31260

No. 655-1/48 Dated the 24th April 1948.

Sir,

Sub: Khadi and Stores - Purchase from Government
Dep'ts - Exception to use a special variety
of cloth - Requested .-

With reference to G.O. (Ms) No. 135 dated
15th March 1948 Firka Development Deptt. I have the honour
to state that khadi will be used for all our requirements
as directed by Government. As for livery and towels they
are being supplied by the Superintendent of Stationery on
our Annual indents.

In this connection I have to submit that
for lining the Museum show cases in the galleries we have
been using a particular variety of drill cloth best suited
for the purpose. We have been purchasing this as and when
we required. As khadi is not suited for this particular
work I have the honour to request that Government will be
pleased to accord sanction for the departmental purchase and
use of grey drill cloth as usual in place of khadi only
for this work of lining the show cases.

I have the honour to be,
Sir,
Yours most obedient servant,
A. Aiyappan
Superintendent. 27/4

No. 655-4/48

Dated the 13th May 1948.

Sub: Government Museum - Khadi & Stores - Purchase
from Government Departments - Exception to
use a special variety of cloth.

36028
h 3ank

Reference Government Memo No. 31260 C2/48-1 Edn.,
dated the 3rd May 1948.

I have the honour to state that the main reason why we require drill cloth for lining the show cases is, that the drill cloth is closely woven and prevents dust, etc., getting through the mesh and set underneath, which is the important factor to be considered. Besides it is so durable that it requires renewal once in 3 or 4 years, even though it is being brushed up constantly. If khadi is used for the purpose it will have to be renewed very often because dust will easily get in through the wider mesh, and in view of the fact that the thread will give way in constant brushing. In the above circumstances

P. T. O.

I have the honour to request that the Government will be pleased to accord sanction to use drill cloth in place of khadi only for the lining of show cases.

I have the honour to be,
Sir,
Your most obedient servant,

A. Aiyappa
SUPERINTENDENT.

Order 169/ Edu dated 3/7/48.

The Grant do not accept the proposal
of the Supt. Grant Museum, to use drill cloth
in the place of khadi for the lining of show
cases. He is also informed that closely woven
first class drill cloth in khadi is available
from the A. I. S. A. Tirupur. If they are given
8.7.0

a special indent in advance for getting this drill cloth woven with 20 counts yarn, it will be useful for the purpose.

The letter from the S.G.M on 15.6.48 may be perused. He states that the main reason for drill cloth only to be used for lining the show cases, is that the drill cloth is closely woven and prevents dust etc getting through the mesh and set underneath which is the important factor to be considered. Besides it is so durable that it requires renewal once in 3 or 4 years even though it is being touched up constantly. On the other hand if khadi is used for the purpose, it will have to be renewed very often because dust will easily get in through the wider mesh and the thread will give way in constant brushing. In these circumstances, this Dept may agree with the S.G.M to use drill cloth in place of khadi for the lining of show cases. Draft order on h' ante is for approval. Firka Devt. may see before circulation.

to RF (N) Notes plain p 3 and 4 and all the CF may be permitted. For the reasons given in the letter on. With p 5 to CF the Supl. Govt. Museum is required to permit the use of drill cloth in place of Khadi for lining the lining of show cases. Attention in this connection to the portion marked A on p 3 and 4. In the circumstances it is suggested that S.G. No. 1752 may perhaps agree to the sanction of being accorded to use drill cloth in place of Khadi for lining the show cases. E.P.H. may be requested to circulate the case to H.P.V. also.

24/5/48 Close woven first class drill cloth ^{in Khadi} is

Re 15.6.48
 P.T.O.

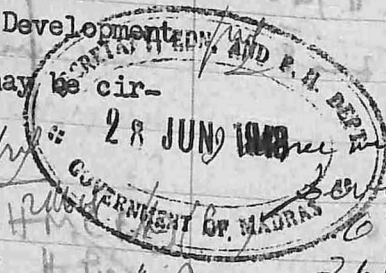

6

The proposal in this file to exempt the Govt. Museum as a special case from the use of Khadi for lining the museum show cases. The Superintendent Govt. Museum states that the main reason for the use of drill cloth for lining the show cases is that the drill cloth is closely woven and prevents ~~the~~ dust etc., getting through the mesh and set underneath which is the important factor to be considered and that at the same time which is so durable that it requires renewal once in three or four years even though it is being brushed up constantly. This department proposes to accept the S.G.M.'s proposal. ^{The} Firka Development states that first class the closely woven drill cloth in Khadi is available with A.I.S.A. Tiruppur and if they are given a special indent in advance for getting this drill cloth ~~more~~ woven with 20 counts yarn it will be useful for the purpose and also will last long and that ~~department is not for~~ the Govt. Museum ~~and~~ ^{may not be treated as} a special case. For orders whether the proposal of the Firka Development may be accepted and S.G.M. informed accordingly. The file may be circulated to H.M.(Education) and the Hon'ble Premier.
