In resubmitting herewith the letter dated 28-7-47 from the President, The College Teachers' Union, Salem referred to me for remarks with Government Endt. No.62858G3-47-1 Edn., dated 20-8-1947, I have the honour to state that I consulted the Registrars of the Madras, Annamalai and Andhra Universities and I submit below their views in the matter.

Madras University. - The Registrar states that the Syndicate is of opinion that this is a matter for Government to decide, after a consideration of the aims and objects and constitution of the Association and in the light of the conditions under which they have given recognition to similar association of teachers.

Annamalai University:- The Registrar states that what is meant by Government, "recognising" the College Teachers' Union is not clear and that what is wanted is that Government should give due regard to its views on Educational subjects and representations on the needs and grievances of College teachers. He does not consider the issue of G.O. on the subject necessary.

p.t.o.

Andhra University: The syndicate of the University is, not in favour of recognising Teachers' Union.

2. I may state that at their latest conference in December 1947, most of the resolutions were about what salaries teachers should get. This is also clear from the objects of the Union. Vide extracts of the rules of the rules of thUnion enclosed. Recognition of the Union is likely to lead to difficulties in the future though as expressed by the Annamalai University, Government will naturally consider whatever any association may choose to place before Government. On the whole I am inclined to agree to the view of the Andhra University that recognition to the College Teachers' Union is not necessary.

Please see the letter from the D.P.I. on p.p.11-12 c.f. ~~andxthe~~ He has forwarded the views of the three Universities in the matter. The Registrar, Madras University, states that the question of granting recognition to the Teachers' Union is a matter for the Government to decide, after considering the aims and objects and constitution of the Association and in the light of the conditions under which recognition is granted to similar teachers' associations.

p11 cf

The Registrar, Annamalai University, states that he does not understand what is meant by recognising the College Teachers' Union. He states that what is wanted is that the Govt. should give due regard to its views on educational subjects. He does not consider the issue of a

G.O. on the subject necessary. The Syndicate of the Andhra University is not in favour of recognising a Teachers' Union. The D.P.I. is of opinion that the recognition is likely to lead ~~to lead~~ to difficulties in the future and hence he does not recommend the recognition of the College Teachers' Union. A copy of the constitution of the above Teachers'Union is at (R). The objects of the Association are at p. 1 of (R). Attention is in this connection solicited to G.O.No.416.Edn. d/ 24-2-39 in which rules regarding recognition of Ele. School Teachers' Unions have been laid down. These rules do not however apply to Government Institutions; they are applicable only to aided, Board and Municipal elementary schools. Instructions regarding the recognition of Assns. of Govt. employees other than industrial employees have recently been revised and issued with G.O.No.1160.Pub(Genl) d/ 11-5-48. No rules have been issued by Govt. in respect of Teachers' Assns. consisting of Govt. employees as well as non-Govt. teachers and no teachers' Assns. has so far been recognised by Govt. on a Provnl. footing. In the circumstances, it is for orders whether the D.P.I.'s. recommendation may be accepted and the recognition sought for by the Secy. of the College Teachers' Union refused.
