several reminders.

In my letter referred to above I have offered my remarks upon the proposal to transfer Sri S.V.Rajagopalan a permanent typist of this office to foreign service under the Indian Council of Agricultural Research. Orders have not yet been passed upon this letter. In the meantime I have received a letter from the Government of India, Ministry of Food, requesting me to forward the service book of Sri S.V.Rajagopalan in order to claim his arrears of pay and allowances under Central Civil Services (Revision of Pay) Rules 1947.

2. I have already stated in my previous letter that the service book of the individual was returned to this office by the Indian Council of Agricultural Research only in February last after a number of reminders had been sent to the Council by this office. Under the instructions contained in Service Rule 8 under F.R.74(a)(IV), the service book has to be sent to the Accountant-General, Madras, for recording therein, under his signature, the orders sanctioning the deputation of the individual to foreign service and other connected particulars. This can be done only

Vide p 18 ante

after

after the Government pass orders formally deputing him to foreign service and fix his pay in that service with reference to F.R.114. I have therefore informed the Government of India that I am not in a position to send the service book of the individual immediately and that it will be sent as soon as the particulars relating to the deputation of the individual to foreign service are recorded therein by the Accountant-General, Madras. I have, however, furnished to the Government of India an extract from the service book relating to the period of the individual's service under the Government of India.

3. In order that the service book may also be sent to the Government of India, I request that the Government may be pleased to pass early orders on my letter cited above.

From the Curator, M.R.O., No.969-A/49-8, dated 25-2-48. pp.17-18

The case relates to the transfer of the services of Sri S.V.Rajagopalan, permanent typist and officiating clerk of the office of the Curator, M.R.O. to the Indian Council of Agricultural Research, New Delhi. Sri Rajagopalan was on deputation as a stenographer in the Food Dept. of the Govt. of India. While on deputation, he has been ~~deputed~~ appointed as a stenographer on the research side of the Indian Council of Agril. Research on a pay of Rs. 135/- p.m. in the scale of Rs.125-5-180-10-300 with effect from 3-5-1947. As the latter post in question is not a post in Govt. service, the appointment of Sri Rajagopalan has to be treated as on foreign service. Under the Fundamental Rule 110, the authority competent to transfer Sri Rajagopalan to foreign service is only this Government. The appointment has however been made in anticipation of approval as the services of Sri Rajagopalan were immediately required. As pointed out by the Curator in his letter at pp. 17-18 c.f., Govt. servants deputed ~~to~~ on foreign service, are generally allowed only an additional pay of 25% of their substantive pay. ~~from the foreign employer~~. In the present case, the substantive pay of Sri Rajagopalan is stated to be only Rs. 76/- p.m. whereas his pay in the Indian Council of Agrl. Research has been fixed at Rs. 135/- p.m. As however, the typist has been in foreign service for over one year now, ~~the~~ Govt. need not object to the grant of a pay of Rs. 135/- p.m. to Sri Rajagopalan.

2. Under F.R. 115, contributions towards leave salary and pension of Govt. servants on foreign service are payable by the Govt. servants themselves unless the foreign employer

consents to pay them. Accordingly the Secretary, Indian Council of Agrl. Research, New Delhi, was addressed in this Dept's letter at p. 7 c.f. to know whether the Council was prepared to meet the leave and pensionary contributions on behalf of Sri Rajagopalan. The Secy. Indian Council of Agrl. Research, has replied to the effect that this Govt. may waive the recovery of the leave and pension contributions as otherwise the liability for their payment will fall on Sri Rajagopalan himself. As pointed out by the Curator, M.R.O., in para 2 of his letter at p. 18 c.f., there seems to be no case for waiving the recovery. The pay now drawn by ~~him~~ Sri Rajagopalan is ~~over~~ nearly double his substantive pay and the contributions which amount to only about Rs. 25/- p.m. can easily be met by Sri Rajagopalan himself.

p. 13 cf

vide p 18 cf

In the circumstances, it is for orders whether the ~~Govt. of India~~ Indian Council of Agrl. Research may informed that the contributions should be ~~met~~ paid by Sri Rajagopalan if the Indian Council of Agricultural Research ~~do~~ does not agree to meet these contributions. Formal orders ~~may also be now issued~~ approving the transfer of the services of Sri Rajagopalan to the Indian Council of Agrl. Research may be issued after receipt of reply from the (Govt of India) (Indian Council) to the further communication proposed. Subject to orders, the case may be sent to Fin. u.o for remarks.

In G.O.No.1686, Education, dated 3rd July 1948 Sri Rajagopalan was placed on foreign service in the Indian Council of Agricultural Research from 3rd May 1947.
