Station Madras, Dated the 27th October 1947

From (Name) Dr. S. R. U. Saver, M.A., B.Sc., I.E.S.,

(Designation) Director of Public Instruction, Madras.

To The Secretary to the Government of Madras,

Education and Public Health Department.
Fort St. George, Madras.

Sir,

I have the honour to state that according to the present rules it is permissible to transfer the Inspectresses of Girls' Schools, and Superintendents of schools from one category to the other. For the recruitment by transfer from subordinate services to both the categories the age limit prescribed is 50. I am of opinion that some change should be made to the existing practice.

2. An Inspectress has to do much touring work and she should besides possess initiative, alertness and considerable administrative and organizing ability which are not required to the same degree in the case of Superintendents of schools. There are a number of schools where the heads are not Gazetted Officers though some of the schools are as big as those having Superintendents as heads. The age restriction does not apply in the case of members of Subordinate Educational Service when they are posted as heads of schools. As the nature of work done in schools with Gazetted and non-Gazetted heads is practically the same there is no sufficient justification to prescribe

P.T.O.

Rule 2(c) - Entry against
Class VII - only categories

Rule 5(a)-(B)

age limit for heads who are Gazetted Officers. Moreover there is no age limit for promotion in the Men's Branch for the teaching side. I may further add that those persons promoted as Superintendents may be doing the work as Headmistresses of schools prior to their promotion and consequently their promotion does not involve on them any new duties. Hence I recommend that the age restriction in case of promotion to the posts of Superintendents may be abolished.

If the above principle is accepted promotions to the administrative posts in the Women's Branch of the Madras Educational Service will have to be made separately for Inspectresses and Superintendents. For the purpose of promotion the officers will be classified as follows:

1. Officers suitable for appointment as Inspectresses or both as Inspectresses and Superintendents.
2. Officers suitable for appointment only as Superintendents.

The prescribed age-limit would be applicable in the case of the first type and it will not be applicable in the case of the second type. And Officers found suitable only for the posts of Superintendents will not be eligible for transfer as Inspectresses.

4. If Government approve of my recommendation I shall submit suitable amendments to the rules.

I have the honour to be,
Sir,
Your most obedient servant,
